Note : Contractors on the District List, unless suspended, may submit quotations for contracts up to \$1 million in the district for which they are registered.

The general requirements to be satisfied by contractors applying for inclusion in the District List are appended below:

- (a) at least one member of the resident top management of the company (i.e. chairman, director, general manager, etc.) must have at least one year's local experience in managing a construction firm;
- (b) at least one technical staff of the company must have the following qualifications:
 - (i) a Higher Certificate in Civil Engineering from a Hong Kong Polytechnic / Polytechnic University or Hong Kong Institute of Vocational Education / Technical Institute / College or equivalent and one year's local working experience in minor works projects; or
 - (ii) a Certificate in Civil Engineering from a Hong Kong Polytechnic / Polytechnic University or Hong Kong Institute of Vocational Education / Technical Institute / College or equivalent and two years' local working experience in minor works projects; or
 - (iii) at least five years' local working experience in minor works projects;

- (c) the employed capital and working capital of the company must not be less than \$200,000 respectively;
- (d) the company must have completed works projects with a total value not less than \$500,000 in the past three years;
- (e) the company must not have any court convictions in the past twelve months for contravention of site safety legislation or the Employment Ordinance or for employment of illegal workers; and
- (f) the company has not suffered significant loss in the past two years.

“P” denotes probationary status

“C” denotes confirmed status

“T” denotes probationary on trial status

“(S)” denotes suspended temporarily
