2. Alternative bond scheme, bond arrangement and investment arrangement

(1) If a scheme comprises 2 arrangements (arrangement A and arrangement B), and the scheme and the arrangements meet the description in subsections (2), (3) and (4), then—
   (a) the scheme is an alternative bond scheme;
   (b) arrangement A is the bond arrangement in the scheme; and
   (c) arrangement B is the investment arrangement in the scheme.

(2) The scheme (and arrangement A and arrangement B in it)—
   (a) commences on the date on which alternative bonds are issued under arrangement A, as referred to in subsection (3)(d); and
   (b) ends on the date on which the alternative bonds are to be fully redeemed or cancelled under the terms of arrangement A,
   (the period that so commences and ends is referred to as the specified term).

(3) Under arrangement A—
(a) one or more persons (each is referred to as an *initial bond-holder*) pay a sum of money (bond proceeds) to another person (bond-issuer);

(b) the bond-issuer is a special purpose vehicle for the scheme;

(c) on behalf of the initial bond-holders, the bond-issuer enters into arrangement B, as referred to in subsection (4);

(d) the bond-issuer issues instruments (alternative bonds) to the initial bond-holders evidencing their rights and interests in or in relation to the specified asset referred to in subsection (4)(a);

(e) if the alternative bonds are transferable from 1 person to another, transferees of any such alternative bonds become holders of the alternative bonds (subsequent bond-holders) because of the transfers (any initial bond-holder or subsequent bond-holder is referred to as a bond-holder); and

(f) the bond-issuer undertakes—

(i) to make a payment (redemption payment), whether or not by instalments, to the bond-holders during or at the end of the specified term to redeem the alternative bonds;

(ii) to make other payments (additional payments) to the bond-holders on one or more occasions during, or at the end of, the specified term; and

(iii) to use the investment return and the proceeds of disposal under arrangement B as referred to in subsection (4)(b) and (c), or part of these sums, for payment of the redemption payment and additional payments.
(4) The bond-issuer enters into arrangement B with another person (originator), under which—

(a) the bond-issuer uses the bond proceeds (acquisition cost) to acquire an asset (which asset, or an asset that is subject to the scheme in the circumstances described in section 3(2)(b), (3) and (4) of this Schedule, is referred to as the specified asset);

(b) the bond-issuer arranges for the management of the specified asset with a view to generating income or gains during the specified term (the income or gains are referred to as the investment return); and

(c) the bond-issuer is to dispose of the specified asset by the end of the specified term (the consideration received by the bond-issuer for the disposal of the specified asset is referred to as the proceeds of disposal).

3. Construction of references in section 2(3)(b) and (4)(b) of this Schedule

(1) For the purposes of section 2(3)(b) of this Schedule, a special purpose vehicle for 2 or more schemes (whether existing or intended to be set up) is regarded as a special purpose vehicle for each of those schemes if—

(a) each of the schemes would have been, or when set up would have been, an alternative bond scheme but for that section; and

(b) each of the schemes has, or is intended to have, that special purpose vehicle as the bond-issuer and the same other person as the originator.

(1) A person who has made a BA claim or IA claim in relation to an arrangement in a scheme must inform the Commissioner, in writing, of any specified event that occurs in relation to the arrangement within 30 days after the occurrence.

(a) section 80 of this Ordinance;

(b) section 82A of this Ordinance.

(3) A person who has made a BA claim or IA claim in relation to an arrangement in a scheme is not required to inform the Commissioner of a specified event in relation to the arrangement under subsection (1) if—

(b) 10 years referred to in paragraph (b) of the proviso to section 60(1) of this Ordinance; and
(c) 6 years referred to in section 60(2) of this Ordinance.

(b) it appears to the assessor that, because of the same disqualification, an amount of tax has been paid in excess by the person for another year of assessment,

then, even in the absence of a claim in writing being made under section 79 of this Ordinance for the refund—

(c) a refund of that amount of tax paid in excess may be made under section 79 of this Ordinance; or

(d) the refundable amount may be set off against any amount payable under the assessment or additional assessment referred to in paragraph (a).

(7) The provisions of this Ordinance relating to a notice of assessment, appeal and other proceedings that apply—

(b) 在本附表第 13(1) 及 (2)(b) 條指明的條件中，該計劃唯一不符合者，是按條款履行安排條件；及

(c) 局長根據第 (2) 款，不理由該不符合條件情況。

(2) 如符合下述情況，局長可不理会指明另類債券計劃不符合按條款履行安排條件一事——

the objection is to be regarded as objections so made by the person against all specified assessments made for all years of assessment because of that disqualification.

(9) In this section—

(b) if there are 2 or more specified events, the earliest specified event occurs in relation to the arrangement.

