In accordance with Section 18(4) of the Hospital Authority Ordinance, it is hereby notified that in respect of the public hospitals set out in Schedules 1 and 2 of the Hospital Authority Ordinance, the Hospital Governing Committees and the Hospital Authority have, in exercise of their respective powers under Sections 18(1) and (2) of the Hospital Authority Ordinance, determined that the fees payable for hospital services as set out in S.S. No. 4 to Gazette No. 13/2003 (G.N.(S.) 44 of 2003) as amended by G.N. 4094 to Gazette No. 34/2005 and G.N. 626 to Gazette No. 4/2007 and G.N. 6864 to Gazette No. 43/2007 and G.N. 4419 to Gazette No. 28/2010 and G.N. 7020 to Gazette No. 45/2010 and G.N. 3179 to Gazette No. 19/2012 and G.N. 3499 to Gazette No. 20/2012 and G.N. 1488 to Gazette No. 12/2013 and G.N. 5708 to Gazette No. 39/2013 will be revised with effect from 18 June 2017 as follows:

(a) Appendix I to the amended S.S. No. 4 to Gazette No. 13/2003 (G.N.(S.) 44 of 2003) will be revised by replacing the table of contents with the table of contents as set out in (i) below, replacing the fees in Sections 1.1 to 1.5 as set out in (ii) below; replacing the fees in Sections 2.1 to 2.5 with the fees as set out in (iii) below; and replacing Sections 3.1 and 3.6 as set out in (iv) below:-

(i)

LIST OF PUBLIC CHARGES

TABLE OF CONTENTS

1. Eligible Persons

1.1 Inpatient charges for public wards
1.2 Inpatient charges for special accommodation wards
1.3 Outpatient charges
1.4 Day hospital / day procedure charges
1.5 Charges for community services
1.6 Charges for dental treatment

2. Non-eligible Persons

2.1 Inpatient charges for public wards
2.2 Outpatient charges
2.3 Charges for day procedure
2.4 Charges for day hospitals
2.5 Charges for community services
2.6 Charges for dental treatment
2.7 Charges for obstetrics services

3. General

3.1 Diseases under the International Health Regulations (IHR) of the World Health Organisation (WHO)
3.2 Mentally handicapped patients
3.3 Tuberculosis, sexually transmitted diseases and leprosy
3.4 Transfers
3.5 Privately purchased medical items
3.6 Organs/haematopoietic stem cells transplantation

(ii)

**PUBLIC CHARGES – ELIGIBLE PERSONS**

1.1 Inpatient charges for public wards

(a) Public ward maintenance fee includes charges for clinical, biochemical and pathology investigations (including consultation, diagnostic imaging and other examinations), vaccines and general nursing, where such examinations or treatments are necessary, and prescriptions within the scale provided at the hospitals and clinics. However, no charge will be made in respect of patients admitted into public wards for those acute infectious diseases as set out in Sections 3.1 and 3.3.

(b) The rates of maintenance fee per day or part thereof, including patients using day wards, are as follows:

<table>
<thead>
<tr>
<th>Type of Bed</th>
<th>Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>(i) Acute general beds</td>
<td>120</td>
</tr>
<tr>
<td>(ii) Convalescent/Rehabilitation, Infirmary and Psychiatric beds</td>
<td>100</td>
</tr>
</tbody>
</table>

(c) An admission fee of $75 will be charged for the first day of hospitalization in respect of acute general beds. This admission fee will be exempted if the patient is referred from Accident & Emergency Department.

(d) Children under twelve years of age are charged half the maintenance fees appropriate to the type of bed occupied. All other fees are the same as those for adults.

(e) Babies who cannot be discharged at the same time as their mothers are charged half the maintenance fee appropriate to the type of bed occupied. All other fees are the same as those for adults.

(f) For persons accompanying a patient and occupying a bed, the following daily maintenance fee will apply:

<table>
<thead>
<tr>
<th>Type of Bed</th>
<th>Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>(i) Acute general beds</td>
<td>120</td>
</tr>
<tr>
<td>(ii) Convalescent/Rehabilitation, Infirmary and Psychiatric beds</td>
<td>100</td>
</tr>
</tbody>
</table>
(g) The rate of maintenance fee per month for patients occupying an infirmary bed in Cheshire Home, Chung Hom Kok or Cheshire Home, Shatin is $2,370.

