

TELECOMMUNICATIONS ORDINANCE (Chapter 106)

Pursuant to section 7C(4) of the Telecommunications Ordinance, the Communications Authority ('CA') hereby gives notice on its proposal to vary the Class Licence for Short Range Device ('Class Licence') to expand its scope to cover:—

- (a) the possession and use of short range devices employing ultra-wideband ('UWB') technology and operating within the 4.2–4.8 GHz and 6–8.5 GHz bands ('UWB devices'), in addition to short range devices operating within the 433–434.79 MHz band ('433 MHz devices') which are covered in the current version of the Class Licence; and
- (b) trading activities in respect of the UWB devices and the 433 MHz devices.

The current version of the Class Licence and the consultation paper on variation to the Class Licence may be downloaded from the website of the Communications Authority at ([https://www.coms-auth.hk/filemanager/common/licensing/SRD\\_Class\\_Licence\\_\(Eng\).pdf](https://www.coms-auth.hk/filemanager/common/licensing/SRD_Class_Licence_(Eng).pdf)) and ([https://www.coms-auth.hk/filemanager/en/content\\_711/cp20180406\\_e.pdf](https://www.coms-auth.hk/filemanager/en/content_711/cp20180406_e.pdf)) respectively. The CA invites members of the public to make representations on the proposed variation to the Class Licence on or before 4 May 2018. Representations should be sent to:—

Office of the Communications Authority  
29th Floor, Wu Chung House  
213 Queen's Road East  
Wan Chai  
Hong Kong  
Attention: Senior Telecommunications Engineer  
(Spectrum Planning 1)  
Fax: 2803 5112  
Email: ([spenq@ofca.gov.hk](mailto:spenq@ofca.gov.hk))

The CA shall consider all the representations before it makes the decision on varying the Class Licence.

6 April 2018
