Any manner of reproduction of Part 4 of the Tender Form (including copy-typing) to be submitted as the Offer to be Bound shall not be acceptable and the Tender with the non-conforming Offer to be Bound will not be considered further; or
 - (ii) (for Electronic Tendering) the box signifying the Tenderer’s agreement with Part 4 “Offer to be Bound” of the Tender Form must have been checked;
 - (b) the Unit Price quotations for all Items in the Price Schedule (or in the case partial tender is allowed as stated in the Terms of Tender (Supplement), the Unit Price quotations for those Items (or where applicable, group(s) of Items) which the Tenderer is bidding in the Price Schedule); and
 - (c) such other items and documents as specified in the Terms of Tender (Supplement) whereby it is provided that failure to submit any of them before the Tender Closing Time will immediately lead to the Tender not being considered further.

- 3.4 In these Terms of Tender, and, where applicable, in the Terms of Tender (Supplement), there are also requirements for the submission of documents and/or information, whereby it is provided that if not supplied by the Tender Closing Time, or upon subsequent request of the Government after the Tender Closing Time, the Tender will not be considered further. Even so, for this type of documents and/or information, the Government is not obliged to make any request for resubmission after the Tender Closing Time. If the Government chooses not to do so, or even if the Government chooses to do so but the Tenderer fails to supply the missing document or information, the Tender will also not be considered further.
- 3.5 For all other proposals, documents and information which do not fall within Paragraph 3.3 or 3.4 above, the Government reserves the right to seek submission under Paragraph 12.1 of the Terms of Tender or evaluate the Tender on an “as is” basis.
- 3.6 The Tenderer shall complete and submit all Schedules in either English or Chinese and in accordance with other requirements of the Tender Documents. Where a supporting document in its original form is in a language other than English or Chinese, the Tenderer shall provide translation of that supporting document from the language into English.
- 3.7 Where it is stated in the Terms of Tender (Supplement) that the two-envelope system shall be adopted, the Tenderer shall submit its Tender in two (2) separate proposals, one as the Technical Proposal and another as the Price Proposal. A Tenderer shall submit, in one of the following manners, its completed Tender. A Tender submitted through a method other than Paper-based Tendering or Electronic Tendering will not be considered.

Tender Submission:

(a) Paper-based Tendering

The Tender (and where the two-envelope system is applicable, comprising the Technical and Price Proposals) shall be completed in writing on hardcopy (and if so expressly requested in the Terms of Tender (Supplement) also on softcopy) and shall be submitted in triplicate in accordance with the “Lodging of Tender” section of the Tender Form.

(b) Electronic Tendering

The Tender (and where the two-envelope system is applicable, comprising the Technical and Price Proposals) shall be submitted:

- (i) in accordance with the terms and conditions of use of the PCMS and the e-Tender Box; and
- (ii) through the e-Tender Box through the use of any one type of digital certificates recognised by and uploaded to the e-Tender Box or through an Identification Code.

3.8 The Government may not consider a Tender (or will not consider a Tender where it is expressly so stated) if:

- (a) false, inaccurate or incorrect information is given in the Tender; or
- (b) any proposal, document or information requested in the Tender Documents is not furnished in full in the Tender.

3.9 When completing the Tender Documents (including the Offer to be Bound section of the Tender Form), each Tenderer shall ensure that the name of the Tenderer is the same as the name shown in:

- (a) if the Tenderer is a company incorporated in Hong Kong:
 - (i) the Certificate of Incorporation of the Tenderer; or
 - (ii) if there is a change of name of the Tenderer since the date of its Certificate of Incorporation, the latest Certificate of Change of Name of the Tenderer; or

- (b) if the Tenderer is a sole proprietorship or a partnership, the current business registration certificate of the Tenderer issued under the Business Registration Ordinance (Chapter 310 of the Laws of Hong Kong); or
- (c) if the Tenderer is incorporated, formed or established outside Hong Kong, a document equivalent to that described in Paragraph 3.9(a)(i), (a)(ii), (a)(iii) or (b) above (as the case may be) issued by a governmental or competent authority of the place where the Tenderer is incorporated, formed or established.

3.10 Execution and Submission of Tenders

(a) Paper-based Tendering

- (i) A Tender submitted through Paper-based Tendering will be regarded to have been submitted by a Tenderer or authorised to have been submitted by a Tenderer (as the case may be) if the submitted Part 4 “Offer to be Bound” of the Tender Form is signed in the following applicable manner:
- (1) if the Tenderer is a sole proprietorship, the Tenderer signing the Tender in the name of the Tenderer (or of the sole proprietorship), or a person authorised by the Tenderer signing the Tender for and on behalf of the Tenderer;
 - (2) if the Tenderer is a partnership, one or more partner(s) of the Tenderer signing in the name of the partnership (and in the case of limited partnership, that partner must be a general partner); or a person authorised by the partnership, signing the Tender for and on behalf of the Tenderer; or
 - (3) if the Tenderer is a company, a director of the Tenderer or one or more persons who are duly authorised by the Tenderer signing the Tender for and on behalf of the Tenderer.

(b) Electronic Tendering

- (i) A Tender submitted through Electronic Tendering will be regarded to have been submitted by a Tenderer or authorised to have been submitted by a Tenderer (as the case may be) if it is submitted in any one of the following ways:
- (1) submission of the Tender via the e-Tender Box through the use of an Identification Code; or
 - (2) submission of the Tender via the e-Tender Box through the use of such type of digital certificate recognised by the ETB, and uploaded by the Tenderer to the ETB. Save in the case where the

Tenderer is a partnership, a Tenderer shall use a digital certificate which is issued in its name as appearing in the applicable document mentioned in Paragraph 3.9(a) or (b) or (c) above; otherwise the Tender will not be considered further. In the case that the Tenderer is a partnership, the Tenderer may use a digital certificate issued in the name of one of its partners (or a general partner in the case of a limited partnership), or a digital certificate issued in the name of the partnership; otherwise the Tender will not be considered further.

(ii) If any attachment to a Tender submitted by a Tenderer via the e-Tender Box:

- (1) does not comply with the terms and conditions of use of the PCMS and the e-Tender Box;
- (2) is found to be contaminated with Virus; or
- (3) is corrupted or otherwise not readable or printable into readable text by the Government,

and such non-compliance of file format, Virus contamination, or file corruption has resulted in failure to submit the relevant proposal, document or information as described in Paragraph 3.3(a)(ii), (b) or (c) above by the Tender Closing Time, the Tender will not be considered further and its Tenderer will be notified of such.

(iii) In the case where the Tenderer uses a digital certificate for the submission of Tender via the e-Tender Box, the Government will verify the validity of a Tenderer's digital certificate with the relevant certification authority which has issued such digital certificate. If the directory service or revocation list service of that certification authority or its contractor is/are not available for any reason, the Government may postpone the verification process until such time when the directory service or revocation list service (as the case may be) of the certification authority or its contractor is/are resumed or when the Tender is opened, whichever is the later. If the verification process is postponed, the Tenderer will be informed of this through an on-screen message and an on-line acknowledgement of the Tender.

- (iv) A Tender will not be considered further if the digital certificate used by a Tenderer for submission of Tender via the e-Tender Box is found invalid (i.e. expired, revoked, or it is not a digital certificate recognised in the e-Tender Box for submission of Tenders) upon verification.

3.11 Tender Closing Time

- (a) (i) Paper-based Tendering

A Tender must be deposited in the Specified Tender Box before the Tender Closing Time. A Tender deposited in the Specified Tender Box at or after the Tender Closing Time, or a Tender not deposited in the Specified Tender Box, will not be considered.

- (ii) Electronic Tendering

Transmission of a Tender through the e-Tender Box shall be successfully completed in accordance with the requirements of the e-Tender Box before the Tender Closing Time. Save as otherwise provided for in the Tender Documents, a Tender will not be considered if the relevant proposal, document or information as described in Paragraph 3.3(a)(ii), (b) or (c) above is not successfully and completely transmitted through the e-Tender Box before the Tender Closing Time.

- (b) In case Tropical Cyclone Warning Signal No. 8 or above is hoisted, or Black Rainstorm Warning Signal or “extreme conditions after super typhoons” announced by the Government is/are in force, for any duration between 0900 and 1200 hours on the date specified in the “Lodging of Tender” section of the Tender Form, the latest date and time before which Tenders are to be deposited in the Specified Tender Box and at the e-Tender Box will be extended to 1200 hours on the next working day.
- (c) In case of blockage of the public access to the location of the Specified Tender Box at any time between 0900 and 1200 hours on the Tender Closing Date, the Government will announce extension of the Tender Closing Time until further notice. Following removal of the blockage, the Government will announce the extended tender closing time as soon as practicable. The above announcements will be made via press releases on the

website of Information Services Department
(<http://www.info.gov.hk/gia/general/today.htm>).

3.12 The Government shall not have or accept any liability, obligation or responsibility whatsoever for any loss of, destruction of or damage to the Tender submission submitted and/or deposited by Tenderers in the Specified Tender Box if such loss, destruction or damage shall be caused by or directly or indirectly due to any outbreak of war, hostilities (whether war be declared or not), invasion, acts of foreign enemies, riot, civil commotion, rebellion, storm or other cause whatsoever beyond the reasonable control of the Government. Following any event which results in such loss, destruction or damage, the Government will announce any arrangements concerning Tender submission as soon as practicable. The above announcements will be made via press releases on the website of Information Services Department (<http://www.info.gov.hk/gia/general/today.htm>).

3.13 If a Tenderer submits a Tender by Electronic Tendering, the Tenderer shall, in addition to compliance with the Tender Documents, observe and comply with all terms and conditions of use of the PCMS and the e-Tender Box as set out in or referred to in the e-Tender Box.

3.14 Modification of Tender

(a) Before the Tender Closing Time, a Tenderer who has lodged a Tender may modify its Tender as considered necessary.

(b) Paper-based Tendering

Any modification to the submitted Tender considered necessary by the Tenderer shall be the subject of a separate letter accompanying the Tender. Figures and words shall not be altered or erased; any modification shall be effected by striking the incorrect figure or word and inserting the correct figure or word in manuscript above the original figure or word. All such amendments shall be initialled by the Tenderer in manuscript.

(c) Electronic Tendering

In case of modification to the submitted Tender, the Tenderer shall submit either a complete set of the revised Tender superseding the original Tender, or just the revisions to the original Tender. Either way, this shall be stated clearly in the submission.

- 3.15 Apart from Part 4 “Offer to be Bound” of the Tender Form (which, in the case of Paper-based Tendering, must be originally signed by or on behalf of the Tenderer as required under Paragraph 3.3(a)(i) above), wherever there is any provision in the Tender Documents requiring that the original of any document or the document as mentioned in Paragraph 3.15.1(b) below to be submitted as part of the Tender,
- 3.15.1 in the case of Paper-based Tendering, (a) the Tenderer may submit a photocopy certified to be true and complete by the person(s) specified in Paragraph 3.10(a)(i) above; (b) in the case of any certificate which is required to be issued by a specified body (for example an Independent Accredited Laboratory or a recognised certification body (if applicable)), the photocopy certificate must be certified as true and complete by that specified body or a lawyer duly qualified to practise in Hong Kong or the laws of the place of incorporation, formation or establishment of the Tenderer; and (c) if only a photocopy without any certification has been submitted, the Government reserves the right to request a certified true copy as required in (a) or (b) above (whichever is applicable) (“certified true copy”) after the Tender Closing Date. The Tender may not be considered further if the certified true copy is not provided; and
- 3.15.2 in the case of Electronic Tendering, the Tenderer shall first submit the certified true copy as described in Paragraph 3.15.1(a) or (b) above (whichever is applicable) in electronic format as part of its Tender via the e-Tender Box. Subsequently, the Government reserves the right to request a certified true copy (hardcopy) after the Tender Closing Date. If only a photocopy without any certification has been submitted in electronic format as part of its Tender via the e-Tender Box, the Government reserves the right to request a certified true copy (hardcopy) after the Tender Closing Date. The Tender may not be considered further if the certified true copy (hardcopy) is not provided.

4. Tenders to Remain Open

- 4.1 A Tender once submitted by a Tenderer will be binding on the Tenderer. By submitting a Tender, the Tenderer shall be deemed to have represented to the Government that it has done so as the principal but not as an agent of any other person. If the Tenderer submits a Tender as an agent on behalf of another person, full disclosure must be made in the Tender.
- 4.2 It is an essential requirement of this Invitation to Tender that a Tender shall remain valid and open for a period of ninety (90) days after the Tender Closing Date (or such other period as specified in the relevant

provisions of the Terms of Tender (Supplement) which supplement this Paragraph 4.2) (“Tender Validity Period”).

- 4.3 If a Tenderer offers in its Tender a period that is shorter than the applicable Tender Validity Period specified in Paragraph 4.2 above, or if it rejects the Tender Validity Period prescribed in Paragraph 4.2 above, its Tender will not be further considered.