(h) Where a patient is admitted into a public ward of a hospital and provided with European Diet or Special Asian Diet meals, the following charges in addition to the daily maintenance fee specified above will apply:

<p>| | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Special Asian Diet</td>
<td>100</td>
</tr>
<tr>
<td>European Diet</td>
<td>200</td>
</tr>
</tbody>
</table>

1.2 Inpatient charges for special accommodation wards

(a) For patients admitted to special accommodation wards, the rates of maintenance fee per day or part thereof charged by the two hospitals with such wards are as follows:

<p>| | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Pamela Youde Nethersole Eastern Hospital</td>
<td>3,040</td>
</tr>
<tr>
<td>Ruttonjee Hospital</td>
<td>2,100</td>
</tr>
</tbody>
</table>

(b) Special accommodation ward maintenance fee includes charges for clinical, biochemical and pathology investigations (including consultation, diagnostic imaging and other examinations), vaccines and general nursing, where such examinations or treatments are necessary, and prescriptions within the scale provided at the hospitals and clinics.

(c) Children under twelve years of age admitted into the special accommodation ward are charged half the maintenance fee. All other fees are the same as those for adults.

(d) Babies who cannot be discharged at the same time as their mothers are charged half the maintenance fee. All other fees are the same as those for adults.

(e) A daily maintenance fee of $120 will apply for persons accompanying a patient and occupying a bed.

(f) Where a patient is admitted into a special accommodation ward of a hospital and provided with European Diet or Special Asian Diet meals, the following charges in addition to the daily maintenance fee specified above will apply:

<p>| | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Special Asian Diet</td>
<td>100</td>
</tr>
<tr>
<td>European Diet</td>
<td>200</td>
</tr>
</tbody>
</table>

1.3 Outpatient charges

(A) The charges for medical attention and treatment which include the costs of prescriptions (except for the costs of prescriptions relating to attendance at a specialist clinic), pathology investigations, radiology and other examinations are as follows:

<p>| | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Attendance at an Accident &amp; Emergency Department</td>
<td>180</td>
</tr>
<tr>
<td>Attendance at a general clinic</td>
<td>50</td>
</tr>
</tbody>
</table>
| Attendance at a specialist clinic (including allied health clinic)  
- First attendance                   | 135 |
| - Subsequent attendance              | 80 |
| Attendance at a clinic or hospital for injection or dressing | 19 |
(c) Attendance at a hospital for ante-natal or post-natal care, or attendance at a tuberculosis and chest clinic

No charge

(B) A charge at $15 per item will apply for prescriptions relating to attendance at a specialist clinic.

(C) No charge will be made for Eligible Persons attending a general clinic, or a specialist clinic (excluding allied health clinic), receiving physiotherapy, occupational therapy, injection or dressing at Tung Wah Eastern Hospital, Tung Wah Hospital or Kwong Wah Hospital. Prescriptions relating to attendance at a specialist clinic will be charged at $15 per item.

1.4 Day hospital / day procedure charges

(A) For each attendance at a day hospital, the following rates of charges per attendance will apply:

<table>
<thead>
<tr>
<th>Description</th>
<th>Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>(a) Psychiatric day hospital</td>
<td>60</td>
</tr>
<tr>
<td>(b) Geriatric day hospital</td>
<td>60</td>
</tr>
<tr>
<td>(c) Rehabilitation day hospital</td>
<td>55</td>
</tr>
</tbody>
</table>

Where a meal or meals are provided, the following charges in addition to the attendance fee specified above will be made for each attendance:

<table>
<thead>
<tr>
<th>Description</th>
<th>Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>Special Asian Diet</td>
<td>80</td>
</tr>
<tr>
<td>European Diet</td>
<td>160</td>
</tr>
</tbody>
</table>

No additional charge will apply for meals with Asian Diet.

(B) For each attendance for day procedure and treatment at a Clinical Oncology clinic or Renal clinic/centre, a fee of $96 will be charged.

(C) Other than (B), each attendance for day procedure and treatment in an ambulatory facility will be charged at the rate same as inpatient charges for acute general beds as specified in sections 1.1(b)(i), 1.1(c) and 1.1(d).

1.5 Charges for community services

For the provision of community services, the following rates of charges will apply:

<table>
<thead>
<tr>
<th>Description</th>
<th>Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>(a) Community nursing service</td>
<td>80</td>
</tr>
<tr>
<td>(b) Community allied health service</td>
<td>80</td>
</tr>
</tbody>
</table>

No charge will be made for the provision of community psychiatric nursing service.
PUBLIC CHARGES – NON-ELIGIBLE PERSONS

2.1 Inpatient charges for public wards

(a) Public ward maintenance fee includes charges for clinical, biochemical and pathology investigations (including consultation, diagnostic imaging and other examinations), vaccines and general nursing, where such examinations or treatments are necessary, and prescriptions within the scale provided at the hospitals and clinics. However, no charge will be made in respect of patients admitted into public wards for those acute infectious diseases as set out in Section 3.1.

