**INDEX OF AMENDMENTS TO OR REPEALS OF SUBSIDIARY  
LEGISLATION PUBLISHED IN THE LOOSE-LEAF EDITION  
OF THE LAWS OF HONG KONG AS UPDATED BY  
THE LATEST ISSUE (ISSUE 54)**

**(To 30.9.2017)**

This index lists amendments to subsidiary legislation published in the Loose-leaf Edition of the Laws of Hong Kong (as updated by the latest issue (i.e. Issue 54)), or repeals of such subsidiary legislation, that are not reflected in that issue. Following each item is the enactment that amends or repeals the subsidiary legislation concerned. The enactment is printed in bold type if it is gazetted in September 2017.

2. This index is published monthly. Users should refer to the individual Legal Supplements to the Gazette to see whether a piece of subsidiary legislation is amended or repealed by another enactment after the date of the index.

3. The Hong Kong e-Legislation (**HKeL**) (<https://www.elegislation.gov.hk>) was launched on 24 February 2017. Verified copies of legislation printed from HKeL are presumed to correctly state the legislation (see section 5 of the Legislation Publication Ordinance (Cap. 614)). The legislation data in HKeL are being progressively verified.

4. If an existing piece of subsidiary legislation published in the Loose-leaf Edition is verified and becomes available in HKeL, it will cease to be updated in the Loose-leaf Edition. Instead, a purple Check List will be published in the next issue of replacement pages to direct users to HKeL. Further, new principal subsidiary legislation published in the Gazette after 2 June 2016 will not be published in the Loose-leaf Edition but will be made available in HKeL. Such new principal subsidiary legislation and subsidiary legislation replaced by purple Check Lists are not covered by this index.

5. Users may refer to HKeL to see whether a verified copy of a piece of subsidiary legislation is available in HKeL. If a piece of subsidiary legislation with a verified copy available in HKeL is amended or repealed by another enactment, HKeL will be updated by consolidating the amendment or repeal that has come into operation, or by recording the amendment or repeal that has not yet come into operation in a notice (that could be found under “Provisions / Amendments not yet in operation” in HKeL).