5. Prices

- 5.1 Unless otherwise provided for in the Tender Documents, the Tenderer shall quote the Unit Price for each Item in the Price Schedule in Hong Kong dollars or the Permissible Currency. The Unit Price quoted by the Tenderer for an Item shall be all-inclusive of all amounts chargeable for the performance by the Tenderer of all obligations as stated in the Contract for or concerning or in relation to such Item. Under no circumstances will the Government compensate the Contractor for any loss incurred in the fluctuation of the currency in which the Unit Prices are quoted.
- 5.2 Prices quoted by a Tenderer shall only be shown in the Price Schedule.
- 5.3 A Tenderer must quote fixed Unit Prices for all Items and the same Unit Price for the same Item regardless of the quantity (or those Items (or where applicable, group(s) of Items) which it intends to bid in the case partial tender is allowed). A Tender with any price variation clause, including one based on foreign exchange market fluctuation, will not be considered further.
- 5.4 Each Tenderer shall make sure that all prices and other proposals offered in its Tender are accurate and complete before it submits the Tender. The Tenderer shall be bound by all prices and other proposals offered in its Tender if the Tender is accepted by the Government. The Tenderer may not initiate any request for amendment of its Tender after the Tender Closing Time on any ground (including any mistake made in the Tender). On the other hand, in the event of any apparent arithmetical or typo mistake or inconsistency in a Tender, pursuant to Paragraph 12 of the Terms of Tender, the Government may, but is not obliged to, ask the Tenderer to clarify, or to confirm another figure to replace the original figure. Where the Tenderer’s clarification is not provided or not satisfactory, or the Tenderer refuses to confirm such other figure, or where the Government does not elect to seek clarification or confirmation from the Tenderer, the Government reserves the power to proceed to evaluate the Tender on an as is basis (i.e., in the form as originally submitted prior to the Tender Closing Time) or disqualify the

Tenderer on ground that it has provided erratic or inconsistent proposals or quotations for proper evaluation.

- 5.5 Payment to the successful Tenderer shall be made in accordance with the payment timetable in Part B of the Price Schedule.
- 5.6 The Tenderer is requested to indicate in the space provided in Part C of the Price Schedule the prompt payment discount it will allow on any payment under the Contract if made in full within the period of time as specified therein.
- 5.7 Payment to a successful Tenderer from a place outside Hong Kong will be made by telegraphic transfer. A Tenderer from a place outside Hong Kong is therefore required to provide the banking details in Part D of the Price Schedule.
- 5.8 If the unit prices are quoted in US dollars or another Permissible Currency (where applicable), unless otherwise specified by the Tenderer and agreed by the Director of Government Logistics, payment to the successful Tenderer will be made either in Hong Kong dollars or in such Permissible Currency, depending on the stipulation in the Terms of Tender (Supplement). In the case of the former, the conversion rate applicable for determining the amount of Hong Kong dollars payable shall be as stated in the Terms of Tender (Supplement).
- 5.9 Without prejudice to the generality of the Terms of Tender, the Government may require a Tenderer who in the opinion of the Government has submitted an unreasonably low price to justify and demonstrate that such a Tenderer is capable of carrying out and completing the Contract. The Government may reject the Tender if the Tenderer fails to so justify and demonstrate to the Government's satisfaction.

6. Compliance with Essential Requirements

A Tenderer shall comply with all the essential requirements (if any) stipulated in the Tender Documents. If a Tenderer fails to do so, its Tender will not be considered further.

- (f) if the Tenderer is a company, its Memorandum (if any) and Articles of Association, Certificate of Incorporation, Certificate of Change of Name (if any); or the equivalent documents issued by the authority of the place of incorporation of the Tenderer if the Tenderer was not incorporated under the Companies Ordinance (Chapter 622 of the Laws of Hong Kong) (or its predecessor Ordinance);
- (g) if the Tenderer is a company incorporated in Hong Kong or is a registered non-Hong Kong company under the Companies Ordinance (Chapter 622 of the Laws of Hong Kong), a copy of the latest annual return filed with the Companies Registry and all subsequent filings since the latest annual return; or the equivalent documents issued by the authority of the place of incorporation of the Tenderer if the Tenderer was not incorporated or registered under the Companies Ordinance (Chapter 622 of the Laws of Hong Kong) (or its predecessor Ordinance);
- (h) place and date of its incorporation or formation;
- (i) business profile information of the Tenderer including the number and location of full time/contract employees, core business strategies and strength, and industry expertise;

- (j) notwithstanding the deeming provision specified in Paragraphs 3.10(a)(i) and 3.10(b)(i) of the Terms of Tender, a Tenderer shall provide a certified extract of board resolution or other documentary evidence acceptable to the Government demonstrating authorisation and approval for the submission of its Tender. This requirement shall always be applicable to a Tenderer which is a company regardless of the mode of submission of Tender. In the case that a Tenderer is a sole proprietorship or a partnership, documentary evidence acceptable to the Government demonstrating authorisation and approval for the submission of its Tender shall also be required if (a) (in the case of Paper-based Tendering), the signatory of the Offer to be Bound, or (b) in the case of Electronic Tendering using an Identification Code, the person submitting the Tender, is not the sole proprietor or a partner (or a general partner in the case of a limited partnership) (as the case may be);
- (k) where a Tenderer is not a company, a partnership, or a sole proprietorship, some of the information mentioned in the foregoing Sub-paragraphs of this Paragraph 7.1 may not apply and may not be available. Regardless of the mode of submission of its Tender, the Government reserves the right to request such relevant information and documents in relation to the Tenderer to ascertain the identity of the Tenderer as well as to ensure that the submission of the Tender has been duly authorised and approved; and
- (l) names and addresses of banks which are prepared to provide references or other relevant financial data which indicate the financial viability of the Tenderer.

7.2 If a Tenderer is incorporated, formed or established outside Hong Kong, a legal opinion in form and substance satisfactory to the Government and issued by a lawyer duly qualified to practise the laws of the place of incorporation, formation or establishment (as the case may be) of the Tenderer and acceptable to the Government may be requested by the Government. The legal opinion, if required, should be made available upon request during the Tender Validity Period. Upon such request, the Tenderer shall provide such legal opinion covering the following issues and any other issues as may be required by the Government:

- (a) the Tenderer is duly incorporated, formed or established and validly existing and in good standing under the laws of the place of the Tenderer's incorporation, formation or establishment and

that the Tenderer has full power, capacity and authority to carry on the business as it is now conducting and to provide the Services to the Government on the terms and conditions of the proposed Contract. By “validly existing and in good standing”, it is meant that no event mentioned in any of the Clauses 15.2(a) to (e) of the General Conditions of Contract or any event which has an equivalent effect to any such event has occurred in relation to the Tenderer;

- (b) the Tenderer has the full power, authority and legal capacity to:
 - (i) execute and submit its Tender and to incur the liabilities and perform the obligations under the Tender Documents; and
 - (ii) enter into and execute the Contract and to incur the liabilities and perform the obligations thereunder;
- (c) the proposed Contract with the Government will, upon its formation pursuant to Paragraph 18 of the Terms of Tender, constitute the legal, valid and binding obligations of the Tenderer in the place of its incorporation, formation or establishment and is enforceable against the Tenderer in accordance with its terms; without prejudice to the generality of the foregoing, where an Electronic Record is used in the formation of the Contract (whether with or without any electronic or digital signature), the Contract shall not be denied legality, validity or enforceability on the sole ground that an Electronic Record was used for that purpose;
- (d) the submission of its Tender and the performance of the Contract (if awarded to the Tenderer) have been duly authorised by all necessary corporate action of the Tenderer, and does not violate any provision of any applicable law, regulation or decree of the Tenderer’s place of incorporation, formation or establishment, or the Memorandum (if any) and Articles of Association or similar constitutional documents of the Tenderer;
- (e) no authorisations, consents, approvals are required from any governmental authorities or agencies or other official bodies in the place of incorporation, formation or establishment in connection with the execution and delivery of the Tenderer’s Tender, or the performance by the Tenderer of its obligations under the Tender Documents and the Contract;

- (f) the Tenderer's Tender and the Contract (if awarded to the Tenderer) need not be registered or filed in the place of incorporation, formation or establishment in order to secure their validity and/or priority;
- (g) there is no restriction under the laws of the place of the Tenderer's incorporation, formation or establishment affecting the Tenderer's obligations under the Tender Documents and the Contract;
- (h) the choice of the laws of Hong Kong to govern the Tender Documents and the Contract is a valid choice of laws;
- (i) the judgment handed by the courts of Hong Kong after the adjudication of any dispute arising from the Contract will be recognised and given effect to by the courts of the place of incorporation, formation or establishment of the Tenderer; and
- (j) it is not necessary under the laws of the place of incorporation, formation or establishment of the Tenderer that the Government be licensed, qualified or otherwise registered in such place of incorporation, formation or establishment in order to enable it to enforce its rights under the Tender Documents and the Contract.

7.3 The Government may require a Tenderer to provide, at its own expense, additional legal opinion satisfactory to the Government in all respects issued by a lawyer duly qualified to practise the laws of the place of incorporation, formation or establishment of the Tenderer and acceptable to the Government on any other matters arising from its Tender. Where the opinion on the question specified in Paragraph 7.2(i) above is negative or otherwise subject to qualifications not satisfactory to the Government, the additional legal opinion shall opine that any ruling made by the arbitrator under the arbitration provision set out in Paragraph 7.4 below will be recognised and given effect to by the courts of the place of incorporation, formation or establishment of the Tenderer ("additional opinion on arbitration"). Together with the additional opinion on arbitration to be provided, the Tenderer shall also be required to provide a confirmation in writing that in consideration of the award of the Contract, it agrees that Clause 39.2 of the General Conditions of Contract shall be replaced by the arbitration clause in Paragraph 7.4 below.

7.4 Where the opinion on the question specified in Paragraph 7.2(i) above is negative or otherwise subject to qualifications not satisfactory to the Government, subject to the obtaining of the additional opinion on

arbitration as mentioned in Paragraph 7.3 above, Clause 39.2 of the General Conditions of Contract shall be deemed deleted and replaced by the following: “Any dispute arising from the Contract shall not be adjudicated by the courts of Hong Kong but shall be adjudicated by arbitration to be held in accordance with the Hong Kong International Arbitration Centre Domestic Arbitration Rules prevailing at the time when a notice of arbitration is issued by a Party (“Arbitration Rules”) except that regardless of whether the Arbitration Rules providing anything to the contrary, unless the Parties otherwise agree in writing: (a) the arbitration hearing must be held in Hong Kong and that the Arbitration Ordinance (Chapter 609 of the Laws of Hong Kong) shall apply to the arbitration (including the whole of Schedule 2); and (b) without prejudice to section 18(2) of the Arbitration Ordinance, the Government may on its own disclose any information relating to (i) the arbitral proceedings under the arbitration agreement; and (ii) an award made in those arbitral proceedings, under any of the circumstances mentioned in Paragraph 26.2 of the Terms of Tender”.

8. Sub-contractors

- 8.1 If any obligations of the Contractor are proposed to be performed by a sub-contractor, the Tenderer shall submit in the Information Schedule information of the sub-contractor. Details of the obligations to be performed by the proposed sub-contractor shall be submitted.
- 8.2 The information required in the Information Schedule for each proposed sub-contractor shall cover the information as required in Paragraph 7.1(a) of the Terms of Tender as if references to Tenderer shall mean the proposed sub-contractor.
- 8.3 The Government reserves the power to request the Tenderer to withdraw any sub-contracting proposal in the Information Schedule whereupon should the Tenderer refuse to do so, its Tender may not be considered further.
- 8.4 Where it is so specified in the Terms of Tender (Supplement) as being applicable, a legally binding sub-contractor’s undertaking will be required to be submitted. If a sub-contractor’s undertaking is required, and that the proposed sub-contractor was established or incorporated outside Hong Kong, and if requested by the Government, the legal opinion referred to in Paragraphs 7.2 and 7.3 of the Terms of Tender shall also be provided in relation to the proposed sub-contractor.

9. Cancellation of the Invitation to Tender Exercise

Without prejudice to the Government's right to cancel this Invitation to Tender exercise at its absolute discretion or for public interest reasons, where there are changes of requirement after the Tender Closing Time for operational or whatever reasons, the Government is not bound to accept any conforming tender and reserves the right to cancel the Invitation to Tender.

10. Tenderer's Commitment

All Tenders, information and responses from a Tenderer must be submitted in writing. Each of them is the offer, commitment and representation of the Tenderer and will, if accepted by the Government, be incorporated into and made part of the Contract in such manner as the Government considers appropriate.

11. Counter-Proposals

11.1 The Tenderer must not submit any proposal that has the effect of varying or modifying (a) any essential requirements specified in the Tender Documents; (b) all provisions in the Tender Documents concerning the preparation, submission and evaluation of Tenders and award of Contract; and (c) those additional provisions which are not permitted to be subject to any counter-proposal as identified in the Terms of Tender (Supplement) (if any).

