SCHEDULE

Description of the undertaking and the manner in which the foreshore and sea-bed will be affected by the proposed undertaking

Foreshore and sea-bed affected

Approximately 2 120 square metres of foreshore and sea-bed in Tseung Kwan O as delineated and shown edged red on a plan, numbered SKM9595, deposited in the Land Registry.

- (i) Construction of a pair of permanent seawater intakes and a pair of permanent seawater outfalls along two sections of an existing seawall at Tseung Kwan O to support the seawater district cooling system in Tseung Kwan O Industrial Estate. The internal size of each intake/outfall will be about 2 metres wide by 2 metres high while the invert levels of the intakes and outfalls are about 3.5 metres and 2 metres below Hong Kong Principal Datum respectively.
- (ii) Reconstruction of the affected part of the above two sections of the seawall.

The area of foreshore and sea-bed affected is shown on the plan on the next page for identification purposes only. The area is more particularly shown on the plan numbered SKM9595 above referred to.

Personal Information Collection Statement

Any information, including the personal data, submitted to the Director of Lands in connection with any written objections/comments will be used for the processing of the objections/comments and other related purposes. The provision of any information, including the personal data, other than the information as required under section 6(2) of the Foreshore and Seabed (Reclamations) Ordinance (Chapter 127) is voluntary.
