Any person who considers that he has an interest, right or easement in or over the foreshore and sea-bed so described may, by notice in writing delivered to the Director of Lands, 20th Floor, North Point Government Offices, 333 Java Road, North Point, Hong Kong before the expiration of two months from the date of this notice, object to the proposed undertaking. The notice of objection shall describe the interest, right or easement of the objector and the manner in which he alleges he will be affected.

SCHEDULE

Foreshore and sea-bed affected

Approximately 580 square metres of foreshore and sea-bed situated at Tseung Kwan O waters as delineated and shown by a bold red line on a plan, numbered SKM9624, deposited in the Land Registry.

Description of the undertaking and the manner in which the foreshore and sea-bed will be affected by the proposed undertaking

- (i) Installation of precast concrete mattress units with a width of approximately 6 metres along a section of approximately 100 metres of the Asia Pacific Gateway.
- (ii) Each of the unit will be lowered into position from a barge and will sink into the marine mud to a depth of around 1 metre (the sinking depth).
- (iii) In the event that the marine mud is particularly soft and the sinking depth is exceeded, the unit will be lifted off the sea-bed. A steel sea-bed bearing sheet will be installed on the sea-bed first and the unit will then be lowered on to the bearing sheet.
- (iv) The units will be connected together one by one by divers with short link steel chains.

The area of foreshore and sea-bed affected is shown on the plan on the next page for identification purposes only. The area is more particularly shown on the plan numbered SKM9624 above referred to.

Personal Information Collection Statement

Any information, including the personal data, submitted to the Director of Lands in connection with any written objections/comments will be used for the processing of the objections/comments and other related purposes. The provision of any information, including the personal data, other than the information as required under section 6(2) of the Foreshore and Seabed (Reclamations) Ordinance (Chapter 127) is voluntary. However, it may not be possible to process the objections/comments if such information, including the personal data, is not sufficiently provided. Any information, including the personal data, so submitted may be disclosed to the relevant government departments and other persons, organizations or agencies which are required to handle the objections/comments and related matters. Persons who have so submitted their personal data have the rights to request access to and correction of their personal data held by us. Request for access to or correction of the personal data should be made in writing to the Departmental Personal Data Controlling Officer of Lands Department at 21st Floor, North Point Government Offices, 333 Java Road, North Point, Hong Kong.