11.2 The Tenderer must not directly or indirectly attempt to preclude or limit the effect of any requirements or instructions set out in the Tender Form, these Terms of Tender or the Terms of Tender (Supplement) or the Schedules.

11.3 If a Tenderer fails to comply with Paragraph 11.1 or 11.2 above, subject to any clarification which the Government may, but is not obliged to, seek from the Tenderer, its Tender will not be further considered.

11.4 Counter-proposal to other provisions of the Tender Documents not specified in Paragraph 11.1 or 11.2 above, whilst not strictly disallowed, is not encouraged. If the Tenderer wishes to submit one or more counter-proposals to any provision in the Tender Documents not of the types specified in Paragraph 11.1 or 11.2 above ("Counter-Proposals"), the Counter-Proposals shall be submitted in the following manner:

- (a) (i) for Paper-based Tendering, the Counter-Proposals shall be attached to Part 4 “Offer to be Bound” of the Tender Form; or
- (ii) for Electronic Tendering, the Counter-Proposals shall be attached as a separate attachment and identified as such;
- (b) the original provisions which the Counter-Proposals relate to shall be fully recited before the proposed alteration or deletion;
- (c) the proposed alteration to the original provisions shall be underlined and shall bear the corresponding clause number of the original provisions unless it is an addition;
- (d) if it is an addition, the additional provisions shall be underlined;
- (e) words to be deleted shall be crossed out by a single line only; and
- (f) an explanation shall be given below the alteration or deletion and put in square brackets “[]”.

11.5 Unless the Government otherwise agrees, Counter-Proposals that are not submitted in accordance with Paragraph 11.4 above will not be considered by the Government and will not be regarded to form part of the Tender submitted by a Tenderer. In such event, the Tenderer shall be deemed to have agreed to the original provisions to which the Counter-Proposals relate and the Government will continue to consider the Tenderer’s Tender on this basis.

11.6 Notwithstanding and without prejudice to the aforesaid, the Government may, but is not obliged to, negotiate with the Tenderer any Counter-Proposal. The Government may at its absolute discretion reject any Counter-Proposal. If the Government does elect to negotiate with a Tenderer concerning a Counter-Proposal, and if after such negotiation, the Tenderer is unwilling to withdraw such Counter-Proposal, or otherwise revise it on terms acceptable to the Government, its Tender may not be considered further. Any accepted Counter-Proposal following from a successful negotiation shall be deemed as part of the Tenderer’s Tender and forms part of the Contract and shall be binding on the Tenderer if the Contract is eventually awarded to it.

12. Request for Information

12.1 In the event that the Government determines that:

- (a) clarification in relation to any part of the Tender is necessary; or
- (b) a document or a piece of information, other than those specified in Paragraph 3.3 of the Terms of Tender, is missing from any Tender,

it may, but is not obliged to, request the Tenderer concerned to make the necessary clarification, or submit the required document or information. The Tenderer shall within five (5) working days from the date of the request or within such other period as specified in the request submit the clarification, information or document. If the clarification or information or document is not provided by the aforesaid deadline, the Tender may not be considered further (or will not be considered further where the missing information or document is of the type specified in Paragraph 3.4 of the Terms of Tender).

- 12.2 Any excess proposal or information supplied by a Tenderer which goes beyond what has been requested by the Government pursuant to Paragraph 12.1 above will be ignored for the purposes of the tender evaluation or will entitle (but not oblige) the Government not to consider the Tender further.

13. Tenderer's Enquiries

- 13.1 Any enquiries from the Tenderer concerning the Tender Documents up to the date of lodging its Tender with the Government shall be in writing and shall be submitted to the Government no later than three (3) working days before the Tender Closing Date. The request shall be submitted in the manner specified in Paragraph 14.1 of the Terms of Tender.
- 13.2 After lodging a Tender with the Government, the Tenderer shall not attempt to initiate any further contact, whether direct or indirect, with the Government on its Tender or the Tender Documents. The Government shall have the sole right to initiate any such further contact and all such contacts and any replies of the Tenderer thereto shall be in writing or formally documented in writing.
- 13.3 Unless otherwise expressly stated by the Government in writing, a statement made by the Government (whether oral or written) in response to any enquiry made by a potential Tenderer shall be for information only. No such statement shall constitute a representation or warranty by the Government of any nature whatsoever (whether express or implied), and no invitation is made by the Government to any Tenderer or

potential Tenderer to rely on such statement. No such statement shall form part of the Tender Documents or alter, negate or constitute a waiver of any provision of the Tender Documents.

14. Communication with the Government

14.1 Without prejudice to the requirements set out in Paragraph 18 of the Terms of Tender concerning notification of acceptance of Tender, all communications given or made by the Government or a Tenderer in relation to the Invitation to Tender shall be in writing and sent or delivered to the other Party in the manner provided in Clause 29 of the General Conditions of Contract at the address, facsimile number or email address specified in the Appendix, save that in the case of lodging any enquiries under Paragraph 13.1 of the Terms of Tender, the Tenderer shall lodge such enquiries by facsimile or by email only (or through submission via the e-Tender Box, if the potential Tenderer is an ETB User). The Tenderer shall complete its postal address, facsimile number and email address in the Appendix to the Terms of Tender and should note that the Government will not accept the use of a postal box as the Tenderer's correspondence address for any purpose whether before or after the award of the Contract.

14.2 All communications in relation to the Invitation to Tender shall be conducted directly between the Government and the Tenderer unless the Government elects to contact any proposed sub-contractor or customer or client of the Tenderer directly.

15. Negotiations

The Government reserves the right to negotiate with any Tenderer in relation to the Tenderer's Tender and/or the Contract.

16. Government Discretion

16.1 Notwithstanding anything to the contrary in this Tender Documents, the Government reserves the right to disqualify a Tenderer on grounds including any one of the following:

- (a) a petition is presented or a proceeding is commenced which has not been withdrawn any time prior to the Contract award or an order is made or a resolution is passed for the winding up or bankruptcy of the Tenderer or a related person of the Tenderer;

- (b) the Tenderer has made or submitted a false, inaccurate or incomplete statement or representation or a forged document in the Tender or in any subsequent submission by the Tenderer or communication between the Government and the Tenderer since submission of that Tender;
- (c) in the event of (i) a claim or an allegation by any person, or a ruling or judgment by a court, or decision by a competent tribunal or arbitration body that any thing(s), service(s) or material(s) to be supplied or recommended by the Tenderer in its Tender infringes any Intellectual Property Rights or any other rights of any person (“IPR infringement”) (and in the case of any claim or allegation, it was made any time during a period of seven (7) years preceding the Tender Closing Date and up to the time of Contract award); or (ii) the Government having grounds to believe there is or will be such IPR infringement; or (iii) an agreement has been entered into whether by the Tenderer or any other person to settle or compromise any claim or allegation about IPR Infringement (regardless of whether on an admission basis or non-admission basis) which agreement is still valid and subsisting at any time during a period of seven (7) years preceding the Tender Closing Date and up to the time of Contract award;
- (d) any time during the thirty-six (36) months prior to the Tender Closing Date or between the Tender Closing Date and the award of the Contract, the Tenderer or a related person of the Tenderer (as defined in Paragraphs 16.6 and 16.7 below and including those who were in such capacity any time within the same period, i.e., thirty-six (36) months prior to the Tender Closing Date or between the Tender Closing Date and the award of the Contract) has committed significant or persistent default(s) or deficienc(ies) in the performance of any requirement or obligation under any other Government contract regardless of the procurement department of such other Government contract, regardless of whether the default(s) or deficienc(ies) led to the actual termination of the relevant Government contract and regardless of whether such default(s) or deficienc(ies) occurs before or after the termination or expiry of the relevant Government contract, and in the case of the latter, provided that the default(s) or deficienc(ies) relates to any provisions which survive such termination or expiry, and regardless of whether such default(s) or deficienc(ies) has been remedied (“Contract Default(s)”); and the Government Representative in its sole judgment is satisfied that such Contract Default(s) casts a reasonable doubt on the

capability of the Tenderer to perform the Contract to be awarded in this Invitation to Tender;

- (e) (i) the Tenderer; or (ii) a related person of the Tenderer; or (iii) a director or management staff of the Tenderer or those of the related person of the Tenderer, has been convicted by the final judgment (i.e. judgment not subject to any appeal to a higher court prior to the Contract award) in respect of one or more serious offences including conviction of offences involving bribery, false accounting, corruption, dishonesty or employment handed down any time during a period of five (5) years preceding the Tender Closing Date and thereafter up to the time of Contract award;
- (f) in the event of the professional misconduct or acts or omissions having been committed during a period of five (5) years preceding the Tender Closing Date and up to the time of Contract award that adversely reflect on the commercial integrity of the Tenderer or a related person of the Tenderer or a director or management staff of the Tenderer or those of the related person of the Tenderer; professional misconduct includes any breach of the Good Industry Practice; or
- (g) any failure of the Tenderer to pay taxes to the Government during a period of five (5) years preceding the Tender Closing Date and up to the time of Contract award.

The grounds specified in Paragraphs 16.1(a) to 16.1(g) above are separate and independent, and shall not be limited by reference to or inference from the other of them.

16.2 For the purposes of Paragraph 16.1 above, each Tenderer shall provide at the time of submission of its Tender (and thereafter up to the time of award in relation to any event occurring between the time of submission and the time of award) all information at least in relation to itself and those information in relation to its related person or its director or management staff (which it has knowledge and is reasonably relevant to facilitate the Government's determination as to whether to exercise its right of disqualification), including but not limited to the following:

- (a) details of any petition or proceeding mentioned in Paragraph 16.1(a) above;

- (b) details of all infringement claims, allegations, rulings, judgments, decisions or settlement agreements as mentioned in Paragraph 16.1(c) above;
- (c) details of all Contract Defaults as mentioned in Paragraph 16.1(d) above;
- (d) details of conviction as mentioned in Paragraph 16.1(e) above in Hong Kong or any overseas jurisdiction;
- (e) details of any professional misconduct or act or omission as mentioned in Paragraph 16.1(f) above; and
- (f) details of any failure to pay taxes as mentioned in Paragraph 16.1(g) above.

If none of the events as mentioned in Paragraphs 16.1(a) to 16.1(g) above has ever occurred within the applicable period as mentioned above, the Tenderer shall provide a statement to that effect by completing the relevant part of the Information Schedule at the time of submission of its Tender. If found missing, the Government reserves the right to seek clarification pursuant to Paragraph 16.3 below. The information provided by the Tenderer is not conclusive. The Government may independently verify the veracity and completeness of any information provided. In the case of Contract Default, the Government will form an assessment as to whether or not such Contract Default has occurred.

- 16.3 In addition to the information mentioned in Paragraph 16.2 above, the Government reserves the right (but not obligation) to request from a Tenderer or a related person of the Tenderer or director or management staff of the Tenderer or those of the related person of the Tenderer or other independent sources, such other information that is reasonably relevant to facilitate the Government's determination as to whether to exercise its right of disqualification under Paragraph 16.1 above.
- 16.4 If the Tenderer fails to comply with the request made by the Government pursuant to Paragraph 16.3 above within such time as required by the Government, the Government may disqualify the Tenderer pursuant to Paragraph 12 of the Terms of Tender. If the Tenderer has submitted false, inaccurate or incomplete information, the Government may disqualify the Tenderer pursuant to Paragraph 16.1(b) above.
- 16.5 In providing the information required under Paragraphs 16.2 and 16.3 above, the Tenderer may show cause to satisfy the Government that in

relation to any of the events as mentioned in Paragraph 16.1 above, even if it has occurred, it does not cast doubt on the fitness, propriety or capability of the Tenderer to perform the Contract to be awarded in this Invitation to Tender.

- 16.6 If the Tenderer is a company, the expression “related person” of the Tenderer includes any one of the following:
- (a) a shareholder (corporate or individual) which directly or indirectly beneficially owns fifty (50) percent or more of the issued share capital of the Tenderer (“majority shareholder”);
 - (b) a holding company or a subsidiary of the Tenderer;
 - (c) a holding company or a subsidiary of a majority shareholder (being a company) of the Tenderer; or
 - (d) a company in which a majority shareholder (being an individual) of the Tenderer directly or indirectly beneficially owns fifty (50) percent or more of its issued share capital or controls the composition of its board of directors.

The expressions “holding company” and “subsidiary” have the meanings given to them in the Companies Ordinance (Chapter 622 of the Laws of Hong Kong).

- 16.7 If the Tenderer is a sole proprietor or partnership, the expression “related person” includes any one of the following:
- (a) any partner of the Tenderer (if it is a partnership);
 - (b) the spouse, parent, child, brother or sister of the Tenderer, and, in deducing such a relationship, an adopted child shall be deemed to be a child both of the natural parents and the adopting parent, and a step child to be a child of both the natural parent and of any step parent; or
 - (c) a company in which the Tenderer or any partner of the Tenderer beneficially directly or indirectly owns fifty (50) percent or more of its issued share capital or controls the composition of its board of directors.
- 16.8 References to related persons of the Tenderer, directors and management staff of the Tenderer or those of a related person in any of the applicable

Sub-paragraph of Paragraph 16.1 above include persons who were in such capacity at such time of the event referred to in that Sub-paragraph.

