SCHEDULE

Description of the undertaking and the manner in which the foreshore and sea-bed will be affected by the proposed undertaking

Foreshore and sea-bed affected

Approximately 1.34 hectare of foreshore and sea-bed situated in Tai O as delineated and shown edged red on a plan, numbered ISM3364a, deposited in the Land Registry.

- (i) Filling of the sea-bed to form land of approximately 0.26 hectares for the expansion and upgrading of Tai O Sewage Treatment Works;
- (ii) Laying of a submarine outfall of approximately 130 metres long from the shore by dredging method; and
- (iii) Construction of a vertical seawall of approximately 50 metres long, which will function as berthing facility, and a sloping seawall of approximately 100 metres long by non-dredge method.

The area of foreshore and sea-bed affected is shown on the plan on the next page for identification purposes only. The area is more particularly shown on the plan numbered ISM3364a above referred to.

Personal Information Collection Statement

Any information, including the personal data, submitted to the Director of Lands in connection with any written objections/comments will be used for the processing of the objections/comments and other related purposes. The provision of any information, including the personal data, other than the information as required under section 6(2) of the Foreshore and Seabed (Reclamations) Ordinance (Chapter 127) is voluntary. However, it may not be possible to process the objections/comments if such information, including the personal data, is not sufficiently provided.