(b) The rates of maintenance fee per day or part thereof for public wards, including patients using day wards, are as follows:

(i) General hospitals:
- General wards: $5,100
- Intensive care wards/units: $24,400
- High dependency wards/units: $13,650
- Nursery: $1,340

(ii) Psychiatric hospitals: $2,340

(c) A daily maintenance fee of $810 will apply for persons accompanying a patient and occupying a bed.

(d) Where a patient is admitted into a public ward of a hospital and provided with Special Asian Diet or European Diet meals, the following charges in addition to the daily maintenance fee specified above will be made:

- Special Asian Diet: $115
- European Diet: $230

2.2 Outpatient charges

The charges for medical attention and treatment which include the costs of prescriptions, pathology investigations, radiology and other examinations are as follows:

(a) Attendance at an Accident & Emergency Department: $1,230
(b) Attendance at a general clinic: $445
(c) Attendance at a specialist clinic (including allied health clinic): $1,190
(d) Attendance at a clinic or hospital for injection or dressing: $100

2.3 Charges for day procedure

(A) For patients attending day procedure and treatment session for Haemodialysis at a Renal clinic/centre or other ambulatory facility, the following charges will apply per attendance:

(a) Chronic Haemodialysis: $3,000
(b) Acute Haemodialysis: $6,000
The above charges do not cover charges for prescriptions, radiology, pathology and
diagnostic/therapeutic procedures, which will be made at the rates prescribed in the List
of Private Charges as set out in Appendix II.

(B) For patients attending a Clinical Oncology clinic or an Ophthalmic clinic for day
procedure and treatment, the following charges will apply per attendance:

<table>
<thead>
<tr>
<th>Service</th>
<th>Charge</th>
</tr>
</thead>
<tbody>
<tr>
<td>Clinical Oncology clinic</td>
<td>895</td>
</tr>
<tr>
<td>Ophthalmic clinic</td>
<td>725</td>
</tr>
</tbody>
</table>

The above charges do not cover charges for prescriptions, radiology, pathology and
diagnostic/therapeutic procedures, which will be made at the rates prescribed in the List
of Private Charges as set out in Appendix II.

(C) Other than (A) and (B), each attendance for day procedure and treatment in an
ambulatory facility will be charged at the rate same as inpatient charges for general
wards as specified in section 2.1(b)(i).

2.4 Charges for day hospitals

For each attendance at a day hospital, the following rates of charges per attendance will
apply:

<table>
<thead>
<tr>
<th>Service</th>
<th>Charge</th>
</tr>
</thead>
<tbody>
<tr>
<td>Psychiatric day hospital</td>
<td>1,260</td>
</tr>
<tr>
<td>Geriatric day hospital</td>
<td>1,960</td>
</tr>
<tr>
<td>Rehabilitation day hospital</td>
<td>1,320</td>
</tr>
</tbody>
</table>

Where a meal or meals are provided, the following charges in addition to the attendance fee
specified above will be made for each attendance:

<table>
<thead>
<tr>
<th>Service</th>
<th>Charge</th>
</tr>
</thead>
<tbody>
<tr>
<td>with Special Asian Diet</td>
<td>93</td>
</tr>
<tr>
<td>with European Diet</td>
<td>185</td>
</tr>
</tbody>
</table>

No additional charge will apply for meals with Asian Diet.

2.5 Charges for community services

For the provision of community services, the following rates of charges will apply:

<table>
<thead>
<tr>
<th>Service</th>
<th>Charge</th>
</tr>
</thead>
<tbody>
<tr>
<td>Community nursing service (per visit)</td>
<td>535</td>
</tr>
<tr>
<td>Community psychiatric nursing service (per visit)</td>
<td>1,550</td>
</tr>
<tr>
<td>Community allied health service (per visit)</td>
<td>1,730</td>
</tr>
</tbody>
</table>
3.1 Diseases under the International Health Regulations (IHR) of the World Health Organisation (WHO)

Patients suffering from or suspected to be suffering from:
(a) diseases that may constitute a public health emergency of international concern for which under the mechanism of WHO a single case, irrespective of context, requires immediate notification to the WHO; or

(b) diseases that have demonstrated the potential to cause a serious health impact and to spread rapidly across borders

as specified under the prevailing IHR, and admitted to a public hospital will not be charged for medical treatment or maintenance.