17. Award of Contract

17.1 Subject to the other provisions of the Tender Documents, the Government will normally award the Contract to the Tenderer which the Government has determined to be capable of fulfilling the terms of the Contract and complies with the following evaluation criteria:

- (a) where the Tender Documents do not contain any Marking Scheme, (i) the Tenderer has passed the completeness check, (ii) the Tenderer and its Tender conform with all the essential requirements stipulated in the Tender Documents, (iii) the Tenderer has not been disqualified (or having its Tender not being considered further) for failing to comply with any other requirements set out in the Tender Documents, and (iv) amongst all the Tenders which fulfil the evaluation criteria as specified in (i) to (iii) above, the Tenderer has submitted the lowest tender price (i.e., either (1) the lowest amount which is equal to the summation of all Estimated Service Prices for all Item(s) to which the price evaluation relates, or (2) such tender price which is to be derived by another calculation as may be specified in the Terms of Tender (Supplement) (if any)); or

- (b) where the Tender Documents contain a Marking Scheme (viz., an evaluation which includes separate technical evaluation stage and price evaluation stage for the evaluation of the Technical Proposal or any part thereof and the Price Proposal submitted by the Tenderer separately), (i) the Tenderer's Technical Proposal and Price Proposal have respectively passed the completeness check under the Marking Scheme (if any), (ii) the Tenderer and its Technical Proposal conform with all the essential requirements stipulated in the Tender Documents (if any); and any passing mark in the technical evaluation stage (if any), (iii) the Tenderer has not been disqualified (or having its Tender not being considered further) for failing to comply with any other requirements set out in the Tender Documents, and (iv) the Tenderer's Price and Technical Proposals have attained the highest combined score amongst all the Tenders which fulfil the evaluation criteria as specified in (i) to (iii) above based on the Marking Scheme. The foregoing evaluation criteria (i) to (iv) (as further elaborated in the remaining paragraphs of this Paragraph 17) shall be deemed to be incorporated into the

Marking Scheme and in the event of any inconsistency, the foregoing shall prevail.

- 17.2 The term “completeness check” referred to in Paragraph 17.1(a) or (b) above (whichever is applicable) shall mean the checking of (a) whether or not all proposals, documents and information which are, as per provisions in the Tender Documents, required to be submitted before the Tender Closing Time (and failing which the Tender will not be considered further), have been so submitted; and (b) whether or not those which are, as per the provisions in the Tender Documents, required to be submitted before the Tender Closing Time or upon subsequent request (and failing which the Tender will not be considered further), have been so submitted before the Tender Closing Time, or upon such request if a subsequent request has indeed been made by the Government.
- 17.3 For determining the lowest tender price under Paragraph 17.1(a) above or the price score under Paragraph 17.1(b) above,
- (a) any prompt payment discount offered by the Tenderer in the Price Schedule will not be taken into consideration in the tender price assessment; and
 - (b) tender price quoted in the Permissible Currency other than Hong Kong dollars will be converted to Hong Kong dollars based on the official opening selling rate of that Permissible Currency quoted by the Hong Kong Association of Banks on the Tender Closing Date.
- 17.4 Unless otherwise expressly permitted in the Terms of Tender (Supplement), a partial tender for some but not all of the Items is not permitted. Where it is not permitted, the Tenderer must submit an offer for all quantities of all Item(s). All Tenders will be evaluated on an overall basis by taking into account all offered Item(s) based on the quantit(ies) specified in the Price Schedule in accordance with Paragraph 17.1 above. Where partial tender is allowed, the Tenders will be evaluated on an Item by Item basis (or group of Items by group of Items basis (each a “Group”), depending on the specification in the Terms of Tender (Supplement)) in accordance with Paragraph 17.1 above and separate Contracts may be awarded in respect of each Item (or each Group, as the case may be). Under such scenario, all Tenders for each Item (or Group) will be evaluated by taking into account the quantit(ies) for such Item (or Group) specified in the Price Schedule in accordance with Paragraph 17.1 above. Where a Tenderer is the successful Tenderer for more than one Item (or Group), only one

Contract will be awarded to that Tenderer covering all such Items (or Groups, as the case may be).

- 17.5 Where it is provided in the Terms of Tender (Supplement) that the Tenders for each Item (or Group) will be evaluated separately, and where in respect of an Item (or Group) offered by the Tenderer, the Tenderer or its Tender fails to fulfil any of the evaluation criteria as specified in Paragraph 17.1(a) or (b) above (whichever is applicable) (“a non-conforming Tender”), the Tenderer’s Tender for that Item (or Group) will not be considered further, but without affecting the validity of the Tenderer’s Tender for other Item(s) (or Group(s)) if its Tender for those Item(s) (or Group(s)) are not non-conforming. Throughout the Tender Documents, references to “Tender will not be considered further” (or other similar expressions) shall be construed to mean the non-conforming Tender for the relevant Item (or Group) only. For the avoidance of doubt, in the case of Paper-based Tendering, regardless of the Item(s) (or Group(s)) the Tenderer is bidding, if the Tenderer fails to submit the Offer to be Bound as mentioned in Paragraph 3.3(a)(i) of the Terms of Tender, its entire Tender will not be considered further.
- 17.6 Regardless of the applicable requirement as mentioned in Paragraph 17.4 above, each Tenderer acknowledges and agrees that the Government may elect at its sole option to accept all or any part of the Tenderer’s Tender.
- 17.7 Notwithstanding anything herein to the contrary, the Government is not bound to accept the Tender with the lowest price offer or the Tender with the highest combined score or any Tender and reserves the right to accept all or any part of any Tender at any time within the Tender Validity Period.

18. Acceptance

- 18.1 A Tender shall not be regarded to have been accepted by the Government unless the Government issues to the successful Tenderer an acceptance in writing (“Tender Acceptance”) and send it either by post or facsimile transmission to the successful Tenderer’s address or facsimile number (as the case may be) specified in the Appendix to the Terms of Tender. A binding Contract between the Government and the successful Tenderer is only constituted:

- (a) if the Tender Acceptance is sent by post, at the time of posting; or

- (b) if the Tender Acceptance is transmitted by facsimile, at the time when a transmission report is generated by the Government's facsimile machine, confirming that the Tender Acceptance has been transmitted to the aforementioned facsimile number.
- 18.2 A duplicate hardcopy of each of the documents comprised in the Contract, including the "Memorandum of Acceptance" duly completed by the Government, will subsequently be delivered to the successful Tenderer evidencing the earlier acceptance by post or facsimile transmission, as the case may be.
- 18.3 Tenderers who do not receive any notification within the Tender Validity Period should assume that their Tenders have not been accepted.
- 18.4 Where an Electronic Record is used in the formation of the Contract (whether with or without any electronic or digital signature), the Contract shall not be denied validity or enforceability on the sole ground that an Electronic Record was used for that purpose.

19. Financial Vetting

- 19.1 If the Estimated Service Price for all Items of a Tender exceeds HK\$15 million, the Tenderer has to demonstrate its financial capability before it can be considered for the award of the Contract. For this purpose, the Tenderer is required to submit the following documents for financial vetting:
 - (a) Originals (or copies certified by its auditors) of the audited accounts of the Tenderer, and the audited consolidated accounts of the group if the Tenderer is a subsidiary of another company for the three (3) financial years prior to the Tender Submission Date. The audited accounts must comply with the following requirements:
 - (i) The audited accounts must be prepared on the same basis for each year in accordance with accounting principles generally accepted in Hong Kong and the disclosure requirements of the Companies Ordinance (Chapter 622 of the Laws of Hong Kong).
 - (ii) The latest audited accounts must be for the period ending no more than eighteen (18) months before the Tender Submission Date.

- (iii) The audited accounts must contain the directors' report, auditors' report, statement of financial position (also referred to as balance sheet), statement of profit or loss and other comprehensive income (also referred to as income statement), statement of changes in equity, statement of cash flows and notes to the accounts.
- (iv) All such accounts must have been audited by certified public accountants (practising) or for a non-Hong Kong company, by auditors recognised by the local law of the place of the company's establishment.
- (v) If any such accounts are in a language other than Chinese or English, translations, certified as accurate by the respective consulate or a notary public registered in Hong Kong, must be provided.
- (vi) If the Tenderer is a joint venture or partnership, audited accounts for each member of the joint venture or partnership must be submitted if the members are incorporated bodies.

Remarks: Unaudited accounts are acceptable only if the Tenderer is an unincorporated business where audited accounts are not mandatorily required, or the Tenderer is a newly established business where the first accounts are not yet available. For unincorporated businesses, tax records such as profits tax assessment issued by the Inland Revenue Department for the past three (3) financial years (if available) shall be provided. The unaudited accounts and tax records must be certified by the sole proprietor, partners or directors of the Tenderer, certified public accountants or other accountants acceptable to the Government.

- (b) Management accounts with a period ending not more than three (3) months before the Tender Submission Date if this has not been covered by the latest audited accounts. The accounts shall be prepared on the same basis in accordance with accounting principles generally accepted in Hong Kong. They must be certified by (i) the sole proprietor, partners or a director of the Tenderer, or (ii) certified public accountants or other accountants acceptable to the Government as mentioned in Paragraph 19.1(a)(iv) above;
- (c) Projected statement of profit or loss and other comprehensive income and statements of cash flows of the Contract for each

contract year and the pre-operating period (if applicable) and, if possible, those of the Tenderer during the Contract Period, setting out the revenue, details of operating expenses, capital expenditure including the initial investments and the sources of finance, and other particulars showing how the Tenderer will perform the Contract. The projected accounts and statements must comply with the following requirements:

- (i) For a company, they should be certified by a director or company secretary. For a joint venture or partnership, a separate certification from each member of the joint venture or partnership is required.
 - (ii) The assumptions used in preparing the projections shall be reasonable and shall be clearly stated. All the supporting schedules and detailed calculations shall also be provided.
 - (iii) The assumptions by the Government included in the Tender Documents shall be reflected in the Tenderer's projections.
- (d) Original letters from bankers, where applicable, confirming lines of credit facilities available to the Tenderer and the current undrawn/unutilised balances of such credit facilities on or after a specified date (shortly before the Tender Submission Date or a date fixed by the Government) and stipulating the expiry date of the facilities;
- (e) Copies (certified by the sole proprietor, partners, directors or company secretary of the Tenderer) of letters of undertaking, minutes of board meetings or returns of allotment of shares to support injection of capital, where applicable; and
- (f) Written confirmation from a guarantor that it is willing to provide financial support or guarantee to the Tenderer, where applicable.

19.2 Tenderers shall upon the request in writing by the Government provide the documents mentioned in Paragraph 19.1 above and any other financial and corporate information as required by the Government for assessment of the financial capability of the Tenderer to undertake the Contract within the time stipulated in the written request by the Government.

19.3 If the successful Tenderer has passed the financial assessment, it shall submit to the Government a Contract Deposit either in cash or in the

form of a banker's guarantee in Hong Kong dollars in an amount equivalent to two percent (2%) of the Total Estimated Service Price in accordance with Paragraph 20.2(a) of the Terms of Tender.

- 19.4 If the successful Tenderer fails in the financial assessment, or it is a newly established company, or it is unable to submit adequate information for conducting a meaningful financial assessment, the Tenderer shall submit to the Government a Contract Deposit either in cash or in the form of a banker's guarantee in Hong Kong dollars in an amount equivalent to five percent (5%) or the percentage specified in the Terms of Tender (Supplement), if any, whichever is the higher, of the Total Estimated Service Price in accordance with Paragraph 20.2(b) of the Terms of Tender.

20. Contract Deposit

- 20.1 If the Total Estimated Service Price payable by the Government to the successful Tenderer exceeds HK\$1.4 million, but is less than or equals to HK\$15 million, as security for the due and faithful performance of the Contract by the successful Tenderer, the successful Tenderer shall deposit with the Government via the Director of Government Logistics, within twenty-one (21) days from the Date of the Tender Acceptance, an amount equivalent to two percent (2%) of the Total Estimated Service Price.
- 20.2 If the Total Estimated Service Price payable by the Government to the successful Tenderer exceeds HK\$15 million, as security for the due and faithful performance of the Contract by the successful Tenderer, the successful Tenderer shall deposit with the Government via the Director of Government Logistics, within twenty-one (21) days from the Date of the Tender Acceptance, an amount equivalent to:
- (a) two percent (2%) of the Total Estimated Service Price (if it passes the financial vetting); or
 - (b) five percent (5%) or the percentage specified in the Terms of Tender (Supplement), if any, whichever is the higher, of the Total Estimated Service Price (if it fails the financial vetting or in cases where the financial information available is inadequate for a meaningful assessment of the Tenderer's financial capability to fulfil the Contract requirements to be conducted).
- 20.3 The successful Tenderer shall pay the Contract Deposit either in cash or in the form of a banker's guarantee. Each Tenderer should state clearly

in Part I of Annex A to the Terms of Tender the method of providing the Contract Deposit. If the successful Tenderer fails to do so, it will be regarded to have undertaken to pay the Contract Deposit to the Government in cash.

