

SUPPLY OF TRAFFIC SIGNAL CONTROL EQUIPMENT
NOTICE OF PREQUALIFICATION OF TENDERERS

Invitations for tender for the supply of the following traffic signal control equipment will be issued to prequalified suppliers from time to time to meet the requirements of the Transport Department:—

- Item 1—traffic signal controllers for use in existing Area Traffic Control Systems; and
- Item 2—road traffic signal housings.

The tenders to be invited will be covered by the Agreement on Government Procurement of the World Trade Organization and will not involve electronic auction.

Suppliers which are not yet included in the Government Logistics Department's ('the Department') lists of prequalified suppliers for the supply of the above products are invited to apply for prequalification. The prequalification documents on compact discs (CD-ROMs) can be obtained from:—

The Procurement Division
Government Logistics Department
9th Floor, North Point Government Offices, 333 Java Road
North Point, Hong Kong
Telephone: (852) 2231 5300
Facsimile: (852) 2807 2764
Email: (hktender@gld.gov.hk)

Completed prequalification applications can be submitted by mail or in person to the above address or by facsimile or email.

Applications received will be assessed in accordance with the relevant prequalification assessment criteria. The Department reserves the right to reject any applications. The Department also reserves the right to review the status of suppliers, which have already been included in the lists of prequalified suppliers, in the light of any new information that may affect their eligibility for prequalification.

The validity of the list of prequalified suppliers for traffic signal controllers for use in existing Area Traffic Control Systems (i.e. Item 1) will expire on 24 May 2021.

This notice also serves as a summary notice required under the Agreement on Government Procurement of the World Trade Organization.