Note: A list of diseases as specified under the prevailing IHR is available at the website of the Hospital Authority (http://www.ha.org.hk > Patients > Service Guides > Fees and Charges).

3.6 Organs/haematopoietic stem cells transplantation

(a) Subject to (c), no fee is to be charged to potential living organ donors and potential living haematopoietic stem cells donors for investigations solely related to the assessment of their suitability to donate the required organ or haematopoietic stem cells;

(b) Subject to (c), no fee is to be charged to living organ donors and living haematopoietic stem cells donors for pre-harvesting workup/investigation, organ removal or haematopoietic stem cells harvesting operation/procedures and subsequent clinical follow-up consultation/treatment as determined by a clinician to be directly related to the organ removal or haematopoietic stem cells harvesting; and

(c) If private inpatient and/or outpatient services are provided to the donors, the fees payable by them shall be those specified in the List of Private Charges set out in Appendix II.

(b) Appendix II to the amended S.S. No. 4 to Gazette No. 13/2003 (G.N. (S.) 44 of 2003) will be revised by replacing the table of contents with the table of contents set out in (i) below; and replacing the fees in Sections 1 to 7 as set out in (ii) below:-
LIST OF PRIVATE CHARGES

(ii)

1. INPATIENT CHARGES

1.1 Inpatient Maintenance Fee

(a) Inpatient maintenance fee includes charges for general nursing, core pathology investigations (as defined in section 3.1(a)), catering, and domestic services. The maintenance fee for newborns also covers basic examination by obstetricians, and basic immunization and injections (Bacille Calmette-Guerin (BCG), Polio, Hepatitis B, and Vitamin K1). Doctor fees and other services are charged separately as per sections 1.2 and 1.3.

(b) The rates of maintenance fee per day or part thereof, including patients using day wards, are as follows:

<table>
<thead>
<tr>
<th></th>
<th>1st Class</th>
<th>2nd Class</th>
</tr>
</thead>
<tbody>
<tr>
<td>(i) Acute Hospitals</td>
<td>6,650</td>
<td>4,430</td>

<td>9,500</td>
</tr>
<tr>
<td></td>
<td>1,190</td>
<td></td>
</tr>
</tbody>
</table>

Note: Acute hospitals are hospitals which provide accident and emergency services.

(c) For persons accompanying a patient and occupying a bed, the following daily maintenance fee will apply:

<table>
<thead>
<tr>
<th></th>
<th>1st Class</th>
<th>2nd Class</th>
</tr>
</thead>
<tbody>
<tr>
<td>All Hospitals</td>
<td>1,300</td>
<td>870</td>
</tr>
</tbody>
</table>

1.2 Doctor Fee

| Medical Attendance / Consultation (per visit per specialty) | $680 – 2,780 |
1.3 Charges for services not covered by Inpatient Maintenance Fee

(a) The charges not covered by inpatient maintenance fee will be made at the rates as specified in Sections 3 to 7. A detailed list is available at the admission office / finance office of hospitals / website of the Hospital Authority.

(b) Medication and prostheses will be charged separately at cost.

(c) The charge for a treatment or test item not specifically listed in Sections 3 to 7 will be determined by the consultant attending the patient on the basis of market rate, which should at least be at full cost.

(d) Where the charge for a service is specified in a range, the amount to be paid by a patient will be determined by the consultant attending the patient, taking into account the nature of the treatment.

(e) Where a patient is required to be treated as an outpatient, the outpatient charges stipulated in Section 2 will apply.

2. OUTPATIENT / DAY PROCEDURE CHARGES

2.1 Consultation Fee

(a) Patients referred from private medical practitioners or discharged from private wards and attending designated private specialist outpatient sessions will be charged the private outpatient consultation fee as follows:

$\begin{align*}
\text{(i)} & \quad \text{For initial consultation} & \quad 790 – 2,210 \\
\text{(ii)} & \quad \text{For each subsequent follow up consultation} & \quad 640 – 1,990
\end{align*}$

(b) Private ward patients requiring outpatient follow up after discharge will be charged the follow up consultation rate.

(c) The consultation fee does not include the supply of medicines, prostheses, diagnostic services or therapeutic treatments referred to in Sections 3 to 7. Medication and prostheses will be separately charged at cost. Alternatively, patients may purchase the medication and prostheses privately.

2.2 Charges for Nursing Procedures

Patients attending a clinic or hospital for minor nursing procedures (such as dressing or injection) only (i.e. without the need for doctor consultation) will be charged at $360 per attendance.