- 20.4 If the successful Tenderer elects to pay the Contract Deposit by way of a banker's guarantee, the proposed guarantor and the form and substance of the banker's guarantee must be subject to the acceptance of the Government. Without prejudice to the generality of the foregoing, the banker's guarantee must comply with the following:
- (a) it must be issued by a bank that holds a valid banking licence issued under the Banking Ordinance (Chapter 155 of the Laws of Hong Kong) and acceptable to the Government;
 - (b) unless otherwise agreed by the Government, it must be on the terms set out at Part II of Annex A to the Terms of Tender; and any authorisation used by the bank for the execution of the banker's guarantee shall be acceptable to the Government; and
 - (c) the banker's guarantee shall come into effect on the Date of the Tender Acceptance.
- 20.5 The Contract Deposit, whether paid by way of cash (if any is remaining) or banker's guarantee, shall be returned to the Contractor or released in accordance with Clause 12.10 of the General Conditions of Contract.

21. Complaints about Tendering Process or Contract Award

- 21.1 The tendering process is subject to internal monitoring to ensure that the relevant contract is awarded properly and fairly. Any Tenderer who feels that its Tender has not been fairly evaluated may write to the Director of Government Logistics who will personally examine the complaint and refer it to the approving authority or relevant tender boards for consideration if the complaint relates to the tendering system or procedures followed. The Tenderer should lodge the complaint within three (3) months after the award of Contract.
- 21.2 Where the Invitation to Tender is covered by the WTO GPA, a Review Body on Bid Challenges under the WTO GPA has been set up by the Government to deal with challenges made against alleged breaches of the WTO GPA. The relevant procedures for handling bid challenges are set out in the Rules of Operation of the Review Body which are available for inspection at the Secretariat of the Review Body located at

the Trade and Industry Department. They may also be sent to the interested Tenderers upon request to the Secretariat of the Review Body. In the event that a Tenderer believes that a breach of the WTO GPA has occurred, the Tenderer may, within ten (10) working days after it knew or reasonably should have known the basis of the challenge, lodge a challenge to the Review Body on the alleged breaches of the WTO GPA. Nevertheless the Tenderer is encouraged to approach GLD for resolution of its complaint before lodging a challenge to the Review Body. In such instances, GLD shall accord impartial and timely consideration to any such complaint, and deal with it in a manner that will not be prejudicial to the corrective measures that may be obtained by the Tenderer through the Review Body. The Review Body may receive and consider a late challenge but a challenge will not be considered if it is filed later than thirty (30) working days after the basis of the challenge is known or reasonably should have been known to the Tenderer.

22. Documents of Unsuccessful Tenderers

If this Invitation to Tender is covered by the WTO GPA, the Government may destroy all documents submitted by unsuccessful Tenderers three (3) years after the Contract has been constituted under Paragraph 18.1 of the Terms of Tender. Where it is not covered by the WTO GPA, the Government may destroy these documents three (3) months after the Contract has been constituted in the aforesaid manner.

23. New Information

A Tenderer should inform the Government in writing immediately of any factor which might affect its ability to meet any requirements of the Tender Documents. The Government reserves the right not to consider a Tenderer's Tender further if the Tenderer's continued ability to meet such requirements is in doubt.

24. Contractors' Performance Monitoring

If a Tenderer is awarded the Contract, its subsequent performance will be monitored and may be taken into account when its future offers for other tenders or quotation exercises are evaluated.

25. Cost of Tender

Each Tenderer shall submit its Tender at its own cost and expense. The Government shall not be liable for any costs and expenses whatsoever incurred by a Tenderer in connection with the preparation or submission of its Tender and the doing of all acts required for the purpose of this Invitation to Tender, including all costs and expenses relating to (a) communication or negotiations with or providing presentation or demonstration to the Government, (b) site visits or surveys made by the Tenderer, (c) presenting the Tenderer's reference sites and equipment to the Government Representative during the site visits, and (d) provision of tender samples, whether before or after the Tender Closing Time.

26. Consent to Disclosure

26.1 The Government may disclose, whenever it considers appropriate, to the public or upon request by any member of the public (which may have been a Tenderer) without any further reference to or consent from the successful Tenderer or any other Tenderer,

- (a) a brief description of the Services provided or to be provided by the successful Tenderer;
- (b) the Total Estimated Service Price and any other fees, cost and expense payable to the successful Tenderer pursuant to the Contract;
- (c) the engagement by the Government of the successful Tenderer under the Contract and the name and address of the successful Tenderer; and
- (d) the date of award of the Contract.

26.2 Nothing in Paragraph 26.1 above shall prejudice the Government's power to disclose whenever it considers appropriate information of any nature whatsoever in relation to or concerning any Tenderer (successful or unsuccessful) or its tender (whether or not the information is specified in Paragraph 26.1 above and including information recorded in whatever media) if the disclosure is made under any one of the following circumstances (even if disclosure may also mean the information will at the same time, or subsequently, become public information):

- (a) the disclosure of any information to any public officer or public body as defined in the Interpretation and General Clauses Ordinance (Chapter 1 of the Laws of Hong Kong) or any other person employed, used or engaged by the Government (including agents, advisers, contractors and consultants);
- (b) the disclosure of any information already known to the recipient;
- (c) the disclosure of any information which is public knowledge (including because of any disclosure under Paragraph 26.2(a) above);
- (d) the disclosure of any information in circumstances where such disclosure is required pursuant to any law of Hong Kong, a request made by the Review Body mentioned in Paragraph 21.2 of the Terms of Tender, or an order of a court of Hong Kong or a court or tribunal with competent jurisdiction;
- (e) the disclosure of any information regarding anti-competitive collusive conduct to the Competition Commission of Hong Kong (and other authorities as relevant); or
- (f) without prejudice to the power of the Government under Paragraph 26.1 above, to the extent the information relates to or concerns a Tenderer, with the prior written consent of that Tenderer.

27. Personal Data Provided

- 27.1 All personal data provided in a Tender will be used by the Government for the purposes of the Invitation to Tender and all other purposes arising from or incidental to it (including for the purposes of tender evaluation, the award of the Contract, resolution of any dispute arising from the Invitation to Tender, and the disclosure pursuant to Paragraph 26 of the Terms of Tender).
- 27.2 By submitting a Tender, a Tenderer is regarded to have agreed to, and to have obtained from each individual whose personal data is provided in the Tender, his consent for the disclosure, use and further disclosure by the Government of the personal data for the purposes set out in Paragraph 27.1 above, or the disclosure pursuant to Paragraph 26 of the Terms of Tender.

- 27.3 An individual to whom personal data belongs and a person authorised by him in writing has the right of access and correction with respect to the individual's personal data as provided for in sections 18 and 22 and Principle 6 of Schedule 1 to the Personal Data (Privacy) Ordinance (Chapter 486 of the Laws of Hong Kong). The right of access includes the right to obtain a copy of the individual's personal data provided in the Tender.
- 27.4 Enquiries concerning the personal data collected by means of the Invitation to Tender, including the making of access and corrections, should be addressed to the Personal Data Privacy Officer of GLD.

28. Licence to use the materials submitted by Tenderers

A Tender once submitted will become the property of the Government. Tenders of unsuccessful Tenderer may be destroyed in accordance with Paragraph 22 of the Terms of Tender. - (a) within thirty (30) days after the end of that billing period; or
 - (b) within thirty (30) days after the receipt of the invoice from the Contractor for that billing period (which has included all necessary deductions, set-off and withholding),
- whichever is the later and after the receipt of an advance payment bond of the equivalent amount as required in the Special Conditions of Contract, if any.
- 11.4 Unless specifically stated in the Contract, apart from the Contract Price, no other money shall be payable by the Government to the Contractor or any other person under the Contract. Save as otherwise expressly provided for in the Contract, the Contractor shall perform, comply with and observe all provisions of the Contract and its obligations under the Contract at its own costs and expenses.
- 11.5 Without prejudice to Clause 11.4 above, the Contract Price is inclusive of all charges for provision of the Services (including all costs and charges for the Consents). Save as otherwise expressly provided for in the Contract, the Contractor shall not be entitled to any adjustment in the Contract Price for any reason (including foreign exchange fluctuations).
- 11.6 Where and to the extent this Contract constitutes a standing offer to provide the Services to the Government if and when demanded during the Order

Period, the Contractor and the Government hereby acknowledge and agree that the consideration for the standing offer shall be one (1) Hong Kong dollar, payable by the Government to the Contractor, if and when demanded, and that the Contractor irrevocably undertakes to keep the standing offer open throughout the Order Period.

- 11.7 The Contractor shall invoice the Government for any payment of the Contract Price. In respect of the provision of the Services which has been accepted and that the Contract Price is payable in the manner specified in Clause 11.2 above, the Contractor shall deliver to the Government an invoice setting out the particulars of the Services provided (including the Unit Price), (if applicable) the Order number (where an Order has been issued), the amount of Contract Price payable for the Services after taking into account all applicable deductions, set-off and withholding, and such other information as the Government Representative may require from time to time.
- 11.8 In the case where the Contract Price is payable in instalment in the manner specified in Clause 11.2 above, an invoice for an instalment of the Contract Price shall not be issued unless (a) the scope of the Services as specified in the payment timetable in the Price Schedule for that instalment has been performed and accepted by the Government as confirmed by it in writing; and (b) the invoice must have taken into account all applicable deductions, set-off and withholding.
- 11.9 Notwithstanding any provision of the Contract, the Government is entitled to withhold payment of all or any part of the Contract Price and any other sum payable by the Government to the Contractor under the Contract if:
- (a) the Contractor fails to observe or perform any provision of the Contract;
 - (b) the Government disputes on any reasonable ground its obligation to pay the amount in question;
 - (c) the Government has reasonable grounds to believe that the Contractor is or will be liable to the Government under any provision of the Contract for the loss or damage suffered by the Government; or
 - (d) withholding of payment is required by any applicable law or regulation for tax or otherwise.

- 11.10 No payment made by the Government under the Contract shall prejudice or carry any implication whatsoever on any rights or cause of action which has accrued or may accrue, or any remedy available, to the Government in respect of any breach of the Contract by the Contractor.
- 11.11 The Government shall not be held responsible or liable for any delay in payment and no interest or other surcharge or any other payment howsoever described shall be charged to the Government due to (a) invoices not having been issued in accordance with this Clause 11, or (b) the amount billed in the invoices not having been duly calculated in accordance with the provisions of the Contract (including without limitation not having taken into account all applicable deductions, set-off or withholding), or (c) the Contractor disputing any deductions or set-off or withholding made by the Government pursuant to the Contract, or (d) any invoice or correspondence being improperly addressed contrary to the requirements stipulated in the Contract. Each invoice shall include all deductions, set-off and withholding which may be made pursuant to the terms of the Contract and shall show the net amount payable. If the Contractor does not render an invoice charging a correctly stated net amount due to its failure to take into account all appropriate deductions, set-off or withholding or otherwise, the Government may, but is not obliged to, pay the net amount which duly takes into account all appropriate deductions, set-off and withholding.
- 11.12 In the event that the Contractor fails to pay any sum of money on the date it falls due or upon demand by the Government under the Contract, it shall pay interest on such sum to accrue from the due date up to the date of actual payment in full at the rate of 1% above the rate per annum which shall be a simple average of the rates per annum announced by the note-issuing banks of Hong Kong from time to time to be its prime lending rate for Hong Kong dollars. Such interest shall accrue on a daily basis and shall be computed on the basis of a 365-day year (“default interest rate”). For the applicable interest rate when a court judgment or an award from the arbitrator is obtained (if any), the interest rate to accrue on such judgment sum or awarded sum shall be the aforesaid default interest rate, or such rate as may be determined from time to time by the Chief Justice of Hong Kong by order for judgment debt interest (whichever rate is the higher rate).
- 11.13 Where the Contractor is outside Hong Kong, payment will be made by telegraphic transfer to the Contractor’s bank account as specified in Part D of the Price Schedule. All charges imposed by the banks outside Hong Kong shall be borne by the Contractor. In addition, any charges imposed by the banks in Hong Kong for carrying out any special request(s) by the Contractor shall be borne by the Contractor, or the Contractor shall reimburse the Government for the same if the Government has settled such charges with the bank.

