The Application Withdrawal Form must be duly signed by two Authorised Representatives and submitted in person and by hand to the Authority between 9:00 am and 5:30 pm on the immediately following Business Day after publication of the provisional successful bidder notice of the 3.5 GHz Band Auction or, if a tropical cyclone warning signal number 8 or above or a “black” rainstorm warning is in force in Hong Kong during any of the times on that day, between 9:00 am and 5:30 pm on the immediately following Business Day on which none of the signals remains in force. Late submission of the Application Withdrawal Form will not be accepted.

3.3 Determination as a Qualified Bidder

3.3.1 The Authority will determine whether a Bidder is a Qualified Bidder in accordance with paragraph 3.3.2.

3.3.2 Subject to paragraphs 7.2.1 and 7.8.1, a Bidder will not be determined as a Qualified Bidder -

- (a) unless the Bidder has submitted an Application in compliance with all the requirements set out in Part 2 of this Notice to the satisfaction of the Authority;
- (b) if there is reasonable ground for the Authority to believe that the Bidder has failed to comply, will not comply, or is not capable of complying with all the undertakings given in the Bidder Compliance Certificate;
- (c) unless the Authority is satisfied that the Bidder is not a Connected Bidder in relation to another Bidder; and
- (d) if the Bidder has withdrawn its Application in accordance with paragraph 3.1.4(b) or paragraph 3.2.2.

3.4 Notification as a Qualified Bidder

3.4.1 The Authority will, after making its determination under paragraphs 3.3.1 and 3.3.2, publish a notice (“Qualified Bidder Notice”) which will state the identity of each Bidder which has been determined to be a Qualified Bidder.

3.4.2 Subject to paragraph 3.4.3, on, or as soon as practicable after, publication of the Qualified Bidder Notice, the Authority will return, to each Bidder which has not been determined to be a Qualified Bidder and to each Bidder which has withdrawn its Application pursuant to paragraph 3.1.4(b) or paragraph 3.2.2, that Bidder’s Deposit provided that -

- (a) there is no outstanding investigation being carried out by the Authority against that Bidder in respect of any suspected contravention of the terms and conditions of this Notice; and
- (b) if any amounts have been forfeited by way of Penalty by the Authority in accordance with the terms and conditions of this Notice with respect to that Bidder -
 - (i) where the Deposit is in cash, the Deposit will be returned less the aggregate amount of those Penalties; and

- (ii) where the Deposit is a Letter of Credit, the Authority will make a claim under the Letter of Credit to the extent of the aggregate amount of those Penalties.

3.4.3 Notwithstanding the return to a Bidder of its Deposit in accordance with paragraph 3.4.2, that Bidder must continue to comply with those terms and conditions of this Notice as are specified by the Authority. If the Authority does not specify any terms and conditions in accordance with this paragraph, that Bidder will be required to comply with all of the terms and conditions of this Notice as appropriate, including all the undertakings given in the Bidder Compliance Certificate submitted by that Bidder.

3.5 Situation where no Bidding Stage will take place

3.5.1 If there is no Bidder or no Qualified Bidder, or if there is only one Qualified Bidder, the Authority will publish a notice announcing that the Bidding Stage will not take place.

3.5.2 If there is only one Qualified Bidder, the Authority will notify that Qualified Bidder and that Qualified Bidder must, subject to the Spectrum Cap, select in the Frequency Block Selection Form the Frequency Block it wishes to be assigned. The Frequency Block Selection Form must be duly completed in accordance with the instructions specified therein, signed on behalf of the Qualified Bidder by two Authorised Representatives and submitted to the Authority within the period specified by the Authority. A Frequency Block Selection Form will not be approved by the Authority if it is not duly completed in accordance with the instructions specified therein or is otherwise unclear, or if it contains a selection of Frequency Blocks exceeding the Spectrum Cap. The Authority may, at its discretion, request the Qualified Bidder to make such clarification as may reasonably be required if the Frequency Block Selection Form is not duly completed in accordance with the instructions specified therein or is otherwise unclear. Upon approval of the Frequency Block Selection Form by the Authority, the Qualified Bidder will be the Provisional Successful Bidder of the Frequency Block it has selected in the Frequency Block Selection Form and the Spectrum Utilization Fee payable by the Provisional Successful Bidder will be the Minimum Fee for the Frequency Block selected by the Provisional Successful Bidder. The Authority will publish a notice ("Provisional

Successful Bidder Notice”) to announce the identity of the Provisional Successful Bidder and the Spectrum Utilization Fee payable for the relevant Frequency Block. Procedures and requirements in relation to the Grant Stage as set out in Part 5 of this Notice will apply to the Provisional Successful Bidder.

- 3.5.3 If the Qualified Bidder fails to select a Frequency Block by submitting a duly completed Frequency Block Selection Form within the period specified by the Authority, or fails to make such clarification as required by the Authority in relation to the Frequency Block Selection Form, the Qualified Bidder will not be entitled to assignment of any Frequency Block or the grant of a Licence, and the Authority will forfeit an amount (up to the full amount of the Qualified Bidder’s Deposit) by way of Penalty from the Qualified Bidder’s Deposit where the Deposit is in cash or make a claim under the Letter of Credit to the extent of the relevant amount where the Deposit is a Letter of Credit.

Part 4 – Bidding Stage

4.1 Reference to a Bidder

- 4.1.1 Any reference to a Bidder in this Part means a Qualified Bidder.

4.2 Purpose and structure of the Bidding Stage

- 4.2.1 The purpose of the Bidding Stage is to determine -
- (a) which of the Bidders will become a Provisional Successful Bidder for each Frequency Block; and
 - (b) the amount of Spectrum Utilization Fee payable for each Frequency Block.
- 4.2.2 The Bidding Stage in respect of all Frequency Blocks will be conducted simultaneously and will consist of one or more Rounds in which Bidders may submit Bids for the Frequency Blocks.

4.3 Bidding Stage Notice

- 4.3.1 At least one Business Day before the commencement of the Bidding Stage, the Authority will issue to each Bidder a notice (“Bidding Stage Notice”),

which will provide details of the date and time when the Bidding Stage will commence.

- 4.3.2 If the Authority is of the opinion that it is impractical for the Bidding Stage to commence on the date, or at the time, referred to in the Bidding Stage Notice, it may notify each Bidder of a different date or time, as the case may be. If a different date or time is to be notified, the date or time will not be earlier than that originally notified as the relevant date or time.

4.4 Scheduling of Rounds at the Bidding Stage

- 4.4.1 At the Bidding Stage, Rounds will be scheduled by the Authority at its sole discretion. The Authority may re-schedule the time of a Round as it thinks fit.