2.3 Outpatient / Day Procedure Charges

(a) Diagnostic services and therapeutic treatments performed outside an operating theatre and without general anaesthesia will be charged the private charge rates as specified in Sections 3 to 5. Whereas procedures performed in an operating theatre and / or under general anaesthesia will be charged the private charge rates as specified in Section 6. Rehabilitation and outreach services will be charged the private charge rates as specified in Section 7.

(b) The charge for a treatment or test item not specifically listed in Sections 3 to 7 will be determined by the consultant attending the patient on the basis of market rate, which should at least be at full cost.
(c) Where the charge for a service is specified in a range, the amount to be paid by a patient will be determined by the consultant attending the patient, taking into account the nature of the treatment.

3. CHARGES FOR PATHOLOGY SERVICES
(A reference list of services covered is at Annex I*.)

3.1 (a) For inpatients, core pathology investigations are covered by the daily maintenance fee and not separately charged. The core pathology investigations include:

(i) Complete blood count
(ii) Liver function test profile (Alkaline phosphatase, Bilirubin (total), Alanine aminotransferase (Serum glutamate pyruvate transaminase)(ALT(SGPT)), Total protein and Albumin)
(iii) Renal function test profile (Creatinine, Potassium, Sodium and Urea)
(iv) Cord blood Glucose 6-phosphate dehydrogenase (G6PD) and Thyroid stimulating hormone (TSH)

All other pathology services will be charged separately.

(b) For outpatients, all pathology services, including core pathology investigations, will be charged separately.

3.2 Charges for Pathology Investigations by Discipline

$ (a) Anatomical Pathology
   (i) Histopathology 1,730 – 3,860
   (ii) Cytology 580 – 3,480
   (iii) Post-mortem Examination 13,650
   (iv) Case Review and Special Procedures 580 – 13,650

(b) Microbiology
   (i) General Bacteriology 155 – 1,730
   (ii) Serology 245 – 920
   (iii) Parasitology 315 – 710
   (iv) Virology 135 – 1,240

(c) Chemical Pathology
   (i) Blood 120 – 1,860
   (ii) Dynamic Function Tests 245 – 13,800
   (iii) Cerebrospinal Fluid 125 – 745
   (iv) Urine 125 – 1,240
   (v) Other Body Fluids 125 – 745
   (vi) Miscellaneous 125 – 1,860

(d) Haematology and Serology
   (i) Blood Group Serology 75 – 2,480
   (ii) Routine Haematology 75 – 315
   (iii) Coagulation 135 – 2,240
   (iv) Special Haematology (Red Cell) 110 – 745
(v) Special Haematology (Others)  125 – 1,990  
(vi) Conventional Cytogenetic Studies  9,300  

(e) Immunology  
(i) Serology  125 – 1,630  
(ii) Special Immunology and Cell Function  150 – 1,860  

(f) Special Pathology  
(i) Molecular Cancer Testing  930 – 46,500  
(ii) Molecular Genetics  1,860 – 22,050  
(iii) Molecular Microbiology and Infection  680 – 2,480  
(iv) Transplantation and Immunogenetics  620 – 4,340  
(v) Miscellaneous Special Tests  680 – 9,300  

Note: 
1. The Consultant Pathologists may refuse any sample that is considered not suitable for examination.  
2. Samples submitted for examination will remain the property of the Hospital Authority and may be disposed of in any way considered suitable by the Consultant Pathologists.  
3. The above charges include the issue of one copy of examination report.  

4. **CHARGES FOR RADIOLOGY SERVICES**  
(A reference list of services covered is at Annex II*.)

<table>

</tr>
</tbody>
</table>

Note: 
1. For examinations in Groups II, III and VII which may be conducted together with an operation, the operation will be charged separately.  
2. For Groups III, VI and VII, specific consumables or radio-pharmaceuticals are charged separately in addition to the charge of examination.  
3. Where a radiology examination has to be repeated due to technical failure, there will be no extra charge.  
4. All films remain the property of the Hospital Authority.
5. CHARGES FOR DIAGNOSTIC / THERAPEUTIC PROCEDURES

(A reference list of services covered is at Annex III*.)