12. Contract Deposit

- 12.1 The Contractor shall pay the Contract Deposit in accordance with Paragraph 20 of the Terms of Tender (and/or where applicable in accordance with the relevant Paragraph of the Terms of Tender (Supplement) which supplements or replaces such Paragraph 20 (in whole or in part)).
- 12.2 If the Contractor fails to comply with Clause 12.1 above, the Government shall have the right to terminate the entire Contract pursuant to Clause 15.1 of the General Conditions of Contract or partially terminate the Contract pursuant to Clause 15.4 of the General Conditions of Contract.
- 12.3 Without prejudice to Clause 12.2 above, if the Contractor fails to comply with Clause 12.1 above, the Government may deduct from any sum due or payable by the Government to the Contractor from time to time, an amount equal to the Contract Deposit to serve as the Contract Deposit.
- 12.4 If:
- (a) the Contractor fails to comply with any provision of the Contract, the Government may deduct from the Contract Deposit paid in cash, or call on the banker's guarantee, to recover the amount of costs, losses, damages or expenses suffered or incurred by the Government arising from or relating to such failure; or
 - (b) any amount is due or payable by the Contractor to the Government under the Contract, the Government may deduct from the Contract Deposit paid in cash, or call on the banker's guarantee, to recover the amount due or payable,
- in each case of Sub-clause (a) or (b) above, irrespective of whether or not a demand for payment has been made against the Contractor.
- 12.5 The Contract Deposit (whether paid in cash or in the form of the banker's guarantee) may be deducted or called on by the Government without the Government first having recourse to any other security or rights or taking any other steps or proceedings against the Contractor or any other person, and may be enforced for any balance due after resorting to any one or more of other means of obtaining payment or discharge of the monies, obligations and liabilities owing by the Contractor to the Government.
- 12.6 If any deduction is made by the Government from the Contract Deposit or a call is made on the banker's guarantee any time prior to the expiry or termination of the Contract, the Contractor shall, within twenty-one (21)

days after the date of the written demand by the Government, deposit a further sum or provide a further banker's guarantee, in a sum equal to the amount so deducted or so called, which further sum shall be added to the residue and form part of the Contract Deposit. If the Contractor is required to provide a further banker's guarantee under this Clause 12.6, the further banker's guarantee must comply with the requirements in Paragraphs 20.4(a) to (c) of the Terms of Tender.

- 12.7 Where the total Contract Price payable for all Services to be procured under the Contract for the whole of the Contract Period is likely to exceed the original Total Estimated Service Price, the Government may, by written notice to the Contractor, require the Contractor to submit to the Government such additional amount as further Contract Deposit such that the Contract Deposit shall at all times during the Contract Period be an amount equivalent to two percent (2%) (or five percent (5%) or the percentage specified in the Terms of Tender (Supplement), if any, whichever is the higher, if the Contractor failed in the financial assessment under Paragraph 19 of the Terms of Tender in the tender evaluation stage) of the revised Total Estimated Service Price specified by the Government in the notice.
- 12.8 If a notice is issued by the Government under Clause 12.7 above, the Contractor shall within twenty-one (21) days deliver to the Government the additional amount of further Contract Deposit required in the notice in the form of either cash or a further banker's guarantee. The further banker's guarantee must comply with the requirements in Paragraphs 20.4(a) to (c) of the Terms of Tender. A further Contract Deposit paid by the Contractor to the Government shall form part of the Contract Deposit.
- 12.9 If the Contractor fails to comply with Clause 12.6, 12.7 or 12.8 above, the Government shall have the right to terminate the entire Contract pursuant to Clause 15.1 of the General Conditions of Contract or partially terminate the Contract pursuant to Clause 15.4 of the General Conditions of Contract, depending on the election of the Government.
- 12.10 Upon the expiry or termination of the Contract Period:
- (a) if the Contract Deposit is paid in cash, the Government shall, after deducting the sums due from the Contractor to the Government, return the balance of the Contract Deposit (if any) in cash and without interest to the Contractor by the date specified in (i) or (ii) below, whichever is applicable:
 - (i) the end of three (3) months counting from the date of early termination or expiry of the Contract Period; or

- (ii) in the case if at the time of expiry or early termination of the Contract Period, there is any outstanding right or claim of the Government, or any outstanding obligation or liability of the Contractor, whether under or arising from or in relation to the Contract, the date on which all such rights and obligations, and claims and liabilities have actually been carried out, completed and discharged (as confirmed by the Government in writing).
- (b) if the Contract Deposit is paid by way of a banker's guarantee, the banker's guarantee shall be discharged and released in accordance with the guarantee period as stated therein.

(the applicable period specified in Sub-clause (a) or (b) above is referred to as the "Guarantee Period".)

12.11 Where upon expiry of the Guarantee Period, any claim of the Government or any liability of the Contractor, whether under or arising from or in relation to the Contract cannot yet be quantified or finalised, the Government may, without prejudice to its other rights and remedies, pay the entire Contract Deposit or any part thereof (whether in cash or in banker's guarantee) into a suspense account, for so long as it considers necessary, and pending the quantification or finalisation of the amount of the claim or liability. Upon quantification or finalisation of the amount of all or any claims or liabilities, the Government shall apply the amount in the suspense account in or towards satisfaction of the quantified amount. Where there is any remaining amount in the suspense account after such application, the Government will return the remaining amount to the Contractor without interest. Where the amount in the suspense account is insufficient to cover all or any claims or liabilities, the Government reserves all rights and remedies against the Contractor in respect of such claims and liabilities.

12.12 Where the Contract Period is more than three (3) years, the Government may conduct periodic financial vetting of the Contractor with a view to ensuring that the Contractor remains financially healthy for the performance of the Contract and depending on the results, take necessary actions as the Government considers appropriate. Periodic financial vetting may be conducted at an interval of every three (3) years of the Contract Period. Upon request of the Government, the Contractor shall within seven (7) days provide all such information to the Government for such periodic financial vetting which may include information as specified in Annex A to the General Conditions of Contract.

13. Recovery of Sums Due

Where the Contractor has incurred any liability to the Government, whether at law or in equity and whether such liability is liquidated or unliquidated, the Government may set off, whether by way of equitable set off or at common law the amount of such liquidated liability and a reasonable estimate of the amount of any unliquidated liability, against any sum then due or which at any time thereafter may become due from the Government to the Contractor under the Contract or any other contract made between the Government and the Contractor.

14. Liability and Indemnities

14.1 Neither the Government nor any of its employees or agents shall be under any liability whatsoever for or in respect of:

- (a) any loss of or damage to any of the Contractor's property or that of its employees or agents however caused (whether by any Negligence of the Government or any of its employees or agents or otherwise); or
- (b) any injury to or death of the Contractor (in the case where the Contractor is a natural person) or any of its employees or agents, save and except any such injury or death caused by the Negligence of the Government or any of its employees (in the course of employment).

14.2 Without prejudice to any other provision of the Contract, the Contractor shall indemnify each of the Government, its assigns, successors-in-title, and authorised users (including the employees and agents of the Government) (each an "Indemnified Party") from and against:

- (a) all and any liabilities and indebtedness (including liabilities to pay damages or compensation), losses, damage, costs, charges and expenses incurred or suffered by an Indemnified Party of whatsoever nature (including all legal and expert costs, charges and expenses on a full indemnity basis); and
- (b) all and any demands, claims, actions, arbitrations, proceedings, threatened, brought or instituted by any person against an Indemnified Party or by an Indemnified Party against any person (regardless of whether or not they have been settled or compromised) (collectively, "Claims" and each a "Claim") and everything stated in Sub-clause (a) above incurred or suffered by an Indemnified Party in all and any such Claims,

which arise directly or indirectly as a result of or in connection with, or which relate in any way to, all or any of the following:

- (i) the breach of any provisions of the Contract by the Contractor;
- (ii) the negligence, recklessness, tortious acts or wilful act or omission of the Contractor, its employees, agents or sub-contractors;
- (iii) any Warranty which is incorrect, inaccurate, incomplete or misleading;
- (iv) any claim or allegation that the use or possession of the Materials or Third Party Materials infringes the Intellectual Property Rights or any other rights of any person;
- (v) the non-compliance by the Contractor, its employees, agents or sub-contractor(s) with any applicable law, or regulation, order or requirement of any government agency or authority;
- (vi) any act or omission of the Contractor, or its employees, agents or sub-contractors, in the performance of the Contract notwithstanding that the Contractor is authorised or obliged to do or commit any such act or omission under this Contract;
- (vii) any loss, damage, injury or death referred to in Clause 14.1 above save and except injury or death caused by the Negligence of the Government or any of its employees (in the course of employment); or
- (viii) any injury or death of any third party, or any loss or damage to property sustained by any third party, in consequence of any act, omission, default, or negligence of the Contractor or any of its employees, agents and sub-contractors.

Each of the above is separate and shall be construed independently and shall not prejudice or be limited by reference to or inference from the other of them or other provisions of this Contract.

- 14.3 In the event of any person suffering any injury or death in the course of or arising out of the Contract and whether there be a claim for compensation or not, the Contractor shall verbally inform the Government Representative as early as practicable and deliver to the Government a written report

within seven (7) working days after the occurrence of the injury or death, or on an earlier date specified by the Government Representative.

- 14.4 For the purposes of this Clause 14, “Negligence” (appearing in upper case) shall have the same meaning as that assigned to it in section 2(1) of the Control of Exemption Clauses Ordinance (Chapter 71 of the Laws of Hong Kong).
- 14.5 The indemnities, payment and compensation given in pursuance of the Contract by the Contractor shall not be affected or reduced by reason of any failure or omission of the Government in enforcing any of the terms and conditions of the Contract.

15. Termination

15.1 In the event that:

- (a) the Contractor fails to perform any Services in accordance with Clause 7.3 of the General Conditions of Contract or any Services requested in an Order within the time as specified in that Order or otherwise in accordance with Clause 7.2 of the General Conditions of Contract;
- (b) any Services are rejected pursuant to the Contract;
- (c) the Contractor is in breach of any provision of the Contract which in the opinion of the Government is not capable of remedy;
- (d) the Contractor commits a breach of any provision of the Contract which is capable of remedy and fails to remedy the same within fourteen (14) days from the date of service of notice by the Government (or such longer period as specified in the notice) requiring such remedy;
- (e) any Warranty is incorrect, inaccurate, incomplete or misleading;
- (f) the Contractor has made a material misrepresentation (including submission of false statement or inaccurate information) during the tendering process of the Contract;

- (h) the Contractor abandons the Contract in whole or in part;

- 15.4 Instead of terminating the Contract in relation to all Services pursuant to Clause 15.1, 15.2 or 15.3 above, the Government may elect, but is not obliged, to terminate the Contract in relation to any part or parts of the Services only ("Partial Termination"). The part(s) of the Services to which the Partial Termination relates are referred to as "Terminated Services". The Terminated Services may cover all or any part(s) of the Services which have not been accepted up to the time of termination.
- 15.5 Each of the grounds entitling the Government to terminate the Contract as specified in Clauses 15.1 to 15.3 above and in each Sub-clause of Clauses 15.1 and 15.2 shall be construed independently and shall not be limited or restricted by reference to or inference from any other ground or any other provision of this Contract.

16. Termination Consequences

- 16.1 Upon expiry or early termination of the Contract (howsoever occasioned) ("Termination"):
- (a) the Contract shall be of no further force and effect, but without prejudice to:
 - (i) the Government's rights and claims under the Contract or otherwise at law against the Contractor arising from antecedent breaches of the Contract by the Contractor (including any breach(es) which entitle the Government to terminate the Contract);

- (ii) the rights and claims which have accrued to a Party prior to the Termination; and
 - (iii) the continued existence and validity of those provisions which are expressed to or which in their context by implication survive the Termination (however occasioned) (including Clauses 3, 4, 11.9 to 11.12, 12 to 41 of the General Conditions of Contract, the Interpretation, the Interpretation (Supplement) and such other provisions as specified in the Special Conditions of Contract);

Further, upon request by the Government and/or in the event of the expiry or termination (howsoever occurred) of the Contract, the Contractor shall at its sole costs and expenses promptly deliver to the Government the Materials (including any drafts and copies thereof) then in the Contractor's custody, control or possession, whether in their completed forms or not.

16.2 Upon a Partial Termination pursuant to Clause 15.4 of the General Conditions of Contract:

- (a) the provisions in the Contract to the extent they apply or concern or relate to the Terminated Services shall be of no further force and effect, but without prejudice to:

Such waiver shall operate in favour of the Government, its authorised users, assigns and successors-in-title and shall take effect upon creation of the Materials or upon the grant of the licence to the Government, its authorised users, assigns and successors-in-title or upon the delivery of the Third Party Materials to the Government (as the case may be).
- 17.6 The Contractor shall at its own costs execute or procure the execution of any further assignments, deeds, licences, documents and instruments and do or procure the doing of any further things as may be required by the Government to give full effect to Clauses 14.2, 17 and 19 of the General of Conditions of Contract, and shall provide all such assignments, deeds, licences, documents and instruments to the Government within fourteen (14) days from the date of the Government's written request or such longer period as may be agreed by the Government in writing.

- (a) a breach of confidence (whether under the Contract or general law) by the Contractor or any other member of the Restricted Group;
- (b) any actions or claims made in respect of information subject to the Personal Data (Privacy) Ordinance (Chapter 486 of the Laws of Hong Kong), which action and/or claim would not have arisen but for the act, negligence or omission of the Contractor or any of its employees, agents or sub-contractors in connection with the performance of the Contract; and
- (c) any act done or omission in the performance of the Contract that contravenes the Unsolicited Electronic Messages Ordinance (Chapter 593 of the Laws of Hong Kong).

