

INVITATION FOR EXPRESSION OF INTEREST IN DEVELOPMENT OF
A CHINESE MEDICINE HOSPITAL IN HONG KONG

The Government of the Hong Kong Special Administrative Region ('the Government') aims to facilitate Chinese medicine to play a more active role in promoting public health; and further enhance the professional training and standards of Chinese medicine practitioners as well as the scientific research of Chinese medicine in Hong Kong through the development of a Chinese medicine hospital.

The Government now invites Expression of Interest (EOI) from all non-profit making organisations, who are interested to undertake the construction and operation of a Chinese medicine hospital at a site reserved by the Government at Tseung Kwan O. Interested organisations should submit EOI in Chinese and/or English in accordance with the instructions given in the EOI document before 5.00 p.m. on 16 May 2016 Hong Kong Time (GMT+8hours).

Details of the EOI requirements and relevant information are available at www.fhb.gov.hk/en/eoi. For enquiries, please e-mail to EOIenquiry@fhb.gov.hk.

Information, ideas and suggestions received through the EOI exercise may be used to determine the development model and service requirements of the Chinese medicine hospital and the land disposal arrangement for the above reserved site. The EOI exercise is conducted on a non-committal basis and does not form part of the process for acquiring the site by interested organisations.

15 January 2016

KO Wing-man *Secretary for Food and Health*