4.5 Information to be provided to Bidders prior to each Round

- 4.5.1 Prior to the start of each Round, the Authority will notify each Bidder of -
- (a) the date on, and the time at, which the Round will start and end,
 - (b) the Round Price for each Frequency Block,
 - (c) the number of Valid Bids, if any, received for each Frequency Block in the immediately preceding Round,
 - (d) the Frequency Block, if any, in respect of which the Bidder is the Standing Highest Bidder,
 - (e) the amount, if any, of the Standing Highest Bid for each Frequency Block,
 - (f) the total number of Waivers that may be exercised by the Bidder, and

For the avoidance of doubt, the Authority may at any time provide additional information to the Bidders as it considers appropriate.

4.6 Submission of Valid Bids at the Bidding Stage

- 4.6.1 In the first Round, each Bidder must submit to the Authority a Valid Bid for one Frequency Block. If a Bidder fails to submit a Valid Bid in the first Round, the Authority will disqualify that Bidder from the Auction and forfeit an amount (up to the full amount of that Bidder's Deposit) by way of Penalty from that Bidder's Deposit where the Deposit is in cash or make

a claim under the Letter of Credit to the extent of the relevant amount where the Deposit is a Letter of Credit.

- 4.6.2 In each Round other than the first Round, each Bidder may -
- (a) (i) subject to paragraphs 4.7 and 4.9, elect to submit or not to submit a Valid Bid in respect of any Frequency Block;
 - (ii) subject to paragraphs 4.9 and 4.10, submit a Withdrawal in respect of a Frequency Block for which the Bidder is a Standing Highest Bidder; or
 - (b) subject to paragraphs 4.9 and 4.11, submit a Waiver.
- 4.6.3 For the avoidance of doubt, where a Bidder is a Standing Highest Bidder in respect of a Frequency Block in a Round, it may elect to submit or not to submit a Valid Bid for that Frequency Block in the immediately following Round.

4.7 Valid Bid

- 4.7.1 A Valid Bid, in relation to each Round, is a Bid -
- (a) subject to paragraph 4.13.1(b), equal to the Round Price specified by the Authority prior to the Round;
 - (b) submitted in accordance with the requirements detailed in paragraph 4.12.1; and
 - (c) that complies with the requirements detailed in paragraph 4.9.2.

4.8 Determination of Standing Highest Bid for each Round

- 4.8.1 At the end of each Round, the Authority will determine the Standing Highest Bid among the Valid Bids for each Frequency Block as follows -
- (a) if no Valid Bid is received in a Round in respect of a Frequency Block,
 - (i) where there was a Standing Highest Bid in respect of that Frequency Block at the end of the immediately preceding Round, that Standing Highest Bid will remain as the Standing Highest Bid in respect of that Frequency Block (unless that Standing Highest Bid has been subject to a Withdrawal);
 - (ii) where there was no Standing Highest Bid in respect of that Frequency Block at the end of the immediately preceding Round, there will be no Standing Highest Bid in respect of that Frequency Block;

- (iii) where the Standing Highest Bid in respect of that Frequency Block at the end of the immediately preceding Round has been subject to a Withdrawal, there will be no Standing Highest Bid in respect of that Frequency Block;
- (b) if only one Valid Bid is received in a Round in respect of a Frequency Block, that Valid Bid will be the Standing Highest Bid for that Frequency Block;
- (c) if two or more Valid Bids are received in a Round in respect of a Frequency Block, the Authority will determine at random which of them will be the Standing Highest Bid for that Frequency Block.

4.9 Eligibility Points and Activity Level

- 4.9.1 One Eligibility Point will be attributed to each Frequency Block in accordance with Appendix 2 of this Notice.
- 4.9.2 The Activity Level of a Bidder in a Round must not exceed the number of Eligibility Points attributed to that Bidder for that Round.
- 4.9.3 For the first Round, at most one Eligibility Point will be attributed to each Bidder given the Spectrum Cap.
- 4.9.4 For each Round other than the first Round, the number of Eligibility Points attributed to a Bidder will be equal to the Activity Level of the Bidder in the immediately preceding Round as determined in accordance with paragraph 4.9.5, unless the Bidder submits or is deemed to have submitted a Waiver in the immediately preceding Round in which case the number of Eligibility Points attributed to the Bidder will be equal to the Activity Level of the Bidder in the most immediately preceding Round in which the Bidder did not submit or was not deemed to have submitted a Waiver.
- 4.9.5 The Activity Level of a Bidder in a Round will be the number of Eligibility Points attributed to the Frequency Block in respect of which the Bidder -
 - (a) submits a Valid Bid in that Round; or
 - (b) was the Standing Highest Bidder at the end of the immediately preceding Round (except where the Bidder submits a Valid Bid for that Frequency Block in which case one Eligibility Point is attributed under paragraph 4.9.5(a) or where the Bidder submits a Withdrawal for that Frequency Block in that Round in which case

the Eligibility Point is disregarded in accordance with paragraph 4.10.3).

4.10 Withdrawal

4.10.1 In any Round after the first Round, a Bidder may submit a withdrawal in respect of a Frequency Block (“Withdrawal”) for which the Bidder holds the Standing Highest Bid at the end of the immediately preceding Round. A Withdrawal must be submitted in accordance with the requirements given in paragraph 4.12.1.

4.10.2 In case a Bidder makes a Withdrawal in respect of a Frequency Block in accordance with paragraph 4.10.1, then -

- (a) where one or more Bidders submit Valid Bids in a subsequent Round for that Frequency Block but all the subsequent Valid Bids are lower than that Standing Highest Bid (irrespective of whether the subsequent Valid Bids are also withdrawn), that Bidder is liable to pay the Government the difference between that Standing Highest Bid and the amount of the next subsequent highest Valid Bid (which is in any case lower than that Standing Highest Bid) (irrespective of whether that next subsequent highest Valid Bid is withdrawn or whether it is determined as the Spectrum Utilization Fee), subject to a maximum amount of 30% of that Standing Highest Bid;
- (b) where no other Bidder submits a Valid Bid in any subsequent Round for that Frequency Block, that Bidder is liable to pay the Government 30% of that Standing Highest Bid.

Without prejudice to any other rights or remedies of the Authority, the Authority may deduct from the Deposit of a Bidder or make a claim under the Letter of Credit submitted by a Bidder, the amount that Bidder is liable under this paragraph.

4.10.3 Where, in a Round, a Bidder makes a Withdrawal in respect of a Frequency Block in accordance with paragraph 4.10.1, the Standing Highest Bid which is the subject of the Withdrawal will be disregarded for the purposes of determining the Bidder’s Activity Level for that Round.

4.10.4 The number of Rounds in which each Bidder may make a Withdrawal is limited to one.

4.11 Waiver

4.11.1 In any Round other than the first Round, a Bidder may submit a Waiver in lieu of taking any action under paragraph 4.6.2(a) provided that -

- (a) Waivers were submitted under this paragraph or were deemed to have been submitted by that Bidder in previous Rounds under paragraph 4.11.2 in less than two Rounds; and
- (b) the Bidder is not determined as the Standing Highest Bidder of a Frequency Block at the end of the immediately preceding Round.

