

URBAN RENEWAL AUTHORITY ORDINANCE (Chapter 563)

NOTIFICATION OF COMMENCEMENT OF THE  
MAN ON STREET/TAI KOK TSUI ROAD  
DEMAND-LED REDEVELOPMENT PROJECT  
BY THE URBAN RENEWAL AUTHORITY

Pursuant to section 23(1) of the Urban Renewal Authority Ordinance and subject to the fulfillment of conditions precedent of Demand-led Redevelopment Project mentioned below, it is hereby notified that the Urban Renewal Authority will commence the implementation of its redevelopment project DL-12:YTM at Nos. 8–30 Man On Street (even numbers only) and Nos. 193–199 Tai Kok Tsui Road (odd numbers only) ('the Project'). In accordance with section 23(2) of the Urban Renewal Authority Ordinance, the commencement date of the implementation of the Project shall be the date on which notice of the Project is first published in the *Gazette*, i.e. 16 December 2016.

The Urban Renewal Strategy promulgated on 24 February 2011 provides that the Urban Renewal Authority may respond to a joint approach from building owners to initiate redevelopment of their lot(s)/building(s) ('Demand-led Redevelopment Project'). Some owners of the Project have applied to the Urban Renewal Authority for the implementation of the Project as a Demand-led Redevelopment Project.

The Project being of a Demand-led Redevelopment nature will be subject to the fulfillment of both of the following two conditions precedent: (a) acceptance of the Urban Renewal Authority's conditional acquisition offers and the signing of the relevant legally binding sale and purchase agreements by owners of not less than 80% of undivided shares of each lot in the site under application within 75 days of the issue of the conditional acquisition offers by the Urban Renewal Authority; and (b) the granting of authorization by the Secretary for Development to proceed with the development project under section 24 of the Urban Renewal Authority Ordinance and no appeal upon the expiry of the appeal period after the authorization or the dismissal of appeal, if any, within one year of the issue of the conditional acquisition offers. If any one of the above two conditions precedent is not met within the stated time frame, the Project will not be proceeded further and all sale and purchase agreements which have been signed between the Urban Renewal Authority and the owners will be cancelled and such owners shall not be entitled to claim any compensation, costs and expenses from the Urban Renewal Authority for the cancellation. For the avoidance of doubt, if the Project is cancelled for the reason of non-fulfillment of the above two conditions precedent, neither ex-gratia payments will be made to nor re-housing will be offered to the tenants/occupiers of the Project, whether or not they have been registered as occupants at the freezing survey, by the Urban Renewal Authority.

The Project has been selected by the Urban Renewal Authority for implementation as a Demand-led Redevelopment Project and it will be implemented by way of a development project under section 26 of the Urban Renewal Authority Ordinance and subject to the fulfillment of the two conditions precedent of Demand-led Redevelopment Project mentioned above.

The Project covers a site area of about 1 770 m<sup>2</sup>, abutting Man On Street to the west, Fuk Lee Street to the north and Tai Kok Tsui Road to the east. The buildings are 6 to 8 storeys high. The buildings were completed in 1957 and 1958.

to the Secretary for Development for consideration.

In accordance with the Urban Renewal Strategy, the Urban Renewal Authority will submit to the Secretary for Development an assessment as referred to section 24(3) of the Urban Renewal Authority Ordinance by way of two social impact assessments, Stage 1 and Stage 2.