28. Delay in disposing of specified asset may be disregarded in certain circumstances

(1) Section 13(3) and (4) of this Schedule does not apply in relation to an arrangement in a scheme, despite the fact that a BA disqualifying event or IA disqualifying event occurs in relation to the arrangement, if—

(a) the scheme is at the time of the occurrence, and from the commencement of the specified term of the scheme up to that time has always been, a specified alternative bond scheme;

(b) among the conditions specified in section 13(1) and (2)(b) of this Schedule, the scheme only fails to comply with the arrangements performed according to terms condition; and

(c) the Commissioner disregards the non-compliance under subsection (2).

(a) the non-compliance was solely constituted by a delay, of more than 30 days, in disposing of the specified asset; and
(b) it is proved to the satisfaction of the Commissioner that there was a reasonable excuse for the delay.

47C. Interpretation

(1) In this Part, subject to subsection (2), an expression specified below has the same meaning as it has in Schedule 17A to the Inland Revenue Ordinance (Cap. 112)—

alternative bond (另類債券)
arrangements performed according to terms condition (按條款履行安排條件)
asset transaction between O and BU (發起人—業務實體資產交易)
bond arrangement (債券安排)
投資安排作金融負債條件 (investment arrangement as financial liability condition)
按條款履行安排條件 (arrangements performed according to terms condition)
債券人 (bond-holder)
指明另類債券計劃 (specified alternative bond scheme)
指明年期 (specified term)
指明投資安排 (specified investment arrangement)
指明資產 (specified asset)
最長年期條件 (maximum term length condition)
發起人 (originator)
債券安排作金融負債條件 (bond arrangement as financial liability condition)
與香港關連條件 (Hong Kong connection condition)

(2) For the purposes of the definitions of bond-issuer as conduit condition and reasonable commercial return condition in subsection (1), sections 19 and 14 of Schedule 17A to the Inland Revenue Ordinance (Cap. 112) are to be read as if references to the Commissioner in those sections were references to the Collector.

(3) In this Part, an expression specified in column 1 of the Table below has the meaning given by the section specified opposite to it in column 2 of the Table—
### 47D. Qualified bond arrangement, and qualified investment arrangement, in specified alternative bond scheme

1. The bond arrangement in a specified alternative bond scheme is a *qualified bond arrangement* at any time *(material time)* if the scheme at the material time complies with, and from the commencement of the specified term of the scheme up to the material time has always complied with—

   - (b) the bond arrangement as financial liability condition;
   - (c) the Hong Kong connection condition;

(a) the bond arrangement in the scheme at the material time is, and from the commencement of the specified term of the scheme up to the material time has always been, a qualified bond arrangement; and

(b) the scheme at the material time complies with, and from the commencement of the specified term up to the material time has always complied with—

(i) the bond-issuer as conduit condition; and

(ii) the investment arrangement as financial liability condition.

(3) Despite subsection (2) but subject to section 47H(6), an arrangement in a scheme is to be regarded (except in relation to section 47J) as never having been a qualified investment arrangement in a specified alternative bond scheme if an IA disqualifying event occurs in relation to the arrangement at any time during the specified term.

(4) In this section—

IA disqualifying event (喪失投資安排資格事件) (喪失投資安排資格事件), in relation to an arrangement in a scheme that has been claimed or accepted to be a qualified investment arrangement in a specified alternative bond scheme for the purposes of determining the stamp duty (if any) with which an instrument is chargeable, means—

(a) the scheme is not a specified alternative bond scheme at any time during the specified term of the scheme; or

(b) although the scheme is a specified alternative bond scheme at all times during the specified term of the scheme, the scheme fails to comply with any of the conditions specified in subsection (1) or (2)(b) at any time during the specified term.
(5) For the purposes of this section, provisions of Schedule 17A to the Inland Revenue Ordinance (Cap. 112) relating to the calculation of the investment return under a specified investment arrangement apply—

(a) in the same way in which those provisions apply to the calculation of the investment return under a specified investment arrangement for the purposes of that Ordinance; and

(b) as if a reference to the Commissioner in those provisions were a reference to the Collector.

47E. Alternative bond under qualified bond arrangement regarded as bond

For the purposes of this Ordinance—

(a) the bond-holders under a qualified bond arrangement in a specified alternative bond scheme are to be regarded as not having any legal or beneficial interest in the specified asset under the specified alternative bond scheme; and

(b) an alternative bond issued under such a qualified bond arrangement is to be regarded as a bond to which neither paragraph (b) nor (c) of the definition of loan capital in section 2(1) applies.