A Waiver must be submitted in accordance with the requirements given in paragraph 4.12.1.

4.11.2 In any Round other than the first Round, where a Bidder fails to take any action under paragraph 4.6.2(a) or submit a Waiver under paragraph 4.11.1, the Bidder is deemed to have submitted a Waiver provided that -

- (a) Waivers were submitted under paragraph 4.11.1 or were deemed to have been submitted by that Bidder in previous Rounds under this paragraph in less than two Rounds; and
- (b) the Bidder is not determined as the Standing Highest Bidder of a Frequency Block at the end of the immediately preceding Round.

4.11.3 Where, in a Round, a Bidder submits a Waiver in accordance with paragraph 4.11.1 or is deemed to have submitted a Waiver in accordance with paragraph 4.11.2, the number of Eligibility Points attributed to that Bidder for the immediately following Round will be the same as the Activity Level of the Bidder in the most immediately preceding Round in which the Bidder did not submit or was not deemed to have submitted a Waiver.

4.11.4 At any time during the Bidding Stage, the Authority may, at its sole discretion, increase the number of Waivers that all Bidders may exercise.

4.12 Method for submitting Valid Bid, Withdrawal or Waiver

4.12.1 A Valid Bid, a Withdrawal or a Waiver must be -

- (a) submitted by using the communication method specified by the Authority which may be one or more of the following -

- (i) an Internet-based software platform,
 - (ii) an Intranet-based software platform,
 - (iii) facsimile transmission,
 - (iv) any other method as the Authority may specify;
- (b) submitted by using the form specified by the Authority for the relevant method of communication which is legible and correctly filled out;
- (c) accompanied by the password or other form of authentication for identifying the Bidder in respect of the submission of a Valid Bid, a Withdrawal or a Waiver (such password or form of authentication will be provided by the Authority prior to the Bidding Stage); and
- (d) received by the Authority within the duration of the Round as specified by the Authority prior to the Round.

4.12.2 Once submitted to the Authority, a Valid Bid, a Withdrawal or a Waiver cannot be amended, substituted or withdrawn, other than in accordance with terms and conditions of this Notice.

4.13 Conclusion of Bidding Stage

4.13.1 The Bidding Stage will end upon either -

- (a) the completion of a Round in which -
 - (i) no Valid Bid is submitted for any Frequency Block,
 - (ii) no Withdrawal is submitted for any Frequency Block, and
 - (iii) no Waiver is submitted or is deemed to be submitted by any Bidder; or
- (b) the completion of a Round which the Authority has specified to be the final Round and has permitted the Bidders to submit Valid Bids for the Frequency Blocks at any amount at or above the Round Prices;

whichever first occurs.

In case of paragraph 4.13.1(a), the Provisional Successful Bidder of a Frequency Block will be the Bidder which has submitted the Standing Highest Bid in respect of that Frequency Block at the end of the Bidding Stage and the amount of the Spectrum Utilization Fee payable for that Frequency Block will be the amount of that Standing Highest Bid.

In case of paragraph 4.13.1(b), the Provisional Successful Bidder of a Frequency Block will, subject to paragraphs 4.13.2 and 4.13.3, be the Bidder which has submitted the highest Valid Bid in respect of that Frequency Block and the amount of the Spectrum Utilization Fee payable for that Frequency Block will be the amount of that highest Valid Bid.

4.13.2 Where there is more than one Bidder having submitted the same highest Valid Bid in respect of a Frequency Block in the Round described in paragraph 4.13.1(b), the Authority will determine at random which of such Bidders will be the Provisional Successful Bidder in respect of that Frequency Block.

4.13.3 In case no Valid Bid is received in respect of a Frequency Block in the Round described in paragraph 4.13.1(b) -

- (a) where there was a Standing Highest Bid in respect of that Frequency Block at the end of the immediately preceding Round, that Standing Highest Bidder will be the Provisional Successful Bidder in respect of that Frequency Block (unless that Standing Highest Bid has been subject to a Withdrawal);
- (b) where there was no Standing Highest Bid in respect of that Frequency Block at the end of the immediately preceding Round, there will be no Provisional Successful Bidder in respect of that Frequency Block;
- (c) where the Standing Highest Bid in respect of that Frequency Block at the end of the immediately preceding Round has been subject to a Withdrawal, there will be no Provisional Successful Bidder in respect of that Frequency Block.

4.14 Provisional Successful Bidder Notice

4.14.1 Within two Business Days after the end of the Bidding Stage, the Authority will publish a notice (“Provisional Successful Bidder Notice”) to announce -

- (a) the identity of the Provisional Successful Bidder of each of the Frequency Blocks; and
- (b) the Spectrum Utilization Fee payable for each of the Frequency Blocks.

4.14.2 Within two Business Days after publication of the Provisional Successful Bidder Notice, each Provisional Successful Bidder must notify the Authority whether it is a Connected Bidder in relation to another Provisional Successful Bidder by completing and submitting the Connected Bidder Statutory Declaration. If a Provisional Successful Bidder fails to submit such notification to the Authority, it will be disqualified and the Authority may at its discretion forfeit an amount (up to the full amount of that Bidder's Deposit) by way of Penalty from that Bidder's Deposit.

4.14.3 Within 14 Business Days after publication of the Provisional Successful Bidder Notice, the Authority will publish a notice ("Connected Provisional Successful Bidder Notice") if it determines, either following a notification to it by a Provisional Successful Bidder under paragraph 4.14.2 or as a result of its review of any information available to it, that two or more Provisional Successful Bidders are Connected Bidders ("Connected Provisional Successful Bidders") and the total amount of spectrum for which they are Provisional Successful Bidders exceeds the Spectrum Cap.

4.15 Dealing with Connected Bidders after Bidding Stage

4.15.1 Within five Business Days after publication of the Connected Provisional Successful Bidder Notice, the relevant Connected Provisional Successful Bidders must make all arrangements as may be necessary, so as to satisfy the Authority that they cease to be Connected Provisional Successful Bidders in relation to each other, or that the total amount of spectrum to be assigned to them does not exceed the Spectrum Cap. They must jointly submit to the Authority a notification with documentary proof of the arrangements that have been made duly signed by two Authorised Representatives of each of the Connected Provisional Successful Bidders.

4.15.2 The arrangements that may be made by the Connected Provisional Successful Bidders pursuant to paragraph 4.15.1 may include one of the following -

- (a) reorganise themselves so that they cease to be Connected Bidders;
- (b) reach an agreement as to which of their Standing Highest Bids will be withdrawn so that the total amount of spectrum to be assigned to them does not exceed the Spectrum Cap.