19.3 The Contractor shall use the Confidential Information solely for the purposes of the Contract. 19.5 The Contractor shall establish and maintain all necessary security measures and procedures for the safe custody of the Confidential Information in the Contractor's possession or under its control and to prevent unauthorised access thereto or use thereof.

- 19.6 The Contractor shall not, and shall ensure that no other member of the Restricted Group will, save to the extent necessary for performing the Contract, peruse, retain possession or control of, or duplicate, any Confidential Information or any copy thereof (in whatsoever media or format).
- 19.7 The Contractor shall ensure that each of its employees, agents, sub-contractors, and any other persons involved in the performance of the Contract are aware of and comply with the provisions of this Clause 19 and the Official Secrets Ordinance (Chapter 521 of the Laws of Hong Kong).
- 19.8 The Contractor shall promptly notify the Government of, and give the Government all reasonable assistance in connection with, any proceedings which the Government may institute against any person pursuant to any of the provisions in this Clause 19.
- 19.9 The Contractor acknowledges that any unauthorised disclosure or use of the Confidential Information can cause irreparable harm and significant injury to the Government, the degree of which may be difficult to ascertain or that damages may not be an adequate remedy. Accordingly, the Contractor agrees that the Government shall have the right to obtain and be immediately granted an injunction prohibiting any breach of this Clause 19 and/or specific performance ensuring the compliance of this Clause 19 in light of any threatened or actual breach of this Clause 19, without prejudice to its other rights and claims including those available under the Contract or at law arising from such breach.
- 19.10 Without prejudice to the generality of the foregoing provisions, the Contractor further undertakes that it will not at any time itself or through any associate or associated person or employee, sub-contractor or agent use, sell, license, sub-license, create, develop or otherwise deal in any Confidential Information.
- 19.11 The Government may request the Contractor in writing at any time that any Confidential Information disclosed pursuant to the terms of this Clause 19 and any copies, analyses, compilations and extracts thereof whether in hardcopies, electronic format or other media be returned, destroyed and/or deleted with a written statement to the effect that upon such return, destruction and/or deletion it has not retained in its possession or under its control, either directly or indirectly, any Confidential Information in whatever form and medium. The Contractor shall comply with any such request from the Government within seven (7) days of receipt of such request.

20. Probity

20.1 The Contractor acknowledges it has been reminded that:

- (a) dishonesty, theft and corruption on its part or that of its officers, employees, agents or sub-contractors are criminal offences and may lead to prosecution under section 9 of the Prevention of Bribery Ordinance (Chapter 201 of the Laws of Hong Kong), sections 17, 18D and 19 of the Theft Ordinance (Chapter 210 of the Laws of Hong Kong) and section 161 of the Crimes Ordinance (Chapter 200 of the Laws of Hong Kong); and

20.2 The Contractor shall inform its officers, employees (whether permanent or temporary), agents and sub-contractors that the soliciting or accepting of advantages (as defined in the Prevention of Bribery Ordinance (Chapter 201 of the Laws of Hong Kong)) is not permitted. The Contractor shall also caution its officers (including directors), employees and agents and sub-contractors against soliciting or accepting any hospitality, entertainment or inducement which may impair their impartiality in relation to the selection of its sub-contractors, if any, or the supervision of the work of the sub-contractors.

20.3 The Government shall have the right to terminate the entire Contract pursuant to Clause 15.1 of the General Conditions of Contract or partially terminate the Contract pursuant to Clause 15.4 of the General Conditions of Contract in the event that the Contractor or any of its officers, employees, agents and sub-contractors is convicted of an offence under the Prevention of Bribery Ordinance (Chapter 201 of the Laws of Hong Kong), the Theft Ordinance (Chapter 210 of the Laws of Hong Kong) or the Crimes Ordinance (Chapter 200 of the Laws of Hong Kong).

20.4 The Contractor shall within two (2) weeks after the commencement of the Contract draw up and submit a staff code of conduct to the Government Representative including, among other probity issues, a statement explicitly prohibiting its sub-contractor (if any), or any person employed by it to provide the Services from soliciting or accepting any form of advantages in discharging his duties under the Contract. It shall ensure that its sub-contractor (if any), or any person employed by it to provide the Services is well aware of the prohibited acts explicitly stated in Clause 20.2 above and of the staff code of conduct. The code of conduct should form part of

the employment contract to ensure acknowledgement and compliance by the employees.

21. Insurance

21.1 Where and to the extent it is stated to be required in the Special Conditions of Contract, the Contractor shall effect and keep in force, and renew upon expiry, throughout the Applicable Period (as defined in Clause 21.3 below):

21.1.1 a public liability insurance policy in the joint names of (i) the Contractor and (ii) the Government, (with appropriate cross-indemnity clause as if a separate policy has been issued to each of them) subject to a maximum indemnity amount in the sum of not less than an indemnity amount of HK\$10,000,000 or such other amount as stated in the Special Conditions of Contract for each claim or a series of claims arising from one event, but otherwise unlimited in the aggregate indemnity amount for all claims arising during the entire period of insurance (“public liability insurance policy”); and

21.1.2 any other insurance policies specified in the Special Conditions of Contract (if any);

(a) with an insurance company authorised under the Insurance Ordinance (Chapter 41 of the Laws of Hong Kong) and on such terms and conditions as shall be approved by the Government; and

(b) (applicable to the public liability insurance policy under Clause 21.1.1 above) against liability to pay damages and compensation for injury or death of any person and loss or damage to any property.

21.2 For the purposes of obtaining the Government’s approval of the terms and conditions of the insurance policy, before taking out of the same, if required by the Government, the Contractor shall submit the draft insurance policy to the Government for review no later than one (1) week after the Date of Tender Acceptance.

21.3 The Applicable Period for the public liability insurance policy shall be the Contract Period; and for other insurance policies specified to be required in the Special Conditions of Contract, such Applicable Period shall be as stated in the Special Conditions of Contract.

21.4 Without prejudice to Clauses 21.1 and 21.3 above, the Contractor shall effect and maintain employer’s liability insurance in respect of all its

employees and other staff in accordance with all applicable laws and regulations.

- 21.5 If required by the Government, the Contractor shall deliver to the Government copies of all insurance policies required under the Contract together with receipts or other evidence of payment of the latest premium due under the policies.
- 21.6 For all insurance policies required under the Contract, the Contractor shall comply with and observe duly and punctually all terms and conditions set out in these policies. The Contractor shall be responsible for lodging claims with the insurance company and shall notify the insurance company within the time period specified in the policy of the occurrence of any event liable to give rise to a claim covered by the relevant insurance policy.
- 21.7 If the Contractor fails to give effect to or maintain any insurance policy required under the Contract, the Government may make such alternative arrangements as it considers appropriate to protect its interests and may recover from the Contractor the costs of putting such in place and maintaining such arrangements.
- 21.8 No provision including any indemnity limit specified in any insurance policy required under the Contract shall relieve the Contractor of any liability under the Contract or be construed as a cap on the liability of the Contractor under the Contract. It is the responsibility of the Contractor to determine the amount of insurance cover that will be adequate to enable the Contractor to satisfy any liability under the Contract.

22. Process Agent

Where the Contractor does not have a place of business in Hong Kong, the Contractor shall irrevocably appoint the person whose name and address are set out in the Appendix to the Terms of Tender as its process agent to receive on its behalf service of process of any legal action or proceedings arising out of or in connection with the Contract in Hong Kong. Service upon the process agent shall be good service upon the Contractor whether or not it is forwarded to and received by the Contractor. If, for any reason, the process agent ceases to be or ceases to be able to act as process agent, or no longer has an address in Hong Kong, the Contractor shall appoint a substitute process agent with an address in Hong Kong acceptable to the Government and to deliver to the Government a copy of the substitute process agent's acceptance of that appointment within thirty (30) days. In the event that the Contractor fails to appoint a substitute process agent, or fails to notify the Government of the name and address for service of that substitute process agent, it shall be effective service for the Government to serve the process

upon the last known address in Hong Kong of the last known process agent for the Contractor notified to the Government notwithstanding that such process agent is no longer found at such address or has ceased to act or has ceased to be able to act.

23. Relationship of the Parties

The Contractor enters into the Contract with the Government as an independent contractor only and nothing in the Contract shall create a contract of employment, a relationship of agency or partnership, or a joint venture between the Government and the Contractor. Unless otherwise expressly provided for in the Contract, neither Party is authorised to act in the name of, or on behalf of, or otherwise bind the other Party.

24. Assignment and Sub-contracting

- 24.1 Unless otherwise provided for in the Contract, the Contractor shall not, without the prior written consent of the Government, assign, transfer, sub-contract or otherwise dispose of any of its interests, rights, benefits or obligations under the Contract. The performance of the Contract by the Contractor shall be personal to it. Any person purportedly appointed by the Contractor as agent shall be treated as sub-contractors for the purpose of this Clause 24 and for the whole of the Contract.
- 24.2 Acceptance of the Tender does not signify the Government's acceptance of any sub-contracting proposal set out in the Tender.
- 24.3 The Government may impose conditions either to be complied with by the Contractor and/or any proposed sub-contractors before giving any approval under Clause 24.1 above including without limitation the execution of a sub-contractor's undertaking by the proposed sub-contractor in favour of the Government in such form and substance to be prescribed by the Government. Where the Government requests the same, a certified copy of the sub-contract shall be deposited with the Government within seven (7) days after the effective date of the sub-contract.
- 24.4 The Contractor shall remain fully liable and shall not be relieved from any of its obligations hereunder by entering into any sub-contract for the performance of any part of the Contract. The Contractor shall be responsible for all acts, defaults, omissions and neglect of any of its officers, employees, agents, sub-contractors (at whatever level), and employees and agents of any such sub-contractor as if they were its own.

25. Disclosure of Information

- 25.1 The Contractor hereby irrevocably authorises, consents and agrees that the Government may, whenever it considers appropriate or upon request by any person (written or otherwise) and without any further reference to the Contractor, disclose to any person in such form and manner as the Government considers fit:
- (a) a brief description of the Services provided or to be provided by the Contractor;
 - (b) the Total Estimated Service Price and any other fees, cost and expense payable to the Contractor pursuant to the Contract;
 - (c) the engagement by the Government of the Contractor under the Contract and the name and address of the Contractor; and
 - (d) the date of award of the Contract.
- 25.2 Disclosure may also be made by the Government under any of the circumstances specified in Paragraph 26.2 of the Terms of Tender in relation to any information concerning or relating to the Contractor or the Contract or the Services or the Materials, recorded in whatever media.
- 25.3 Nothing in this Clause 25 or in Paragraph 26.2 of the Terms of Tender shall imply or be construed that the Government owes any duty of confidentiality to the Contractor including without limitation in relation to any information of or concerning this Contract or the Contractor or the Services or the Materials.

26. Publicity

- 26.1 Whether before, during or after the expiry or termination of the Contract Period, the Contractor shall not use the Government's name in any document, publication, advertisement or publicity material without the prior written consent of the Government.
- 26.2 Subject to Clause 26.1 above, the Contractor shall submit to the Government Representative for approval all the proposed advertising or other publicity material relating to the Contract, the Services or other services provided or other work done in connection with the Contract wherein the Government's name is mentioned or language used from which a connection with the Government can reasonably be inferred or implied.

26.3 Notwithstanding any consent or approval given under Clause 26.1 or 26.2 above, whenever required by the Government, the Contractor shall remove all advertisement and publicity material relating to the Contract wherein the Government is mentioned or language used from which a connection with the Government can reasonably be inferred or implied and the Contractor must comply with such request.

27. Force Majeure

27.1 If the Contractor becomes aware of any matter likely to constitute a Force Majeure Event, the Contractor shall forthwith notify the Government in writing concerning such matter and provide the Government with all relevant information as the Government may request.

27.2 Within seven (7) days after the occurrence of a Force Majeure Event or earlier, the Contractor shall notify the Government in writing of the full particulars of the Force Majeure Event including its nature, extent, how the Force Majeure Event has and/or will materially prevent it from performing the Contract or such part thereof, and likely duration of such material prevention.

27.3 Provided the Government is satisfied with the Contractor's claim of a Force Majeure Event which has materially prevented and/or will continue to materially prevent it from performing its obligations under the Contract or such part thereof, the Contract or such part thereof strictly to the extent of such prevention shall be suspended during the subsistence of such Force Majeure Event commencing from a date to be agreed between the Parties ("Suspension due to Force Majeure"). Where the Government is not so satisfied about any alleged claim of a Force Majeure Event, there shall be no Suspension due to Force Majeure. The Contractor may not allege or claim any event as a Force Majeure Event. Any failure by the Contractor to perform any obligation under the Contract shall be treated as default and entitles the Government to terminate the Contract under any applicable Sub-clause of Clause 15.1 or Clause 15.2 of the General Conditions of Contract or partially terminate the Contract under Clause 15.4 of the General Conditions of Contract.

