

## FORESHORE AND SEA-BED (RECLAMATIONS) ORDINANCE (Chapter 127)

(Notice of authorization under section 9)

PROPOSED 11KV SUBMARINE CABLES  
FROM LIU KO NGAM TO PAK SHA TAU TSUI AT KAT O

It is hereby notified that the undertaking in relation to the foreshore and sea-bed described in the Schedule below as mentioned in G.N. 4127 published under section 5 on 18 July 2014 and 25 July 2014 was authorized under section 7 by the Chief Executive on 7 October 2014.

A copy of the plan relating to the proposed undertaking and a copy of this notice may be inspected by the public free of charge on the Lands Department website ([www.landso.gov.hk](http://www.landso.gov.hk)) under Government Notices, at the Lands Department Survey and Mapping Office, 23rd Floor, North Point Government Offices, 333 Java Road, North Point, Hong Kong (where copies can be purchased on order) and at the North District Office, Public Enquiry Service Centre, Ground Floor, North District Government Offices, 3 Pik Fung Road, Fanling, New Territories during the following hours:—

*Lands Department Survey and Mapping Office*

Monday to Friday	8.45 a.m. to 5.30 p.m.
Saturdays, Sundays and Public Holidays	closed

*North District Office*

Monday to Friday	9.00 a.m. to 7.00 p.m.
Saturdays, Sundays and Public Holidays	closed

Any person who considers that he has an interest, right or easement in or over such foreshore and sea-bed that will be injuriously affected by the undertaking may deliver a written claim for compensation for the injurious affection to the Director of Lands, 20th Floor, North Point Government Offices, 333 Java Road, North Point, Hong Kong before the expiration of 1 year from the date of publication of this notice in the *Gazette*, stating the sum of money which he is willing to accept in full and final settlement of his claim together with such particulars as he may possess to substantiate the claim.

## SCHEDULE

*Description of the undertaking and the manner  
in which the foreshore and sea-bed will be  
affected by the proposed undertaking**Foreshore and sea-bed affected*

Approximately 1.58 hectares of foreshore and sea-bed situated in Tsing Chau Lek between Liu Ko Ngam and Pak Sha Tau Tsui at Kat O as delineated and shown edged red on a plan, numbered DNM2982 deposited in the Land Registry.

- (i) A pair of 11kV submarine cables of approximately 880 metres in length will be laid from Liu Ko Ngam to Pak Sha Tau Tsui at Kat O in Tsing Chau Lek. The proposed submarine cables will be mainly buried by jetting method. A jetting machine will be used to liquefy the seabed sediments through water jets which allow the cables to be laid into the seabed to the desired burial depth from 2.9 metres to 5 metres. The proposed cables will be approximately 30 metres apart when they are buried.

- (ii) At shallow water area near the landing points, conventional dredge-burial method and rock cutting method will be used for burying the proposed submarine cables in a common trench with a width of 8 metres (1 metre wide at coral zone) and a depth of 0.6 to 0.8 metre below sea-bed approximately. The cables will not be more than 2.2 metres apart.
- (iii) Precast concrete slab and cast iron sleeve pipes will be installed to protect the cables at shallow water area near the landing points.

*17 October 2014*

*C. S. MILLS Deputy Director/Specialist, Lands Department*