- 4.15.3 If the Connected Provisional Successful Bidders fail to make any arrangement or submit a joint notification as required under paragraph 4.15.1, the Authority will conduct an auction among such Connected Provisional Successful Bidders (“Sub-Auction”).
- 4.15.4 The date, the start time, the end time and the location of the Sub-Auction will be notified by the Authority to the relevant Connected Provisional Successful Bidders.
- 4.15.5 In the Sub-Auction, each of the relevant Connected Provisional Successful Bidders may submit only one Valid Bid which is a Bid that must consist of any amount at or above the minimum fee of HK\$0 that the Bidder is willing to pay in addition to its Standing Highest Bid in respect of the Bidding Stage, and must be submitted by using the communication method and the form specified by the Authority.
- 4.15.6 For the avoidance of doubt, where the Connected Provisional Successful Bidder fails to take any action in accordance with paragraph 4.15.5, the amount of Valid Bid that the Bidder wishes to offer in the Sub-Auction is deemed to be HK\$0.
- 4.15.7 Subject to paragraph 4.15.8, the Connected Provisional Successful Bidder, whose Valid Bid offered in the Sub-Auction and Standing Highest Bid offered at the end of the Bidding Stage produce the highest aggregate amount, will remain as a Provisional Successful Bidder in respect of the Frequency Block for which it is the Provisional Successful Bidder at the end of the Bidding Stage whilst other Connected Provisional Successful Bidders will cease to be Provisional Successful Bidders.
- 4.15.8 Where two or more Connected Provisional Successful Bidders offer the same highest aggregate amount referred to in paragraph 4.15.7, the Authority will determine at random which of them will remain as a Provisional Successful Bidder. In such case, other Connected Provisional Successful Bidders will cease to be Provisional Successful Bidders.
- 4.15.9 After receipt of a notification submitted by the Connected Provisional Successful Bidders under paragraph 4.15.1 or the Sub-Auction conducted in accordance with paragraphs 4.15.3 to 4.15.8, as the case may be, the

Authority will publish a notice (“Revised Provisional Successful Bidder Notice”) to announce -

- (a) the arrangement made by the relevant Connected Provisional Successful Bidders, or the result of the Sub-Auction conducted among the relevant Connected Provisional Successful Bidders; and
- (b) the identities of all Provisional Successful Bidders after the arrangement or the Sub-Auction, as the case may be.

4.15.10 If a Connected Provisional Successful Bidder withdraws its Standing Highest Bid in accordance with paragraph 4.15.2(b) or ceases to be a Provisional Successful Bidder as a result of the Sub-Auction conducted in accordance with paragraphs 4.15.3 to 4.15.8, the Authority may at its discretion forfeit an amount (up to the full amount of that Bidder’s Deposit) by way of Penalty from that Bidder’s Deposit unless that Connected Provisional Successful Bidder is able to demonstrate to the satisfaction of the Authority that it has become a Connected Bidder in relation to another Provisional Successful Bidder as a result of a change in circumstances which is beyond its control and that it did not have any purpose of circumventing the terms and conditions of this Notice.

4.15.11 If a Provisional Successful Bidder fails to satisfy the Authority that it has made the arrangements in accordance with paragraphs 4.15.1 and 4.15.2 or does not take part in the Sub-Auction conducted in accordance with paragraphs 4.15.3 to 4.15.8, as the case may be, the Authority will disqualify that Provisional Successful Bidder from the Auction and forfeit an amount (up to the full amount of that Bidder’s Deposit) by way of Penalty from that Bidder’s Deposit where the Deposit is in cash or make a claim under the Letter of Credit to the extent of the relevant amount where the Deposit is a Letter of Credit.

4.16 Return of Deposits to the Losing Bidders

4.16.1 After publication of the Provisional Successful Bidder Notice or the Revised Provisional Successful Bidder Notice, as the case may be, the Authority will return to a Bidder which is not a Provisional Successful Bidder or ceases to be a Provisional Successful Bidder (“Losing Bidder”) that Losing Bidder’s Deposit provided -

- (a) that there is no outstanding investigation being carried out by the Authority against that Losing Bidder in respect of any suspected contravention of the terms and conditions of this Notice; and
- (b) that, if any amounts have been forfeited or deducted by the Authority in accordance with the terms and conditions of this Notice with respect to that Losing Bidder,
 - (i) where the Deposit is in cash, the Deposit will be returned less the aggregate amount of the Penalties and the amount deducted by the Authority under paragraph 4.10.2; and
 - (ii) where the Deposit is a Letter of Credit, the Authority will make a claim under the Letter of Credit to the extent of the aggregate amount of the Penalties and the amount the Losing Bidder is liable under paragraph 4.10.2.

4.16.2 Notwithstanding the return to a Losing Bidder of its Deposit in accordance with paragraph 4.16.1, that Losing Bidder must continue to comply with those terms and conditions of this Notice as are specified by the Authority. If the Authority does not specify any terms and conditions in accordance with this paragraph, that Losing Bidder will be required to comply with all the terms and conditions of this Notice as appropriate, including all the undertakings given in the Bidder Compliance Certificate submitted by that Bidder.

Part 5 – Grant Stage

5.1 Notification of any Approval

- 5.1.1 Within two Business Days after publication of the Provisional Successful Bidder Notice, each Provisional Successful Bidder must notify the Authority whether it is subject to an Approval, and if so, the details of that Approval.
- 5.1.2 Where a Provisional Successful Bidder notifies the Authority in accordance with paragraph 5.1.1 that it is not subject to any Approval, it may be entitled to be granted a Licence.
- 5.1.3 Where a Provisional Successful Bidder notifies the Authority in accordance with paragraph 5.1.1 that it is subject to an Approval, it may

not be entitled to a grant of a Licence until it notifies the Authority that it is no longer subject to an Approval.

5.1.4 On notifying the Authority in accordance with paragraph 5.1.3 that it is no longer subject to an Approval, the Provisional Successful Bidder must provide written evidence to the Authority that the Approval has been obtained by the Approval Date, or by the date as specified by the Authority in accordance with paragraph 5.1.6.

5.1.5 If a Provisional Successful Bidder does not notify the Authority in accordance with paragraph 5.1.1, the Authority may, at its discretion and without prejudice to the provisions of any law or ordinance and paragraph 6.1.1, forfeit an amount (up to the full amount of that Bidder's Deposit) by way of Penalty from that Bidder's Deposit where the Deposit is in cash or make a claim under the Letter of Credit to the extent of the relevant amount where the Deposit is a Letter of Credit.

5.1.6 If a Provisional Successful Bidder that is subject to an Approval fails to obtain that Approval by the Approval Date, the Authority may, if that Provisional Successful Bidder is able to demonstrate to the satisfaction of the Authority that it has used its best endeavours to obtain that Approval or a waiver of that Approval, specify a date by which that Provisional Successful Bidder must obtain the Approval.

5.1.7 If a Provisional Successful Bidder fails to obtain an Approval by the Approval Date or the date specified by the Authority under paragraph 5.1.6, the Authority will not assign any Frequency Block or grant a Licence to that Provisional Successful Bidder and will disqualify that Bidder from the Auction and forfeit an amount (up to the full amount of that Bidder's Deposit) by way of Penalty from that Bidder's Deposit where the Deposit is in cash or make a claim under the Letter of Credit to the extent of the relevant amount where the Deposit is a Letter of Credit.