27.4 Without prejudice to the generality of Clause 27.3 above, whilst the Suspension due to Force Majeure subsists:

- (a) the Contractor shall not be required to perform any part of its obligations under the Contract strictly to the extent it is materially prevented from doing so by the Force Majeure Event ("Affected

Obligations”) but it shall use its best endeavours to remove or mitigate the effect of the Force Majeure Event on the Affected Obligations;

- (b) the Government may make alternative arrangements for the performance of the Affected Obligations, whether by another person or otherwise, without compensation to the Contractor;
- (c) the Contractor shall not be entitled to any payment of money in respect of the Affected Obligations (if any money would have been payable in the first place);
- (d) notwithstanding anything in the Contract to the contrary, no compensation shall be payable by either Party to the other due to any losses or damage arising from the Suspension due to Force Majeure; and
- (e) the Contractor shall continue to fully and punctually perform and observe all of its other obligations which are not affected by the Force Majeure Event in full accordance with the requirements of the Contract including those obligations which are not Affected Obligations, and to that extent, all terms and conditions of the Contract shall continue to apply and be in full force and effect.

27.5 Following the issue of a notice by the Contractor under Clause 27.1 above which has led to Suspension due to Force Majeure under Clause 27.3 above, the Contractor shall keep the Government informed once every week or at such longer frequency as may be allowed by the Government, and in any event from time to time upon the request of the Government, of:

- (a) the likely duration of the relevant Force Majeure Event and of its effect of materially preventing the Contractor from performing the Affected Obligations;
- (b) the actions taken or proposed to be taken by the Contractor to mitigate or minimise the effects of that Force Majeure Event (“Mitigation Actions”); and
- (c) any other matters relevant to that Force Majeure Event or the Contractor’s performance affected by that Force Majeure Event.

27.6 As soon as the relevant Force Majeure Event has terminated or otherwise that the Government considers that the Mitigation Actions have minimised the effect of the Force Majeure Event on the ability of the Contractor to perform the Affected Obligations, the Contractor shall forthwith notify the

Government, or the Government may on its own, after consultation with the Contractor, by notice in writing to the Contractor, determine the appropriate date for resuming the performance of the Affected Obligations (“Resumption Date”). The Contractor shall immediately after the termination of the Force Majeure Event or with effect from Resumption Date as determined by the Government in the aforesaid manner, resume performance of the Affected Obligations in accordance with the terms and conditions of the Contract. In the event of any disagreement between the Government and the Contractor on the appropriate Resumption Date, the Government’s decision shall be final in the absence of manifest error.

- 27.7 Should a Suspension due to Force Majeure subsists for more than thirty (30) days, the Government shall be entitled to, but is not obliged to, terminate the Contract pursuant to Clause 15.3 of the General Conditions of Contract or partially terminate the Contract pursuant to Clause 15.4 of the General Conditions of Contract (depending on the election of the Government).

28. Illegal Workers

The Contractor undertakes not to employ illegal workers in the execution of this Contract or any other Government contracts. Should the Contractor be found to have employed illegal workers in breach of this undertaking, the Government Representative may, on behalf of the Government, by notice, terminate this Contract pursuant to Clause 15.1 of the General Conditions of Contract or partially terminate this Contract pursuant to Clause 15.4 of the General Conditions of Contract.

29. Notices

- 29.1 Each notice, demand, invoice, correspondence or other communication given or made under the Contract by a Party shall be in writing and delivered or sent to the other Party at the applicable postal address, facsimile number or email address mentioned in the Appendix (or such other postal address, facsimile number or email address as the addressee has by no less than seven (7) working days’ prior written notice specified to the other Party).
- 29.2 Such notices, demands, invoice, correspondence or other communications shall be addressed as provided in Clause 29.1 above and, if so addressed, shall be deemed to have been duly given or made as follows:

- (a) if sent by personal delivery during normal business hours on a working day, upon delivery at the address of the relevant Party;
- (b) if sent by post (regardless of whether during or outside normal business hours), two (2) working days (for any place in Hong Kong) and seven (7) working days (for any place outside Hong Kong) after the date of posting which is a working day;
- (c) if sent by facsimile during normal business hours on a working day, when despatched with confirmed receipt as evidenced by the transmission report generated at the end of the transmission of such facsimile by the facsimile machine used for such transmission; or
- (d) if sent by email during normal business hours on a working day, upon despatch unless the sender has received a non-delivery notification from his own computer system.

29.3 Notice, demand, invoice, correspondence or other communication to the Contractor from the Government in the prescribed manner specified in Clause 29.2 above (whether from a Government Representative of the department specified in (1) or specified in (2) of the Appendix) shall be deemed to have been served provided that the notice, demand, invoice, correspondence or other communication has been sent to the correct applicable contact of the Contractor as specified in the Appendix.

29.4 Notice, demand, correspondence or other communication to the Government shall be to the applicable contact(s) as specified in the Appendix (as the same may from time to time be revised) depending on the subject matter to which it relates.

29.5 Nothing in this Clause 29 shall affect the validity of any notice, demand, invoice or communication despatched by personal delivery or by fax or by email outside normal business hours whether on a working day or a non-working day. Any such notice, demand, invoice, correspondence or other communication fulfilling the conditions specified in Clause 29.2 above shall be deemed to have been duly given or made on the next working day following from the date of personal delivery or fax or email. Where posting is not done on a working day, it shall be deemed to have been done on the next working day after such day.

30. Entire Agreement

30.1 The Contract constitutes the whole agreement between the Parties and supersedes any previous agreements or arrangements between them relating

to the subject matter hereof. The Contractor acknowledges that in entering into the Contract, it has not relied on any statements, warranties or representations given or made by the Government. On the other hand, the Government has relied on the Warranties when entering into the Contract.

30.2 All of the provisions of the Contract shall remain in full force and effect notwithstanding the completion of the Services (except insofar as those obligations which have been fully performed).

31. Execution of Further Documents

The Contractor shall at its own cost and expense do and execute any further things and document(s) (or procure that the same be done or executed) as may be required by the Government to give full effect to the provisions in this Contract and shall provide all such documents and materials to the Government within fourteen (14) days of the date of the Government's written request or such longer period as may be agreed by the Government in writing.

32. Variations

Subject to other provisions of the Contract which provide for the power of the Government to make changes, no waiver, cancellation, alteration or amendment of or to the provisions of the Contract shall be valid unless made by an agreement in writing and duly signed by the Contractor and the Government and in which agreement, the Parties expressly agree to the relevant waiver, cancellation, alteration or amendment of or to the provisions of the Contract as specified therein.

33. Severability

If any provision of the Contract is found by any authority or court of competent jurisdiction to be illegal, invalid or unenforceable, such illegality, invalidity or unenforceability shall not affect the other provisions of the Contract, all of which shall remain in full force and effect.

34. Waiver

34.1 Time shall be of the essence of the Contract but no failure, delay, forbearance or indulgence by any Party to the Contract to exercise any right, power or remedy available to it under the Contract or at law or in

equity shall operate as a waiver thereof; nor shall any single or partial exercise of the same preclude any other or further exercise thereof or the exercise of any other right, power or remedy. A right or a remedy of each Party under the Contract shall be cumulative and not exclusive of any other rights, power or remedies provided by the Contract, at law or in equity. Without limiting the foregoing, no waiver by any Party of any breach by the other Party of any provision hereof shall be deemed to be a waiver of any subsequent breach of that or any other provision hereof.

- 34.2 Without prejudice to the generality of Clause 34.1 above, any right of termination of the Contract or any other right, power or remedy of whatsoever nature conferred upon the Government under the Contract shall be exercisable by it in addition to and without prejudice to any other rights and remedies available to it under the Contract or at law (and, without prejudice to the generality of the foregoing, shall not extinguish any right to damages to which the Government may be entitled in respect of the breach of the Contract) and no exercise or failure to exercise a right of termination shall constitute a waiver by the Government of any other right, power or remedy.

35. Admission of Contractor Personnel to Government Premises

- 35.1 Upon request from time to time by the Government, the Contractor shall provide to the Government a list of the names, posts, staff identity card numbers, addresses and telephone numbers of all Contractor's employees, agents, sub-contractors and those employees and agents of the aforementioned sub-contractors (collectively "Relevant Personnel") who may at any time require admission on behalf of the Contractor to any premises occupied by the Government for the purposes of the Contract if so required by the Government Representative, and in that event such list shall specify the capacities in which those persons are employed by or connected with the Contractor and shall contain such other particulars as the Government Representative may reasonably require.
- 35.2 The Contractor shall ensure that while any of the Relevant Personnel is on the Government's premises they will conform to the Government's normal codes of staff and security practice.
- 35.2A The Contractor shall require all Relevant Personnel, save for those exempted, to present vaccination record of at least the first dose of COVID-19 vaccine prior to their entry into indoor government premises which are their places of work, or for work-related purposes (including for meetings and for fulfillment of duties). The number of vaccine doses

required may be revised by prior written notice from the Government to the Contractor in the light of the development of COVID-19 epidemic situation.

- 35.2B Exemption from the requirement to present vaccination record will be granted to (a) those who are medically unfit for COVID-19 vaccination as supported by a valid medical certificate; and (b) pregnant staff with prior exemption to be granted by the Government on a case-by-case basis. The exempted categories of Relevant Personnel mentioned in this Clause may be revised by prior written notice from the Government to the Contractor.
- 35.2C For the purpose of Clauses 35.2A and 35.2B, the Contractor shall comply with the entry requirement of Government premises, implementation approaches, requirement on the vaccination record and other relevant documentations to be presented, consequence of non-compliance, maintenance and updating of the register of vaccination status, and all other necessary requirements as determined by the Government by prior written notice from the Government to the Contractor.
- 35.2D The Contractor shall ensure that the Relevant Personnel will have given consent to the Contractor to pass the personal data in relation to Clauses 35.2A and 35.2B above to authorised persons of the Government for the purposes of the provisions of this Clause 35 and other provisions of the Contract.
- 35.3 The Government Representative reserves the right to refuse to admit to the Government premises any person, whose admission would be, in the reasonable opinion of the Government Representative, undesirable.
- 35.4 In the event that the Contractor fails to comply with this Clause 35 and it is determined that such failure is prejudicial to the interests of the Government, the Government Representative may thereupon terminate the Contract forthwith pursuant to Clause 15.1 of the General Conditions of Contract or partially terminate the Contract pursuant to Clause 15.4 of the General Conditions of Contract.

36. Assistance in Legal Proceedings

- 36.1 If and whenever requested to do so by the Government Representative, the Contractor shall provide to the Government all relevant information, documents (including documentation and statements from staff) and other assistance in connection with any inquiry, investigation, arbitration, tribunal hearings or court proceedings in which the Government may become involved or any internal disciplinary hearing of the Government that arises

out of or in connection with the Contract or the Contractor's presence at the Government's premises. If requested by the Government, the Contractor shall arrange for relevant staff to give evidence at such inquiries, investigations, arbitrations, hearings or proceedings.

- 36.2 Where the Contractor or any employees, agents or contractors of the Contractor become aware of an incident, accident or other matter which may give rise to a claim or legal proceedings by a third party against the Government or the Contractor or in respect of the Contract, it shall notify the Government Representative immediately in writing giving full details of such incident, accident or matter as the Government Representative may require.

37. Retention of Records

The Contractor shall keep and maintain until seven (7) years after the expiry of the Contract, or such longer period as may be agreed by the Parties, full and accurate records in relation to the Contract including the Services provided under it, all expenditure reimbursed by the Government, and all payments made by the Government. If requested by the Government, the Contractor shall afford the Government or its representative or authorised person access to the records and to make and retain copies thereof as may be requested by the Government or its representative or authorised person.

38. Joint and Several Obligations

- 38.1 Where the Contractor comprises more than one person, each such person assumes all obligations of the Contractor under or arising from or in connection with or in relation to the Contract on a joint and several basis.
- 38.2 A reference to the Contractor in this Contract is a reference to each of the persons constituting the Contractor.

39. Governing Law and Jurisdiction

- 39.1 The Contract shall be governed by and construed in accordance with the laws of Hong Kong.
- 39.2 The Parties hereby agree to submit to the exclusive jurisdiction of the courts of Hong Kong in relation to any matters or dispute arising out of or in connection with or in relation to the Contract.

40. Contracts (Rights of Third Parties) Ordinance

The Parties hereby declare that nothing in this Contract confers or purports to confer on any person not being a Party to this Contract any benefit or any right to enforce any term of this Contract under or pursuant to or for the purposes of the Contracts (Rights of Third Parties) Ordinance (Chapter 623 of the Laws of Hong Kong).

41. Order of Precedence

41.1 In the event of, and only to the extent of, any conflict or inconsistency amongst or between any provisions of the Contract, the following order of precedence shall be applied, but only in so far as is necessary to resolve that conflict or inconsistency:

- (a) the Special Conditions of Contract;
- (b) the Service Specifications;
- (c) the Terms of Tender (Supplement);
- (d) the Interpretation (Supplement);