5.1 Minor Studies / Procedures (Pathology services are charged separately)

(a) Non-Invasive 470 – 1,650
(b) Invasive 785 – 5,000

5.2 Cardiology

(a) Ambulatory Studies / Procedures:
   (i) Category I 770 – 2,360
   (ii) Category II 2,830
   (iii) Category III 4,390 – 9,910

(b) Invasive Studies / Procedures (Devices and stents etc. are charged separately)
   (i) Category I 9,610 – 27,300
   (ii) Category II 21,000 – 44,850
   (iii) Category III 16,450 – 87,750
   (iv) Category IV 45,050 – 152,500

5.3 Respiratory Medicine

(a) Lung Function Tests:
   (i) Minor 1,260
   (ii) Major 2,830
   (b) Allergy Test 2,360 – 5,500

5.4 Nephrology / Urology

(a) Haemodialysis
   For each treatment session, the following fees will apply:
   (i) Chronic 3,290
   (ii) Acute 6,580
   Note: Prescriptions, radiology and pathology services will be charged separately

(b) Automated peritoneal dialysis (for each treatment session) 3,290
(c) Extra-corpooreal shockwave lithrotripsy (ESWL) (one side) 16,450
(d) Urodynamics investigation:
   (i) Basic 795 – 1,650
   (ii) Special 1,650 – 7,870
   (e) Tenckhoff catheter insertion 10,950
   (f) Tenckhoff catheter exit site care 305
   (g) Continuous renal replacement therapy 6,580

5.5 Neuro-electrophysiology 1,200 – 22,500

5.6 Endoscopy and Biopsy (where general anaesthesia is not required)

(a) Endoscopy
   (i) Category I 1,570
   (ii) Category II 1,570 – 7,870
(iii) Category III 7,870 – 40,000
(iv) Category IV 30,000 – 90,000

(b) Biopsy
(i) Category I 785
(ii) Category II 785 – 6,290

Note: Pathology services are charged separately.

5.7 Clinical Genetics

(a) Chromosomal studies 4,390 – 5,490
(b) Molecular cytogenetics 5,490 – 21,950
(c) Molecular genetics 3,290 – 32,900

5.8 Gynaecology

(a) Colposcopy (Histopathology services are charged separately) 2,740 – 14,250
(b) Diagnostic hysteroscopy 7,680 – 18,650
(c) Operative hysteroscopy 16,450 – 23,050
(d) Endometrial sampling / Vabra aspiration 550 – 2,190
(e) IUCD insertion / removal 550 – 2,190
(f) Mirena insertion 1,650 – 3,290
(g) Mirena removal 550 – 2,190
(h) Endometrial ablation 23,050
(i) Urodynamic study 795 – 9,000
(j) Cystoscopy +/− biopsy 6,580
(k) Assisted reproduction (Drugs are charged separately)
   (i) Cycle monitoring (including scanning and hormonal assays +/− ovarian stimulation, and intrauterine insemination) 2,250 – 19,750
   (ii) Intra-uterine insemination 5,490 – 6,690
   (iii) Oocyte retrieval, gamete handling and embryo culture 9,980 – 37,500
   (iv) Embryo transfer procedure 2,300 – 5,270
   (v) Laboratory charge for intracytoplasmic sperm injection / Embryos freezing / Embryos thawing 3,730 – 12,050
   (vi) Gametes freezing (sperm) 1,100 – 5,490
   (vii) Gametes freezing (oocyte) 3,730 – 40,000
   (viii) Gametes thawing (sperm) 550 – 2,190
   (ix) Gametes thawing (oocyte) 3,730 – 21,950

5.9 Obstetrics

(a) Antenatal exercise and education (per program) 2,740
(b) Antenatal diagnosis and monitoring of fetal well-being 880 – 5,590
(c) Intrapartum diagnosis and monitoring of fetal well-being 2,740
(d) Prenatal diagnosis procedures 9,000 – 15,050
(e) Fetal interventional procedures 10,950 – 62,550

5.10 Neonatology and Paediatrics

(a) Standby / Treatment at delivery 4,720
(b) Special diagnostic / therapeutic procedures 4,720 – 12,550
(c) Neonatal transport service 12,550

</tbody>
</table>
- Each additional region 470
- 4D CT 7,500

(v) Magnetic resonance simulation (per session)
- One region (Head, neck, thorax, abdomen, pelvis or extremity) 5,000
- Each additional region 600

(vi) Computer tomography simulation with gating (per session) 7,500

(vii) Computer planning - 2D radiotherapy (per session) 5,660

(viii) Computer planning - 3D conformal radiotherapy (per session) 15,750

(ix) Advanced computer planning – 3D conformal radiotherapy (per session) 18,000

(x) Computer planning - Intensity modulated arc / radiotherapy (per session) 26,700

(xi) Computer planning - Intensity modulated booster treatment (per session) 15,750

(xii) Computer planning - Stereotactic radiosurgery / radiotherapy (per session) 34,600