5.2 Duties of Provisional Successful Bidder

5.2.1 Within 25 Business Days after publication of the Provisional Successful Bidder Notice, or the Revised Provisional Successful Bidder Notice, as the case may be, each Provisional Successful Bidder is required to -

- (a) pay the Authority the Spectrum Utilization Fee payable by it; and

- (b) provide to the Authority a Performance Bond for network and service rollout requirement in accordance with the Conditions.

5.2.2 A Provisional Successful Bidder may choose to pay the Spectrum Utilization Fee in full as a lump sum payment upfront; or annually in 15 instalments, with the first instalment equivalent to the lump sum amount divided by 15 and for each subsequent instalment an amount equal to the Spectrum Utilization Fee payable in the immediately preceding instalment increased by 2.5%. For the avoidance of doubt, payment of the Spectrum Utilization Fee in full as a lump sum payment upfront, or payment of the first instalment equivalent to the lump sum amount divided by 15, as the case may be, must be made within 25 Business Days after publication of the Provisional Successful Bidder Notice, or the Revised Provisional Successful Bidder Notice, as the case may be.

5.2.3 In the case of payment by annual instalments, the Provisional Successful Bidder or the Licensee, as the case may be, is required to maintain at all times throughout the whole assignment period a rolling Performance Bond to guarantee payment of the Spectrum Utilization Fee payable in the ensuing five years, or the Spectrum Utilization Fee payable for the remaining duration of the assignment term if it is less than five years. For the avoidance of doubt, where a Provisional Successful Bidder chooses to pay the Spectrum Utilization Fee by annual instalments, in addition to payment of the first instalment within 25 Business Days after publication of the Provisional Successful Bidder Notice, or the Revised Provisional Successful Bidder Notice, as the case may be, it must at the same time provide the rolling Performance Bond to guarantee payment of the Spectrum Utilization Fee payable in the ensuing five years.

5.2.4 Where a Provisional Successful Bidder fails to comply with the requirements specified in paragraph 5.2.1, the Authority will not assign any Frequency Block or grant a Licence to that Provisional Successful Bidder and will disqualify that Bidder from the Auction and forfeit an amount (up to the full amount of that Bidder's Deposit) by way of Penalty from that Bidder's Deposit where the Deposit is in cash or make a claim under the Letter of Credit to the extent of the relevant amount where the Deposit is a Letter of Credit.

5.3 Return of Deposit to Provisional Successful Bidder

5.3.1 Where the Authority is satisfied that a Provisional Successful Bidder has complied with the requirements specified in paragraph 5.2.1, the Authority will return to that Provisional Successful Bidder its Deposit after publication of the Successful Bidder Notice under paragraph 5.4.1 provided that -

- (a) there is no outstanding investigation being carried out by the Authority against that Provisional Successful Bidder in respect of any suspected contravention of the terms and conditions of this Notice;
- (b) where the Deposit is in cash, the Authority will return the balance of the Deposit after deducting -
 - (i) any amount forfeited by the Authority by way of Penalty under the terms and conditions of this Notice with respect to that Provisional Successful Bidder; and
 - (ii) any amount that Provisional Successful Bidder is liable under paragraph 4.10.2; and
- (c) where the Deposit is a Letter of Credit, the Authority will make a claim under the Letter of Credit to the extent of -
 - (i) any amount forfeited by the Authority by way of Penalty under the terms and conditions of this Notice with respect to that Provisional Successful Bidder; and
 - (ii) any amount that Provisional Successful Bidder is liable under paragraph 4.10.2.

5.3.2 Notwithstanding the return to a Provisional Successful Bidder of its Deposit in accordance with paragraph 5.3.1, that Provisional Successful Bidder or Successful Bidder, as relevant, must continue to comply with those terms and conditions of this Notice as are specified by the Authority. If the Authority does not specify any terms and conditions in accordance with this paragraph, that Provisional Successful Bidder or Successful Bidder, as relevant, will be required to comply with all the terms and conditions of this Notice as appropriate, including all the undertakings given in the Bidder Compliance Certificate submitted by that Provisional Successful Bidder or Successful Bidder, as relevant.

- 4.3 Where requested by the Authority, the licensee shall prepare and furnish to the Authority proposals for developing, adding to or replacing the numbering plan relating to the service.
- 4.4 The licensee shall, in such manner as the Authority may direct, facilitate the portability of numbers assigned to any customer of any unified carrier licensee, fixed carrier licensee, mobile carrier licensee, services-based operator, mobile virtual network operator or any other licensee, as the case may be, so that any number so assigned may be used by that customer should it cease to be a customer of any such entity and become a customer of any other unified carrier licensee, fixed carrier licensee, mobile carrier licensee, services-based operator, mobile virtual network operator or any other licensee, as the case may be.
- 4.5 Directions by the Authority under Special Condition 4.4 include reasonable directions concerning,
 - (a) compliance with Special Condition 4.4 by the licensee at the licensee's own expenses, or by equitably sharing all relevant costs associated with providing portability of numbers as between the licensee, any other unified carrier licensee, fixed carrier licensee, mobile carrier licensee, services-based operator, mobile virtual network operator or any other licensee, as the case may be; and

- (b) facilitation of portability of numbers through such technical arrangement (including but not restricted to a centralized database) as may be specified by the Authority, in co-operation with other parties sharing or maintaining the technical arrangement at such costs as may be directed under Special Condition 4.5(a).

- 4.7 Notwithstanding the generality of the foregoing, the licensee, where and as directed by the Authority, shall provide Administration Database Hosting Service to other licensees to facilitate the portability of numbers as required under their respective licences. The licensee may impose a reasonable charge to fairly compensate it for providing the Administration Database Hosting Service. The licensee shall endeavour to agree with the other licensee on what amounts to fair compensation for provision of the Administration Database Hosting Service.
- 4.8 Where the licensee is unable to agree with another licensee pursuant to Special Condition 4.7 on what amounts to fair compensation for the provision of, or the reasonable mode of supply of, the Administration Database Hosting Service, the matter at issue may be referred by either licensee to the Authority for determination. The licensee shall pay to the Authority, as it may reasonably require having regard to the number of parties to the determination, any costs or expenses incurred by the Authority in respect of such a determination or determination process including without limitation staff costs and expenses and the financing of liabilities paid out of the Office of the Communications Authority Trading Fund.

4.9 For the purposes of Special Conditions 4.7 and 4.8,

“administration database” means an off-line database that performs the backup and auditing function for all ported-out and ported-in numbers of unified carrier licensee, fixed carrier licensee, mobile carrier licensee, services-based operator, mobile virtual network operator or any other licensee, as the case may be, to facilitate the portability of numbers. The database is required to keep the current and historical records of all relevant ported-out and ported-in numbers; and

“Administration Database Hosting Service” means a service offered by the licensee which makes available its administration database for access by another licensee, so that the latter will be able to fulfil the licence obligation under its own licence to facilitate the portability of numbers without the need of setting up its own administration database.

