Explanatory Note

This Notice amends Schedule 2 to the Pesticides Ordinance (Cap. 133) to add to that Schedule two pesticides, namely Carbofuran and Trichlorfon, that have become subject to the regulation of the Rotterdam Convention on the Prior Informed Consent Procedure for Certain Hazardous Chemicals and Pesticides in International Trade (*Convention*) (see section 3(2)).

2. Further, this Notice also consequentially amends the reference to “蟲蟊威” in that Schedule to “克百威” (both of them are the Chinese names of Carbofuran) to bring it in line with its latest official Chinese common name in the Convention (see section 3(1)).