(xiii) Computer planning - Stereotactic booster treatment (per session) 14,150

(xiv) Respiratory gating for simulation / trial / training (per session) 1,730

(xv) Injection of opaque markers for IGRT radiotherapy (per session) 12,200 – 18,500

(xvi) Target localization
- 2D contouring (per session) 5,860 – 18,500
- 3D conformal contouring (per session) 18,500 – 36,050
- Intensity modulated contouring (per session) 36,050 – 57,150

(xvii) General anaesthesia for simulation (per session) 5,000

(b) Moulding

(i) Mould-shell preparation
- Simple 3,150
- Complex 6,600

(ii) Mould arising from plan change
- Simple 1,570
- Complex 3,300

(iii) Making of compensator
- Simple 235
- Complex 1,730

(iv) Body immobilization with vacuum cushion / foam 1,420

(v) Casting of shielding blocks
- Simple 1,260
- Complex 2,830

(vi) Special mould or shielding for brachytherapy 5,040

(vii) Moulding for stereotactic radiotherapy 5,510

(viii) Lead mask for superficial X-ray 3,930

(ix) Minor mould room tasks
- Simple 315
- Complex 1,570

(x) General anaesthesia for moulding (per session) 5,000
(c) Teletherapy

(i) Superficial X-ray therapy (per session) 2,590
(ii) Deep X-ray / Electron therapy (per session)
    - 1 to 2 fields / arcs 1,570
    - 3 to 5 fields / arcs 2,360
    - over 5 fields / arcs 3,150
(iii) Intensity modulated arc / radiotherapy (per session) 4,250
(iv) Total body / skin irradiation (per session) 9,430
(v) Stereotactic fractionated radiotherapy
    - first session 34,600
    - each subsequent session 5,510
(vi) Stereotactic radiotherapy, booster treatment (per session) 5,510
(vii) Stereotactic radiosurgery using linear accelerator based system (per session) 39,350
(viii) Dose delivery quality assurance (per session) 2,740
(ix) Treatment verification (per session)
    - with portal films 945
    - with electronic portal imaging / on board imaging 825
    - with computed tomography 1,100
    - with stereotactic imaging 4,390
(x) Irradiation of blood / blood products (per session) 1,570
(xi) Precise positioning device for treatment setup (per session) 1,260
(xii) Respiratory gating for treatment (per session) 1,730
(xiii) Cardiac monitoring for radiotherapy (per session) 785
(xiv) General anaesthesia for treatment delivery (per session) 5,000

(d) Brachytherapy

(i) Target localisation for 3D / image guided brachytherapy (per session) 18,500 – 36,050
(ii) Brachytherapy computer 2D planning (per session) 6,290
(iii) Brachytherapy computer 3D planning (per session) 18,000 – 31,550
(iv) Afterloading brachytherapy (per session)
    - Insertion of applicators under local / topical anaesthesia 5,860 – 9,010
    - Intracavitary insertion of applicators under general anaesthesia 9,430
    - Interstitial insertion of applicators under general anaesthesia 28,300
    - Remote / manual afterloading of radioactive sources into applicators 3,460
(v) Preload brachytherapy (per session)
    - Insertion under local anaesthesia 5,810
    - Insertion under general anaesthesia 31,450
(vi) Systemic radioisotope / radio-pharmaceutical treatment (per course) as out-patient 3,770
(vii) Systemic radioisotope / radio-pharmaceutical treatment (per course) as in-patient 7,870
(viii) Endo-vascular brachytherapy 7,870
(ix) Local / regional injection or instillation of radioisotope / radiopharmaceutical substance 7,870
(x) Selective internal radiotherapy 7,870
Note:
1. Radio-pharmaceuticals required are charged separately at cost.
2. Any associated surgical, cardiology and radiological procedures, and pathology investigations are charged separately.

(e) Chemotherapy

Chemotherapy preparation and administration (per day) 2,400

Note:
1. Chemotherapeutic drugs* will be separately charged at cost.
   *Including cytotoxic agents, targeted drugs, immunotherapeutic agents, etc.
2. For inpatient/day patient case where inpatient maintenance fee has been charged, chemotherapy preparation and administration will not be separately charged as already covered by the inpatient maintenance fee.