6.2 Subject to Special Condition 6.3 the Authority may use and disclose

- 10.2 Subject to Schedule 1 and any special conditions relating to the provision of the service, the licensee shall comply with a customer request for the service as tariffed by the licensee in accordance with Special Condition 7 where the service can reasonably be provided by the licensee to the customer utilizing the licensee's network in place at the time of the request.

In

The licensee shall endeavour to agree with each of the other licensees on a reasonable mode of exchange and transmission format for the raw directory information.

11.7 Where the licensee is unable to agree with another licensee pursuant to

Special Condition 11.6 on what amounts to fair compensation for provision of, or the reasonable mode of exchange and transmission format of, raw directory information, the matter at issue may be referred by either licensee to the Authority for determination. The licensee shall pay to the Authority, as it may require, any costs or expenses incurred by the Authority, including, without limitation, staff costs and expenses, and the financing of liabilities paid out of the Office of the Communications Authority Trading Fund in respect of such a determination or determination process.

12.2 The licensee shall not charge for the use of the public emergency services described in Special Condition 12.1.

Where the licensee is providing a potentially nomadic telecommunications service, unless otherwise directed by the Authority, the licensee shall provide a mechanism whereby the customers can update their location information and remind the customers to update their location information whenever they change the location from which the service is used.

15.4 The licensee shall prepare and publish, after consultation with the Authority, its procedures for consulting with and giving notice to persons likely to be affected materially by changes to its network which are required to be notified in accordance with Special Condition 15.2 and any other changes required to be notified pursuant to any technical standard which the Authority has power to issue. - 22.2 Any universal service contribution shall be subject to periodic review by the Authority as to description and quantum and the licensee shall pay its relevant share of such universal service contribution as the Authority may direct following a review. On the completion of a periodic review, the Authority may supply the licensee such information

- (d) the Licensee ceasing to provide telecommunications services over the telecommunications network pursuant to the Licence,

the Bank shall on demand made by the Government in writing and without evidence that the relevant events have in fact occurred pay, satisfy and discharge without cavil or delay the Bonded Sum.

- 2.2 The obligations under this Performance Bond constitute direct primary, irrevocable and unconditional obligations of the Bank.
- 2.3 This Performance Bond shall continue in full force and effect until payment by the Bank to the Government of the Bonded Sum in full in accordance with sub-clause 2.1 provided that no demand may be made under this Performance Bond after [DATE]. *[Note: the expiry date shall be [180] days after the due date of the payment of the last instalment covered by the Bonded Sum.]*
- 2.4 For the purposes of this clause, "insolvency" of the Licensee includes where the Licensee goes into liquidation whether compulsory or voluntary or if an order is made or a resolution is passed for the winding up or a receiver or an administrator is appointed or it enters into any arrangement or composition with its creditors generally or ceases to carry on business or to be able to pay its debts when they fall due or becomes subject to other proceedings analogous in purpose or effect including, without limitation, the appointment of a receiver, trustee or liquidator for any such purpose.

3. MAXIMUM LIMIT

The maximum amount for which the Bank shall be liable under this Performance Bond shall not exceed the aggregate of:

- (a) the Bonded Sum; and
- (b) the aggregate of all sums payable under clauses 4 and 7.

4. INTEREST AND COSTS

The Bank shall pay interest on the Bonded Sum from the date of demand to the date of payment in full (both dates inclusive) compounded quarterly (both before and after judgment) at 2 per cent per annum over the prime rate quoted by The Hongkong and Shanghai Banking Corporation Limited from time to time. 5. WAIVER OF DEFENCES

The liability of the Bank under this Performance Bond shall remain in full force and effect and not be prejudiced, affected, discharged, impaired or diminished by any act, omission or circumstance which, but for this condition, might prejudice, affect, discharge, impair or diminish that liability including, without limitation, and whether or not known to the Bank:

- (a) any time or waiver granted to, or release of or composition with, the Licensee or any other person;
- (b) any suspension, cancellation, revocation, withdrawal or amendment of, or variation to, the Licence (including, without limitation, extensions of time for performance) or any concession or waiver by the Authority, the Government of Hong Kong, the Chief Executive in Council, the Chief Executive or, without limitation, any other person in respect of the Licensee's

6. ADDITIONAL SECURITY

This Performance Bond is in addition to and not in substitution for or prejudiced by any present and future guarantee, lien or other security held by the Government as security for the obligations of the Licensee. The Government's rights, powers and remedies under this Performance Bond are in addition to and not exclusive of those provided by law.

7. NO DEDUCTIONS AND TAXES

All sums payable under this Performance Bond shall be paid in full without set-off or counter-claim and free and clear of, and without deduction of or withholding for, or on account of, any present or future taxes, duties or other charges. If any payment is subject to any tax, duty or charge, or if the Bank is required by law to make any deduction or withholding, the Bank shall pay the tax, duty or charge and shall pay to the Government any additional amounts as shall result in the Government receiving a net amount equal to the full amount which it would have received had no payment, deduction or withholding been required.

8. PAYMENTS

All payments to be made by the Bank under this Performance Bond shall be made in immediately available funds in the currency and in the manner as the Government may specify.

9. WARRANTY

The Bank warrants that this Performance Bond constitutes its legally binding obligations enforceable in accordance with its terms (subject to insolvency laws and creditors' rights generally and principles of equity) and does not conflict with any law, regulation or instrument binding on or relating to the Bank and that this Performance Bond is within its powers and has been duly authorised by it.

- (b) promptly obtain all official and other consents, licences and authorisations necessary or desirable for the entry into and performance of its obligations under this Performance Bond, whether or not performance has become due; and
- (c) promptly notify the Government if the Bank ceases to be a Qualifying Bank.

13. REMEDIES AND WAIVERS

No delay or omission of the Government in exercising any right, power or remedy under this Performance Bond shall impair that right,

power or remedy or constitute a waiver of it nor shall any single or partial exercise of any right, power or remedy preclude any other or further exercise of it or the exercise of any other right, power or remedy. The rights, powers and remedies provided in this Performance Bond are cumulative and not exclusive of any rights, powers or remedies which the Government would otherwise have.

Nothing in this clause is to limit right of the Government to take proceedings against the Bank in any other court of competent jurisdiction but this provision applies only to the extent that it does not prejudice the above agreement as to the jurisdiction of the Hong Kong Courts.
- 14.3 The Bank irrevocably and generally consents in respect of any legal action or proceedings anywhere (whether for an injunction, specific performance, damages or otherwise) arising out of or in connection with this Performance Bond to the giving of any relief or the issue of any process in connection with it including, without limitation, the making, enforcement or execution against any assets whatsoever (irrespective of their use or intended use) of any order (whether or not pre-judgment) or judgment which may be made or given there, and irrevocably and unconditionally waives, in any such action or proceedings anywhere, any immunity from that action or those proceedings, from attachment of its assets prior to judgment, other attachment of assets and from execution of judgment or other enforcement.