47F. Relief on transactions under qualified investment arrangement

(1) Subject to sections 47H, 47I and 47L, an instrument is not chargeable with stamp duty under head 1(1), 1(1AA), 1(1A), 1(1B), 1(2), 2(1), 2(3) or 2(4) in the First Schedule or under section 29D(2)(a) if the requirements under subsections (2) and (3) are complied with in relation to the instrument.

(2) It must be shown to the satisfaction of the Collector that—
(a) the instrument is executed under a qualified investment arrangement in a specified alternative bond scheme either—

(i) to effect a transaction that is a specified asset transaction between O and BI or an asset transaction between O and BU under that qualified investment arrangement (IA transaction); or

(ii) as an agreement for an IA transaction; or

(b) the instrument is required by this Ordinance to be made and executed for effecting an IA transaction.

(3) Security must be given to the satisfaction of the Collector for the payment of—

(a) the stamp duty that, but for this section, would have been chargeable on the instrument; and

(b) other amounts that, but for this section, would have been payable under this Ordinance.

47G. Relief resulting from modification of sections 29CA and 29DA in relation to property held, or formerly held, under qualified investment arrangement

(1) Sections 29CA and 29DA apply, with the modifications specified in Schedule 6, to an agreement for sale or a conveyance on sale if it is shown to the satisfaction of the Collector that—

(a) the agreement or conveyance falls within section 1 of that Schedule; and

(b) the requirements under subsection (2) or (3) are complied with.
(2) If the operation of subsection (1) will result in the agreement or conveyance not being chargeable with special stamp duty under head 1(1B) or 1(1AA) in the First Schedule, security must be given to the satisfaction of the Collector for the payment of—

(a) the special stamp duty that, but for subsection (1), would have been chargeable on the agreement or conveyance; and

(b) other amounts that, but for subsection (1), would have been payable under this Ordinance.

(3) If the operation of subsection (1) will result in the agreement or conveyance being chargeable with special stamp duty under head 1(1B) or 1(1AA) in the First Schedule of an amount that is less than the amount that would have been chargeable but for subsection (1), security must be given to the satisfaction of the Collector for the payment of—

(a) the amount by which the special stamp duty chargeable will be reduced by the operation of subsection (1); and

(b) the excess of the amounts (other than the special stamp duty) that, but for subsection (1), would have been payable under this Ordinance over the amounts (other than the special stamp duty) that will be payable with the operation of subsection (1).

(4) In this Ordinance, a reference to relief granted under this section for an agreement for sale or a conveyance on sale is a reference to the fact that the agreement or conveyance is stamped on the basis—

(a) that the agreement or conveyance is not chargeable with special stamp duty under head 1(1B) or 1(1AA) in the First Schedule because of subsection (1); or
47H. Relief granted under section 47F or 47G deemed withdrawn

(1) This section applies if—

(a) a claim for relief from stamp duty has been made under section 47F or 47G for any instrument, alleging that—

(i) an arrangement (alleged qualified investment arrangement) in a scheme (alleged specified ABS) is a qualified investment arrangement in a specified alternative bond scheme; and

(ii) particular persons are respectively the originator and bond-issuer under the alleged specified ABS (alleged originator and alleged bond-issuer); and

(b) an IA disqualifying event occurs in relation to the alleged qualified investment arrangement.

(2) If this section applies—

(a) the alleged originator and alleged bond-issuer under the alleged specified ABS must inform the Collector, in writing, of the IA disqualifying event within 30 days after the event occurs;

(b) if any relief from stamp duty has been granted by the Collector under section 47F or 47G for the instrument, then subject to section 13(6)—

(i) the relief is deemed to be withdrawn;

(ii) for a relief granted under section 47F, the parties to the instrument are liable or jointly and severally liable (as the case requires) to
pay to the Collector, by way of stamp duty, an amount equal to the stamp duty that would have been chargeable on the instrument had the relief not been granted;

(iii) for a relief granted under section 47G for an instrument that is an agreement for sale or a conveyance on sale, the vendor under the agreement or the transferor under the conveyance (as the case requires) is liable to pay to the Collector, by way of stamp duty, an amount equal to—

(A) for an agreement or a conveyance that is not chargeable with special stamp duty because of the relief—the special stamp duty that would have been chargeable on the agreement or conveyance had the relief not been granted; or

(B) for an agreement or a conveyance that, because of the relief, is chargeable with special stamp duty of an amount that is less than the amount that would have been chargeable but for the relief—the amount by which the special stamp duty chargeable is reduced because of the relief; and

(iv) the amount payable under subparagraph (ii) or (iii) must be paid—

(A) within 30 days after the IA disqualifying event occurs; or

(B) if there are 2 or more IA disqualifying events, within 30 days after the earliest IA disqualifying event occurs.

(3) If the amount payable under subsection (2)(b)(ii) or (iii) is not paid within the 30 days referred to in subsection (2)(b)(iv)—