5.13 Psychiatry

(a) Electroconvulsive therapy under general anaesthesia (per session) 9,720
(b) Psychotherapy (per session) 3,150
(c) Electroencephalograph (per session) 2,870
(d) Psychological testing (per session) 5,510
(e) Evoked potential investigation (per session) 2,040
(f) Biofeedback (per session) 2,360
(g) Sleep investigation
   - Sleep electroencephalography (EEG) 3,290
   - Polysomnography 4,500
   - Actigraphy 3,290

5.14 Anaesthesiology

(a) Interventional Pain (Relief) Procedure 3,150 – 33,800
(b) For the administration of Epidural Analgesia during labour for pain relief
   (i) Up to 4 hours 7,870
   (ii) Up to 8 hours 11,800
   (iii) Over 8 hours 15,750
(c) Administration of anaesthetics (special request) (per hour) 4,000
(d) Patient Controlled Anaesthesia (PCA)
   (i) Day 0 3,150
   (ii) Subsequent visit 1,350
(e) Epidural Anaesthesia and other regional techniques (EA/RA)
   (i) Day 0 6,290
   (ii) Subsequent visit 1,350
(f) Deep sedation for simple procedure
   (i) For the first hour 5,780
   (ii) For each subsequent hour 4,020
(g) Deep sedation for intermediate procedure and/or intermediate risk patient
   (i) For the first hour 6,930
   (ii) For each subsequent hour 4,820
(h) Deep sedation for complex procedure and/or high risk patient
(i) For the first hour 8,090
(ii) For each subsequent hour 5,630

5.15 Dentistry

Charges for the following dental services will be determined by the Dental Officer attending the patient having due regard to the nature of the treatment:
(a) Conservative treatment
(b) Periodontal treatment
(c) Oral and maxillofacial surgical treatment
(d) Dental radiographs

Note: Prosthetic appliances are charged separately at cost.

5.16 Haematology and Haemopoietic Stem Cell Transplant

(a) Single donor platelet collection 6,580
(b) Leukapheresis 6,580

5.17 General

(a) Bone Marrow Examination 2,390
(b) Removal of Hickman Catheter 2,390
(c) Management of occlusion of Hickman Catheter 2,390
(d) Repair of Hickman Catheter 2,390
(e) Therapeutic Plasma Exchange – Chronic 3,290
(f) Therapeutic Plasma Exchange – Acute 6,580

6. CHARGES FOR OPERATIONS
(Applicable to procedures performed in an operating theatre and / or under general anaesthesia. A reference list of services covered is at Annex IV*.)

$  
(a) Minor I 6,070 – 12,750
(b) Minor II 12,750 – 19,350
(c) Intermediate I 19,350 – 30,450
(d) Intermediate II 30,450 – 37,800
(e) Major I 37,800 – 48,850
(f) Major II 48,850 – 59,950
(g) Major III 59,950 – 72,050
(h) Ultra-major I 72,050 – 88,300
(i) Ultra-major II 88,300 – 110,600
(j) Ultra-major III 110,600 – 471,700

Note: The charge covers surgeon fee, administration of anaesthetics, medicines used in operation, and operating theatre expenses. Special consumables such as implants, prostheses and devices used by the individual patient, and disposable laparoscopic instruments used in the operation are charged separately.
7. CHARGES FOR REHABILITATION AND OUTREACH SERVICES
(A reference list of services covered is at Annex V*.)

7.1 Allied Health

(a) Audiology, Dietetics, Occupational Therapy, Physiotherapy, Prosthetic and Orthotics, Podiatry, Speech Therapy services
   (i) Consultation fee including assessment / treatment / counselling
       550
   (ii) Special consultation / modalities / procedures / items / appliances:
       (1) Allied health special consultation / modalities / procedures
           280 – 5,980
       (2) Allied health items / appliances
           190 – 10,800
       Note: Material costs or consumables used by the individual patient are charged separately.

(b) Clinical Psychology service
   Consultation fee including assessment / treatment / counselling / report writing
   (1) First general consultation
       2,400
   (2) Subsequent general consultation
       1,200
   (3) Special consultation category I
       4,000
   (4) Special consultation category II
       7,200
   (5) Special consultation category III
       11,200

(c) Bereavement Counselling (per session)
    1,180

7.2 Day Rehabilitation Programme

(a) General Day Programme
   (i) Half day
       1,560
   (ii) Full day
       1,760
(b) Psychiatric Day Programme
    1,260

7.3 Community Outreach (per visit)

(a) Community Allied Health Services (including hospice service)
    1,730
(b) Community Nursing Services
    730
(c) Hospice Home Care / Palliative Home Care Services
   (i) Nurse
       1,150
   (ii) Doctor and team
       3,330
(d) Psychiatric Services
   (i) Nurse
       1,990
   (ii) Doctor
       4,790
   (iii) Doctor and team
       6,380

LEONG Chi-yan, John Chairman, Hospital Authority