B. APPLICATION FORM INSTRUCTIONS

Instructions are set out below on the information required in the Application Form, and the form of its presentation. Unless otherwise stated, terms used in the Application Form and these instructions have the meaning given to them in the Notice.

B.1 The Bidder

B.1.1 Details of the Bidder

Please provide the registered name of the Bidder, its company number appearing on the Certificate of Incorporation issued by the Companies Registry of Hong Kong, registered office address (and principal place of business if different) and official fax and telephone numbers.

Separately, please provide certified true copies of the Certificate of Incorporation and the Business Registration Certificate of the Bidder.

B.1.2 Contact details of the Bidder

Please provide the address, telephone number and fax number within the Hong Kong Special Administrative Region at which the Bidder can be reached between 9:00 am and 6:00 pm Hong Kong time. This address will be considered as the Bidder's official address for written correspondence for matters relating to the Auction and will generally be used for non-time critical communication.

B.1.3 Principal contacts of the Bidder

Please provide the names, titles (e.g. executive director) and/or positions (e.g. Head of Telecom) and contact details (telephone number, mobile number, fax number and e-mail address) for three persons that the Authority may contact directly for urgent or time-critical communication. These contacts must be fully authorised under law and the Bidder's constitutional documents to represent the Bidder for all acts that may be related to the Auction and to the grant of a Licence. The contacts should be listed in the order in which the Bidder would prefer the Authority to contact them. Such persons should be aware that the Authority may contact them outside normal working hours.

B.1.4 Bank account (for reimbursement of Deposit provided in cash)

Where the Deposit is provided in cash, please provide the details of the Bidder's bank account into which the Deposit should be returned in accordance with the provisions of the Notice.

B.1.5 Directors and principal officers of the Bidder

Please provide the names, titles and/or positions of all the directors and principal officers (such as Chief Executive Officer, Chief Financial Officer, Chief Operating Officer and Chief Technical Officer, or equivalent) of the Bidder.

B.2 Bidder's Authorised Representatives

Please provide the name, employer, title and/or position (together with one business card), identity card number or passport number and specimen signature of each Authorised Representative who is authorised to provide confirmations, submit bids and act in any other way necessary on behalf of the Bidder during the Auction. The table in section A.2 of the Application Form will be used by the Authority to verify the signatures for matters relating to the Auction.

If any Authorised Representative is not an employee of the Bidder, please state clearly its relationship with the Bidder in the "employer" section.

If the Bidder wishes to substitute one or more of its Authorised Representatives, it shall give the Authority at least one Business Day prior written notification of the details of such change.

B.3 Insiders

Please provide the names, employer, title and/or position, and roles of all the Insiders to the Application and the Bidder's participation in the Auction. If any of the Insiders is not an employee of the Bidder, then the information provided must state clearly the relationship between this Insider and the Bidder. The description of the role must be sufficient for the Authority to determine what function that Insider has played or will play during the Auction.

B.4 Corporate and shareholding structures of the Bidder

Please provide, in the format described hereafter, the following information regarding the ownership structure of the Bidder:

- (a) Detailed information on corporate and shareholding structures of the Bidder including each person (which may be individual or body corporate; see the interpretation of "person" given in the Notice):
 - (i) which has a shareholding of more than 15% in the Bidder;
 - (ii) in which the Bidder has a shareholding of more than 15%; and
 - (iii) which shareholding of more than 15% is held by another person who also holds a shareholding of more than 15% in the Bidder.

Please also indicate which of the companies appeared in the corporate and shareholding structures are listed on a stock exchange ("Listed Companies"), the exchange on which they are listed, and the percentage of each class of their shares which form a public or free float. Please provide the latest annual reports and accounts of the Bidder and the Listed Companies.

- (b) Detailed information of all parties who have a material interest, as defined in the Notice, in the Bidder. Bidders should note that, a material interest in the form of an indirect interest (e.g. interest held through nominees or custodians) and a conditional entitlement (e.g. interest conditional on terms of a loan agreement) must be disclosed.

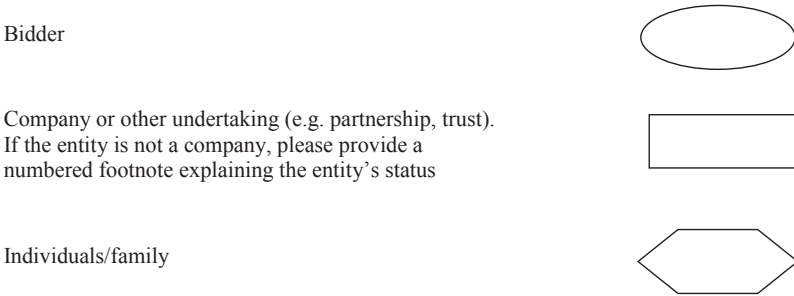

The information provided should state clearly the nature of the material interest (e.g. percentage shareholding, voting control, board representation, management agreement etc). If more than one factor apply, each of such factors should be clearly stated.

For the avoidance of doubt, the Bidder is required to provide information of each person (which may be individual or body corporate; see the interpretation of “person” given in the Notice) who holds a material interest in it. For this purpose, the Bidder may provide more than one diagram. (The Bidder is not required to provide information of any other interest (e.g. shareholding of less than 25%) which does not amount to a material interest as defined in the Notice.)

- (c) Please also indicate which of the parties provided pursuant to B.4 (a) and (b) above are Insiders to the Bidder.

The information provided pursuant to B.4 (a) and (b) above will be disclosed to other Bidders to assist each of the Bidders to assess whether it is a Connected Bidder in relation to another Bidder. In disclosing such information, the relevant parts of each Application Form will simply be copied to the other Bidders. If the Bidder wishes particular ownership information that is not in the public domain to be kept confidential, that Bidder should ask the Authority to treat such information as confidential and such information should be clearly identified to the Authority on the Application Form. That Bidder should also provide a separate abbreviated version that can be disclosed by the Authority to other Bidders. Any confidential information should be provided on separate sheets of paper so that it can be separated from the other information to be copied to other Bidders (if this is done, the Application Form must make the Bidder’s overall ownership structure clearly and easily comprehensible). Bidders should note that the request will only be accommodated if the Authority considers that the request is reasonable in the interests of that Bidder and not disclosing such information would not unfairly prejudice other Bidders or be detrimental to the Auction.

The information required in this section of the Application Form should be provided in diagrammatic form as follows. Each shape should contain the registered name of the relevant entity.

