 - (i) obtain a specimen bottle from the CHP;
 - (ii) collect relevant sample in the aforesaid specimen bottle as per the guidelines in the specimen collection pack;
 - (iii) return, by 5 April 2021, the specimen bottle with the sample to one of the designated collection points ^[Note 4]; and
 - (iv) keep the SMS (mobile phone text message) notification containing the result of the test, and provide the relevant SMS notification for checking by a prescribed officer when the prescribed officer requires the person to provide information about his or her undergoing the Specified Test;

OR

- (e) for a test at general out-patient clinics of the Hospital Authority:—
 - (i) undergo, by 5 April 2021, the Specified Test at general out-patient clinics of the Hospital Authority as instructed by a medical professional of the Hospital Authority;
 - (ii) keep the SMS (mobile phone text message) notification containing the result of the test, and provide the relevant SMS notification for checking by a prescribed officer when the prescribed officer requires the person to provide information about his or her undergoing the Specified Test;

OR

- (f) for a self-arranged test:—
 - (i) arrange for the carrying out of the Specified Test at a laboratory which is included in a list of recognised laboratories for the Specified Test published at the coronavirus disease 2019 thematic website on https://www.coronavirus.gov.hk/pdf/List_of_recognised_laboratories_RTPCR.pdf and which can issue SMS (mobile phone text message) notifications in respect of test results;
 - (ii) undergo, by 5 April 2021, the Specified Test in accordance with the instructions given by the staff of the laboratory; and
 - (iii) keep the SMS (mobile phone text message) notification containing the result of the test, and provide the relevant SMS notification for checking by a prescribed officer when the prescribed officer requires the person to provide information about his or her undergoing the Specified Test;

(III) require every person who falls within the above category to take appropriate personal disease prevention measures as far as reasonably practicable, including wearing a mask and maintaining hand hygiene; and unless for the purpose of undergoing the Specified Test, stay at his/her place of residence and avoid going out until the test result is ascertained as far as possible;

Period Specified for the Purpose of Section 14(3)(b) of the Regulation

(IV) specify in relation to the category of persons above the 30-day period from 6 April to 5 May 2021 as the period during which a Compulsory Testing Order may be issued under the Regulation upon non-compliance with this Notice;

Appointment of Prescribed Officers

(V) appoint members of the Auxiliary Medical Service and all public officers of the Government of the Hong Kong Special Administrative Region to perform a function under the Regulation concerning a requirement specified under this Notice ^[Note 5].

Note 1:—

If a person who falls within the category specified in Part (I) above has previously undergone the Specified Test during the period from 31 March to 2 April 2021, he/she would be taken to have complied with the requirements set out in this Notice regardless of whether or not the test was conducted for complying with this Notice.
