

FIRE SERVICES ORDINANCE (Chapter 95)

ORDER MADE BY THE REGISTERED FIRE SERVICE INSTALLATION
CONTRACTORS DISCIPLINARY BOARD

It is hereby notified that a Disciplinary Board appointed by the Chief Executive under regulation 9 of the Fire Service (Installation Contractors) Regulations (the 'Regulations'), subsidiary legislation of the Fire Services Ordinance, Chapter 95, Laws of Hong Kong, was satisfied after a due inquiry held on 10 May 2017 in accordance with regulation 10 of the Regulations, that RNB Engineering Hong Kong Limited, being a Class 1 and 2 registered Fire Service Installation Contractor, on 28 September 2016 was convicted by a court sitting at Shatin Magistrates' Courts (Case No. STS6775/2016) of contravening Regulation 14 of the Fire Service (Installation Contractors) Regulations, made under the Fire Services Ordinance, Chapter 95, and such an offence will make its continued inclusion in the register of fire service installation contractors prejudicial to the due administration of the Fire Services Ordinance.

It is further notified that pursuant to regulation 10(2)(b) of the Regulations, the said Disciplinary Board ordered that RNB Engineering Hong Kong Limited be reprimanded, and the order will take effect on 22 June 2017.