Company(ies) controlled by private individual or family
(see illustration below)

Where such entities are Insiders, the shape should be double-lined as follows:

Company or other entity which is an Insider

Individual/family that is an Insider

Company(ies) controlled by private individual
or family that is an Insider

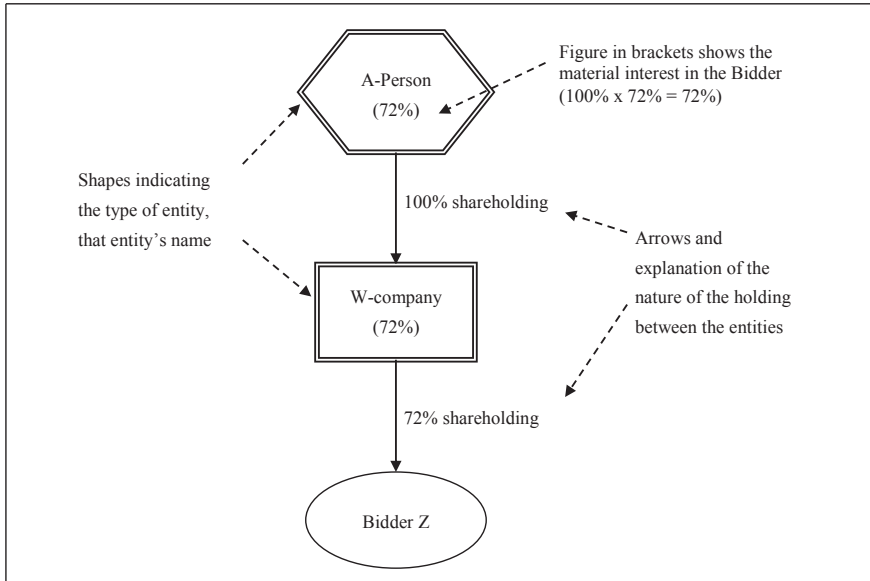

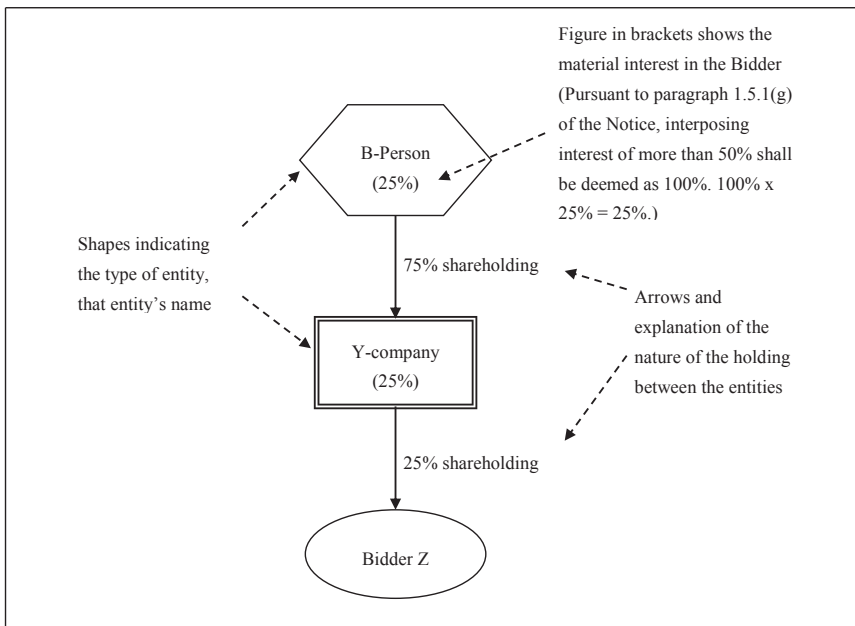

The Bidder is assumed to be an Insider, so it is not necessary to double-line the Bidder's shape.

Links (whether by ownership or some other form of control or arrangement) between entities should be shown as an arrow between holder and held entities, together with a description of the amount of ownership or form of arrangement. Each entity's shape should also contain in brackets a figure (or other explanatory note) stating that entity's material interest in the Bidder itself.

Illustrative example 1:

Each of Person A, Person B, Company W and Company Y has more than 15% interest directly or indirectly in Bidder Z. Bidder Z must disclose the interest of Person A, Person B, Company W and Company Y in diagrams as follows:

Bidder Z, however, is not required to disclose the names of other shareholders who do not hold more than 15% interest in it (e.g. Person C holding the remaining 3% shareholding interest in Bidder Z).

For the avoidance of doubt, Bidder Z is required to disclose any body corporate in which it has a shareholding of more than 15%.

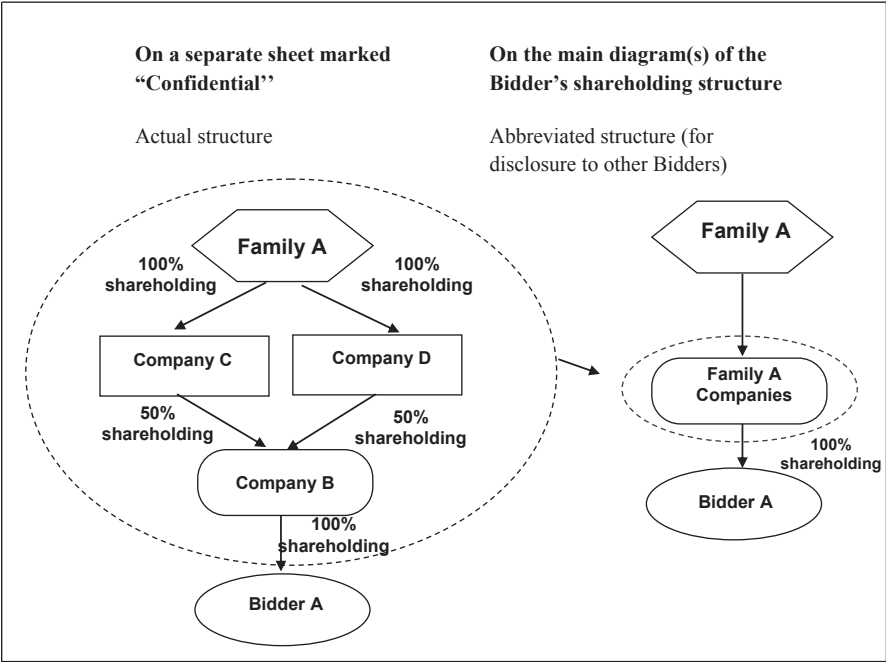

If the form of interest in the Bidder is not readily explainable in the format set out above, provide additional arrows together with explanatory text either in the diagram or in a footnote.

If these diagrams do not fit legibly onto a single sheet of paper, please provide additional sheets (which can be larger than A4 if necessary) to make the requested information clear.

The diagrams below illustrate how shareholding information that the Bidder wishes to keep confidential should be presented.

Illustrative example 2:

Bidder A is 100% owned by a company (Company B) which in turn is owned by two companies (Companies C and D), each holding 50% of Company B, and these two companies are 100% owned by a family (e.g. Family A). The following diagram illustrates how Bidder A is permitted to present its shareholding structure diagram:
